This is a good post u/askmrcia, but there's way more going on here related to our theme than the title suggests:

physical abuse

riding the carousel

pregnant by two different men

Would you highlight these parts as well, then post it with a title summarizing these points. Examples:

Every guy I dated cheated on me multiple times, also I got pregnant by different men.

Carousel rider complains about getting cheated on, abused, and pregnant by different men.

Yea would you like for me to delete this and then repost it?

Yes, and I recommend the title: Carousel rider complains about getting cheated on, abused, and pregnant by different men.

Or something similar.
