Instinctively they do.

Society tells them otherwise.

But they are, literally, too huge of pussies to test rejection

johncillo • 55 points • 16 March, 2020 10:41 PM

Also, there are a lot of handsome and high smv guys fucking whatever gets in front of them, elevating the perception of the girl's SMV and then they ask why aren't good men out there. Be selective please.

theyearsstartcomin • 23 points • 17 March, 2020 12:42 AM*

I have hooked up with girls below my smv before because they were chill enough and willing to do literally anything for me because we both knew what the deal was.

Having a few like that boosts the lineup and your abundance mentality

Yeah theres a hotter girl, but who cares if that doesnt work out? We always say having a plate or two helps, now imagine having six or ten

johncillo • 9 points • 17 March, 2020 12:53 AM

Yes, I am in that situation as well, and as smv goes, normally girls only date up or cross, sometimes low but is not the norm. However, my point is, be selective, fuck with someone whom actually you see attractive and plate the ones that are willing to let you lead and have fun. If you aim too low it will damage your SMV, it will damage the girl and so on. It is like if a girl is a whore, she is damaging the beta who fucks her because he thinks his game is top notch and that doesn't help anyone's growth. This society was built upon competence and being the top of hierarchies.

theyearsstartcomin • 3 points • 17 March, 2020 12:55 AM

Ya you cant slum it. Im talking about like maybe 2 points or so below me

Hungboy6969420 • 2 points • 17 March, 2020 12:57 AM

Same, but at the end of the day you know you're shooting below the belt

theyearsstartcomin • 3 points • 17 March, 2020 01:38 AM

Who cares as long shes not butt ugly and is fun to hang with. You wouldnt get the hotter chick if you were less confident, but now youre getting laid too

Hungboy6969420 • 2 points • 17 March, 2020 01:48 AM

They're okay but at the end of the day sometimes it feels like settling

theyearsstartcomin • 2 points • 17 March, 2020 01:59 AM*

I know what you mean, but i simply dont see it that way since youre increasing your abundance both mentally and in real terms. Ask yourself if youd rather have a ten dollar bill or a five dollar bill. Now ask if youd rather have five or zero.

Are you "settling" for five?

Hungboy6969420 • 0 points • 17 March, 2020 12:58 AM

Same, but at the end of the day you know you're shooting below the belt

limbojunkie • 7 points • 17 March, 2020 12:37 AM

I agree. I have met too many high SMV guys who settle with women much less attractive. On the other hand, these men take advantage of women's resources living without paying bills.

MakoShark93 • 1 point • 17 March, 2020 02:10 AM

Lmao that's my big brother all day

Anussauce • 5 points • 16 March, 2020 10:44 PM

AKA boosted ego or a "big head."

BruhMoment45886 • 137 points • 16 March, 2020 03:05 PM

Not a majority of them. Women have had their egos inflated from thirsty beta orbiters and a society that rewards them simply for having a vagina.

You can tell which ones are aware by how bitter and competitive they are.

Gandalf32 • 21 points • 16 March, 2020 05:43 PM

Can confirm. Living in the UK, this also holds true.

Forsaken4321 • 101 points • 16 March, 2020 03:36 PM

A solid 5 will be fucked by a 10 if he is

-horny -bored -drunken -just wants a hole [in this case a 4 will do too)

So how shouldt they know when they get high value dick all the time.

BlackMonkey14 • 19 points • 16 March, 2020 08:10 PM

I can't even fuck a 6. It amazes me that anyone at all can fuck a 5. The amount of mental gymnastics involved to accomplish this is too much for me.

[deleted] • 10 points • 16 March, 2020 10:02 PM

I don't know if you mean mental gymnastics to pass their shit tests, or lowering your standards?

For me personally, the former would be the bigger turnoff, I have more fun with the game than the outcome 90% of the time.

[deleted] • 3 points • 17 March, 2020 01:37 AM

I believe the keyword was `drunken`

I can bang prawns too with not much problem.

deadstick_it • 38 points • 16 March, 2020 04:45 PM

They don't want dick. They want time. They get alpha widowed when they give up the pussy but the Chad won't give her the time.

