Are you gonna crosslink to other subs?

redpillschool[S] • 1 point • 29 January, 2013 04:39 PM

There are only a few subs who would be interested, and they do not want me cross linking AMAs.

Bobsutan • 1 point • 29 January, 2013 07:53 PM

/r/seduction and some of the guys in /r/mensrights would be interested.

I'd love to see someone get Heartiste/Roissy to do one of these, but I don't think it's just one guy anymore. I've been trying to get him and Roosh to do a lair talk in DC for years now, but they keep declining.

/r/seduction[1] and some of the guys in /r/mensrights[2] would be interested.

I'm sure some would. This isn't really my decision.

I'd love to see someone get Heartiste/Roissy to do one of these.

I've tried to contact Heartiste, to no avail.

What makes you think Heartiste is not one person?

Bobsutan • 1 point • 29 January, 2013 09:02 PM

IIRC he announced there would be guest writers filling in for him and challenged readers to spot which ones were him or the other people.

That seems a bit dumb to mess with his credibility. The guy keeps himself in the shadows

pretty tight. Wonder if he's a scam.

Right. Old Rooshy casts a big shadow, from seduction, all the way to conservative or even new right politics.

I can't stop you from x-posting. But the mods of other subs have requested that I don't. I will respect that wish.

Nah, I will follow your lead. SO BETA OF ME.
