

Where are the mods? This sub needs to be culled.

You can summarize about 70% of asktrp questions to, "hey uh, lvl99 alpha btw, I need external validation in order to function so here's my convoluted diagram tree toward my internal paradox" and the rest are handfults of "I don't want to read the sidebar because that requires effort" or my favorite, "masculinity is subjective and that's the real red pill".

No one in here is unplugging, they're getting a dopamine hit then proceeding to jerk off and push off exercise/hard theory for later... so never.

Let's get these double digit IQ's humming and actually question our lived reality. The perfect time is now. I don't believe this contemporary disaster will necessarily "pierce the veil" of the neoliberal "noble lie" for mass man(he who finds himself playing vidya currently) I do hope however some of you proles will understand this interruption in your normal broadcast displays its fragility.

So, how do I get the girls?

Nergaal • 22 points • 20 March, 2020 09:33 PM

So, how do I get the girls?

you wait for the excess males to die out to this virus and pick up the extra leftovers /s

Standgrounding • 3 points • 20 March, 2020 11:44 PM

More like, you wait for all the males turn gay

For real tho, gays are good. First, they take a man off your rivals. And also, they don't creep girls off so you can actually spy on them and understand their methods

[deleted] • 2 points • 20 March, 2020 11:52 PM

Finally! Someone who gets it.

Vandechoz • 2 points • 20 March, 2020 10:43 PM

wait, is the death rate not 1:1 between men and women?

millioneuroextreme • 6 points • 20 March, 2020 10:53 PM

Men more likely to die

What about all this "this one girl did x, what does it mean?!" Get some options nigga

AxP3 • 1 point • 21 March, 2020 02:40 AM

I instantly lose respect. If you post this, I just assume you're in a lesbian relationship.

Domebeers • 9 points • 20 March, 2020 10:03 PM

only fags and commies use prose like that. Gross.

Swimming-Syllabub • 9 points • 20 March, 2020 09:15 PM

Concern trolling is a terrible offense. The mods do their best but it's impossible for them to police every single retard. But when you find one, you can tag the mods so the retards get banned.

HumanSockPuppet • 8 points • 21 March, 2020 12:30 AM

This purpose of this sub is to corral you idiots who can't read the side bar away from the main sub.

Occasionally, we anointed will descend from Valhalla to provide real advice, or to laugh at you, depending on our mood that day.

DerpJungler • 6 points • 20 March, 2020 10:23 PM

There was a post this morning where someone was asking why the girl she talked to at work didn't smile too much at him. He called me a toxic guy when I called him out on his blue pill shit.

What got me to internalize TRP is by getting slapped every day by comments here and especially the side bar.

I got slapped so hard by what I've read that my head turned 180 degrees and I started seeing the world for what it is. I saw the TRP and felt it through my memories of being a blue pill fucker.

People nowadays are so scared to see the truth and to be called out, they just seek online validation to pat themselves at the back and feel better about kneeling before others (especially women).

So many dumb questions that need to be filtered here. I can safely bet that 4/5 guys that post here will never come back to ask another question. Those who do and accept the truth and the reality spilled by other RPer's here will eventually learn and head to the sidebar.

I hate it when people avoid conflict instead of working through it and coming to a resolution.

scottandcoke • 4 points • 20 March, 2020 09:38 PM

A lot of the issue is with the age of the people posting/commenting. Realistically if you're 18-25 and haven't had those crushing experiences it basically just turns into PUA questions.

It's difficult to understand the concept of a life mission and goals beyond banging women when you're a horny 18 year-old. I know I certainly didn't...

Ratchets-N-Wrenches • 3 points • 20 March, 2020 11:39 PM

RIGHT? I'm 23 and have had a VERY colorful life in many bad ways, it takes a certain amount of the world breaking you down before it all makes sense. I was raised in many ways (surprisingly by my own single mother) to be red pill but only enough for me to grasp it and see it in my experiences after I found the concept. And I STILL have these moments, but seriously STFU pretty much covers most of it.

How to kino escalate in these troubling times?

azynporter • 5 points • 20 March, 2020 10:45 PM

I thought the title said "this sub needs to be cuckold."

dpgproductions • 3 points • 20 March, 2020 11:01 PM

I have a feeling a good portion of this sub already checks that box lmao

beingamannotadayjob • 6 points • 20 March, 2020 09:03 PM

God bless you, G.

I hope you're using that Marxist lingo ironically.

Edit: Just checked OP's profile and he made this account 12 days ago and he only comments on this sub.

Uh OHHHHHH I referenced your trigger library. Woopsie. This post is about you

Thefreeman911 • 2 points • 20 March, 2020 11:10 PM

Someone had to say this. Godspeed to you.

Jacked5sparrow • 2 points • 21 March, 2020 12:09 AM

This entire subreddit is contradictory to what TRP is. This adheres to the lazy and as you said, people that flex on their own obvious achievements.

EdvardMunch • 1 point • 20 March, 2020 11:58 PM

The audience has infected.

rugged79 • 1 point • 21 March, 2020 01:17 AM

SJW, trolls and incels sitting in the house probably outnumber the regulars due to the current conditions. Main reason why lately, a lot of the comments have been absolute shit.

Mods are around, but IRL is priority.

daveatlas29 • 1 point • 20 March, 2020 09:26 PM

Ehh. I rather have people asking questions than no questions.. ain't no need to shame questions esp in asktrp

Some are prob seeking validation but who cares such is life

True but I like reading responses to questions, good and bad. It's interesting to see where everyone's at.

Like any concept out there ... they can be further defined by the collective regardless of sidebar.

Everyone contributes to this discussion and it becomes more awesome, and some answers are weak, some are good, part of it is awareness...of what is what, not just pure answers of yes/no do this.

Every life mastery category is never ending, knowledge is endless. Keep pushing the edge.

Terminal-Psychosis • 3 points • 20 March, 2020 09:53 PM

No, you're looking for /purplepilldebate

daveatlas29 • 1 point • 20 March, 2020 10:03 PM

lmfao... thats funny that's an actually thing

Gordon-G • 0 points • 20 March, 2020 10:15 PM

I didn't read this tbh

bumbuff • 0 points • 20 March, 2020 10:33 PM

Some of you agreeing with this are probably party of the problem. Do some internal troubleshooting and reassess yourself.

Does this mean that Mr. Slave from South Park ISN'T alpha even though he 1.) doesn't give a fuck, 2.) is passionate about his hobbies, 3.) doesn't worry about women or what they think, and 4.) goes his own way?????