Forsaken4321 • 15 points • 16 March, 2020 08:05 PM

Well they want thr dick. I agree attention is s part but they are horny too.

Just switch sides, if you are smv 5 guy who somehow always fucks 9s and 10s would you settle for a 5 ?
Fuck no you wouldtn even understand why this happens with girls

burnerkidtalín • 1 point • 17 March, 2020 02:28 AM

They be lookin good when im crossed

newyearzz2020 • 19 points • 16 March, 2020 09:14 PM

No, they have absolutely no clue.

A high SMV guy going through a dry spell , or just bored, will pick an average girl for the night. So now because she gets laid by a few high SMV guys occasionally, she erroneously thinks that's her new league and starts rejecting guys in her own league. Cue alpha widow. Cue divorce and/or cheating when she finally "settles".

Then you have FDS telling these average women who got fucked by a few Chads "you go gurrl never settle, a HVM is there for all of usss"

This is the major problem with dating nowadays because Tinder has given average SMV women access to high SMV guys at their fingertips whenever they want, and once they experience it, they don't wanna go back to an average guy, ever.

Imagine if someone gave you a Lamborghini and a Porsche to drive in your 20s then as soon as you're 30, they take away the Lamborghini and Porsche and give you a Toyota Prius instead for the rest of your life?

Divorce rates for millennials and Gen Z women will be at unprecedented highs, mark my words.

ExploreBeyond7 • 1 point • 17 March, 2020 04:04 PM

Bang on, one of my average-above average plates told me stories of all the guys she's been rejecting whilst she has been sleeping with me - she showed me pictures of them and they are literally her looks-match. It's truly shocking the way she speaks about them, you would think they are ugly, creepy guys.

RPthrowaway123 • 66 points • 16 March, 2020 03:22 PM

Honestly I don't think so. Look how they act, entitled bitches even when they have 3 kids at 22 and a fucking cattle ring in their nose. They've been told their whole lives that they deserve to have it all no matter what.

BruhMoment45886 • 38 points • 16 March, 2020 03:23 PM

But.... girl power?

send_it_for_the_boys • 28 points • 16 March, 2020 05:19 PM

I was at a bar last weekend & straight up asked the. Bartender what's the deal with the fuckin bull rings □.
"She had one"

Lmaoo what did she say

send_it_for_the_boys • 5 points • 17 March, 2020 03:26 AM

She said "i think it's cool and something about being herself"..... like everyone else says lol

Nergaal • 12 points • 16 March, 2020 06:17 PM

a fucking cattle ring in their nose

ah I didn't understand why I hated that

Kyomeii • -7 points • 16 March, 2020 06:59 PM

I actually find it hot as fuck

KumonRoguing • 5 points • 16 March, 2020 10:43 PM

One time I kissed a girl with one it cut me. It as also the last time.

[deleted] • 16 points • 16 March, 2020 07:47 PM

I think Tinder (and similar apps) gives them delusion in thinking they can. When in reality, Chad is just going to use them as c*m dumpster.

[deleted] • 7 points • 17 March, 2020 01:55 AM

No need for self censoring here, brother.

mrsmiley831 • 51 points • 16 March, 2020 04:45 PM

I was at a bar last night and got hit on by a single mom in her 40s. I'm younger, better looking, and have much higher smv than her yet she still thought she had a chance. Finally had to tell her I'm out of her league, to which she stormed off and got upset (it was pretty funny actually). They may know that they have lower smv, but they'll still try due to their entitlement and narcissism.

Pluglord • 31 points • 16 March, 2020 04:59 PM

Had to tell her I'm out of her league

How did you word it? □ □

PinacoladaSauce • 35 points • 16 March, 2020 05:04 PM

my guess is he literally said "i'm out of your league" lmaoo

volvastupidshit • 11 points • 16 March, 2020 09:54 PM

Pretty savage if you ask me. But someone has to do it.

Greaterbird • 20 points • 16 March, 2020 07:56 PM

Off to complain on social media how "gross" it is that men only want to date beautiful women.

wyota • 19 points • 16 March, 2020 05:19 PM

Did you literally say "I'm out of your league"? Or something more along the lines of "sorry I'm not interested"?

OracleofFl • 47 points • 16 March, 2020 03:36 PM

On any given night, a high SMV guy may choose to go home with a low SMV girl because he wants to get laid. The societal problem with that is that now that lower SMV girl thinks she has a shot at landing a guy like that in the future and only a high SMV guy will do. This is the "Alpha Widow".

Hungboy6969420 • 5 points • 17 March, 2020 01:01 AM

Yea I had an old co-worker who was maybe a 5. She hooked up a guy who looks wise was an 8 or 9. However, he was a huge pussy and had NO game. He paid for all her dates and took a few meetups to hookup. When she showed me a pic of them, I laughed and said , damn that dude must have zero game. She got defensive before admitting it was true

[deleted] • 2 points • 17 March, 2020 05:58 AM

can't believe an older woman was happy to talk to you about her sex life in the workplace

Hungboy6969420 • 1 point • 17 March, 2020 03:19 PM

Haha by old I meant a coworker in the past. She was early 20s

UEMcGill • 8 points • 16 March, 2020 08:23 PM

Do they? Do an experiment. Make up a throwaway account, google up a pic of some blue and pink hair chick with tattoos and post on r4r and watch how much your inbox gets filled with thirsty bro's and dick picks.

Dick is free.

The more important question is, how do you make this work for you?

__TheDon__ • 21 points • 16 March, 2020 04:24 PM

Not all the time.. Average or below average chicks think they deserve a top tier male. Thanks to many thirsty dudes with no standards

On the other hand, 99% of chicks are deeply insecure and know they're not worth shit, So it depends.

BlackMonkey14 • 3 points • 16 March, 2020 08:13 PM

I wonder if the "insecurity" isn't just an act or a necessity to submission. This isn't talked about enough.

user20180620 • 2 points • 17 March, 2020 01:23 AM

Nah... I think it's real. Chicks are constantly comparing themselves to other chicks. So they constantly feel inadequate. Especially since they all show off their absolute best lives on Instagram.

So they have this cognitive dissonance of one the one hand feeling they deserve the world because a few Chad's chose them for a pump... And also feeling like shit because their friend Tiffany has a hotter guy, or more money, or whatever.

So this shows up in the dating market as the same girl being a submissive angel to one guy... And being a stuck up bitch to another. The one guy (high value) triggers her insecurity, and she rushes to prove herself worthy. The other guy (low value) triggers her princess complex, and she shit tests him like crazy.

omega_dawg93 • 14 points • 16 March, 2020 04:13 PM

they know this: they have a chance to get a high value man's dick... knowing they'll never have him.
but it's really the attention & validation (bragging rights, esp if pix are taken) that are most imp't to her.

hqckbjpxhtbvpqfw • 4 points • 16 March, 2020 06:33 PM

i was wondering why girls took selfies with me on our first dates, a friend said the exact same thing

omega_dawg93 • 5 points • 16 March, 2020 06:45 PM

social validation.

the dick she gets and the mouth, pussy etc she gives up don't matter... she needs that attention & validation.

attention = female currency.

superstar94b • 15 points • 16 March, 2020 05:12 PM

No. This is for a couple of reasons. Biologically it'd make almost no sense for a woman to realize she's not in a man's "league". Yes, in some situations that could end with some severe consequences, but rarely. Secondly, given the social realities of 2020, where calling a woman fat might constitute as a hate crime, these women have high egos. They genuinely have no clue. I've seen this shit first hand, and I'm not even puzzled about it. The fattest 4, with a saggy body will be somewhat confused (on a conscious level) as to why she doesn't have a 6 or 7. Subconsciously she might get it, but in this society, these women are consciously oblivious.

Domebeers • 7 points • 16 March, 2020 03:35 PM

except they do, that's the problem

Livecrazyjoe • 4 points • 16 March, 2020 11:10 PM

Online they think they do. But in real life without filters and angles they aren't shit. Been on enough dates where I show up and figure out she doesn't look like her pics. It goes downhill because now I'm on a date with an ugly chick. Usually leave and never text again.

Online yes Real life no

confusedbonobo007 • 13 points • 16 March, 2020 03:41 PM

As G eazy might say There's some 6s up in here like who allowed it?

They shouldn't, but they sometimes do.

Zanford • 7 points • 16 March, 2020 07:23 PM

Sometimes, if the gap is wide enough.

But they do tend to overestimate their SMV. Our brains evolved for small tribes with no social media. If a cavewoman had 10 orbiters, she was probably the alpha female of the village. Now every woman can easily have 10 orbiters if she wants (thanks to bigger population, social media, pro-slut propaganda, thirstier guys, fat competition, less violent repercussions for orbiters from fathers/suitors/etc) but she doesn't really calibrate for how that's nothing special anymore.

FinancialThanks1 • 9 points • 16 March, 2020 03:00 PM

Sometimes

RedPill_Dragon • 3 points • 16 March, 2020 10:39 PM

When I was in my 30s, I had women in their 50s think they could hit on me. I had to directly tell them that I only date women who can safely have kids. The women would go absolutely bonkers over this, as if I were asking something outside of the mammal experience.

I'm 46 now and I get hit on by women in their 50s still. I don't even care. On POF, I get hit on by women who would not qualify as my friend, even less as a dog walker. They have no clue about their lower value.

VasilyZaitzev • 2 points • 16 March, 2020 06:51 PM

Yes. Women are quite attuned to which men their beauty is capable of holding.

Some of them are delusional of course, but on the whole they "know".

PhaedrusHunt • 1 point • 16 March, 2020 08:05 PM

Yep. They act like they don't but when you check one hard they fall the fuck apart.

cfbovernfl • 1 point • 16 March, 2020 10:46 PM

No. These days guys will fuck close to anything that moves. That's in part why girls' standards are high and they're more polyamorous compared to previous generations.

alphakari • 1 point • 16 March, 2020 11:06 PM

Girls are bad at math.

The fatal flaw in all female sexual strategy is the fact they all pursue the top 20%. There just aren't enough high SMV men to go around, and it's for that reason it's even possible to spin plates.

DF-RP • 1 point • 16 March, 2020 11:45 PM

If we are talking about relationships, yes, they are aware, particularly when the gap in SMV is massive. They do care about the bragging rights though, which is why you'll have shit like girls taking a pictures in bed with famous sports star/a-lister after the guy has gone sleep.

wyota • 1 point • 16 March, 2020 05:08 PM

They dont realize they're getting laid just as little as low SMV men but society keeps their ego up with the constant messaging

Owlytatas • 1 point • 17 March, 2020 02:16 AM

Sexual market value isn't a real thing, people are attracted to people, and if you're having trouble getting laid, the problem isn't that all the girls are chasing Chads. The problem is that you think the whole thing is transactional

Muda_DoughBoi • 1 point • 17 March, 2020 05:26 AM

Funny how this works. I understand what I'm about to type is off tangent but:

Low SMV guy who gets toyed around can improve himself physically (especially if looks are decent facial wise) will become High SMV most chicks want to sit on.

I've noticed this myself when I was around 208. Height is 6 ft (some say 6 ft 1) and when I was around that weight (fatass still, but carried well), most chicks would find any reason to be in my vicinity.

Due to mental issues I still struggle with (lack of self love. Worry about what others think of me, emotional childhood trauma), my weight have risen. I am working to be a better version of me. Not to the point to spin plates, but to the point to love myself and to be desired.

motinutz[S] • 2 points • 17 March, 2020 01:39 PM

Man continue your journey of self improvement and never stop!! Go get it tiger!!!

therealbigoso • 0 points • 16 March, 2020 05:38 PM

Bro, just ignore them.

NobodyP1 • -1 points • 16 March, 2020 05:18 PM

Yes on the extremes. Fat girls know they can't so they are bitchy to you and treat you like shit. Pretty girls will roll their eyes at you if you have low SMV. The in between is a gray area.
