Pickmes are practically a native species to rightwing extremist culture. Anti-feminist tradwife types are more or less a perfect checklist of Pickme behavior and are *rife* in that kind of environment.

Novemberinthechair • 144 points • 7 January, 2021 11:40 PM

Oh, read Right-Wing Women by Andrea Dworkin, there's a free PDF on radical feminist archives. It'll rock your world.

companyofwolves • 94 points • 7 January, 2021 11:51 PM

I have! I love Dworkin's work and Right-Wing Women is an incredibly grim and insightful look into how these women function inside their sphere. Dworkin can be a pretty heavy read, but I think a lot of women *especially* here on FDS could benefit by reading her.

Novemberinthechair • 38 points • 8 January, 2021 12:40 AM

Oh, I agree. Hard read but the insights are mandatory. Those books are total game changers.

Feral_Heartbeat • 11 points • 8 January, 2021 04:42 AM

I've seen a lot of quotes by her that were interesting but I've never read her books.

riricide • 62 points • 7 January, 2021 11:56 PM*

Oh damn, that sounds like a juicy recommendation! I've always wondered how the fuck do these women

function with all the cognitive dissonance.

Edit - turns out she also wrote a book called Pornography: men possessing women. How did I not know about this awesome lady!!

99power • 34 points • 8 January, 2021 12:04 AM

You're in for a good time. Dwork it! ☐ ☐

Novemberinthechair • 20 points • 8 January, 2021 12:34 AM

Oh sis, you're in for a treat...but you will get riled up. You will get mad. But yes, definite must reads.

AverageGiraffe • 7 points • 8 January, 2021 01:14 AM

Thank you for the recommendation!

Novemberinthechair • 2 points • 8 January, 2021 03:17 AM

Sure thing!

Oh yes. I went to church with trash people like that. Never again.

justic3bon3r • 30 points • 8 January, 2021 04:44 AM

A pickme literally got herself killed for believing the word of scrotes and following them.

Equal-Ear2312 • 6 points • 8 January, 2021 07:39 AM

Would you be so kind as to recommend a starting point with her work? I too have read quotes and have seen some documentaries. What would be a book good for a novice?

bringtwizzlers • 4 points • 9 January, 2021 03:51 AM

It's nothing but highly insecure pickme women that are rightwing extremists. They love the feeling of superiority when these ugly manchildren tell them they're so cool for being a trump supporter and beliving in crazy conspiracies. No one should pity these female-hating women. They are the worst.

[deleted] • -4 points • 9 January, 2021 08:16 AM

I will NOT SETTLE for anyone besides right-wingers who show respect to women. Male "feminists" are ONLY trying to get laid.

I've seen him in downtown Phoenix calling himself a shaman. I am routinely embarrassed by some of the people who call our state home and how they choose to represent our state.

Feral_Heartbeat • 22 points • 8 January, 2021 04:46 AM*

Oh, it gets worse. He's tattooed with sacred symbols from my religion. The pagan blogosphere is NOT HAPPY right now. And, apparently, there's been reports that he ends QAnon meetings by saying "Praise Jesus", which if true. he calls himself a shaman, says praise jesus, and is defaming sacred pagan symbols. Soooooooooo what does he believe, exactly?! Is he a Christian larper or is he one of those "throw everything together" types. Either why I am PISSED that a symbol I've worn for 20 years is associated with this scum.

Blackrose_ • 13 points • 8 January, 2021 04:59 AM

Nope the symbols you wear are appropriate, measured kindness that is wholesome.

He has lost his way and is sick. The symbols are supposed to make him reflect more on the right way of behaving. This is not a reflection on you.

It would have been smart to invite a member of the first nations to ritually cleanse that house, to ask the troubled spirits to leave.

Feral_Heartbeat • 9 points • 8 January, 2021 05:07 AM

I know, its just frustrating, because the rest of the world won't often see it that way. When a white supremacist is Christian people don't condemn all Christians, but when you're from a smaller religion or just one that is not considered "mainstream", guess what people like to focus on? Anything sensational. Sigh.

Also, the fact that he's wearing fucking horns? HORNS? biggest sign he is a larper that doesn't know wtf he is talking about. No Norse (Viking is technically a job, not a people) helmet had horns. The horns and wings on helmets come from Wagner's Ring Operas in the middle ages and they are how you tell the good guys from the bad guys. Guess which one horns are? Just an interesting tidbit!!

Blackrose_ • 8 points • 8 January, 2021 07:19 AM

He's a joke.

Arciii • 15 points • 8 January, 2021 01:54 AM

A shaman? Aren't shamans like spiritually enlightened people? I feel like they'd be past breaking the law, especially on behalf of a hateful racist like Trump.

Thenightsaresolong_ • 134 points • 7 January, 2021 10:26 PM

It's funny because as the pictures started coming out yesterday, my first thought (aside from the embarrassment and horror of what was happening) was how distractingly fugly these losers all were ☐

theglossiernerd[S] • 111 points • 7 January, 2021 10:26 PM

But also that there were hardly ANY WOMEN. All angry fucking men.

yesmme • 94 points • 7 January, 2021 10:32 PM

There was an obnoxious Pick Me who went to join in on the terrorist activity yesterday and she died. She was fascist so I feel no pity. One fascist down, millions more to go.

dak4f2 • 40 points • 7 January, 2021 11:29 PM

There was a live-broadcasting reporter well down the street as the capitol was being overtaken. You could see the Trump supporter women walking AWAY from the capitol en masse and the men walking TOWARD the capitol.

souredskittles • 13 points • 7 January, 2021 11:28 PM

I think they PB are specifically a male only group. Either way I don't notice many women in other extremist groups when they come up in media.

theglossiernerd[S] • 33 points • 7 January, 2021 11:53 PM

There is a female presence in groups like ISIS but their roles are defined as "raising the next generation of the Caliphate." Al-Shabaab in Somalia also uses women as suicide bombers due to the fact that they fly under the radar of security forces.

yesmme • 45 points • 8 January, 2021 03:00 AM

Don't think that white women just happened to show up at the capitol just like that and that they didn't know better and were just there with their boyfriends and husbands. White women uphold white supremacy. White women fuck, date, marry, and have children with racists and raise their children to grow up to be racists.

White women are not innocent. White women voted for trump and call the police on Black people to this day. They also attended lynchings and brought the children with them. There's even a photo of a white teenage girl screaming with all the force of her hatred at a Black girl who went to the same school.

faux_naturelle • 5 points • 8 January, 2021 03:54 AM

There was an article some years back about the subjects of that photo:

<https://www.history.com/news/the-story-behind-the-famous-little-rock-nine-scream-image>

yesmme • 1 point • 8 January, 2021 04:39 AM

I've read about it and that white woman did not do anything to redeem herself. She's trash.

Blackrose_ • 2 points • 8 January, 2021 05:03 AM*

I want to say they are sick.

[edit. I am at a loss. I'm not in the US, so I am looking at this from an outsider's perspective.

The fact that openly white supremists were armed and oh just, words fail me rn.]

yesmme • 4 points • 8 January, 2021 05:09 AM

Pleading ignorance is a very poor excuse and shows that all of you have lived in a bubble shielded from this terror. Also mentally ill people and disabled people are not racist.

Racism isn't a symptom of mental health conditions and disabilities.

What are your tears and your sadness accomplishing right now? Absolutely nothing. Go

and collect your trash.

Blackrose_ • 3 points • 8 January, 2021 07:19 AM*

I won't let them off the hook with that excuse either. Also easy, I'm not condoning supporting or enabling these people's behavior in any way shape or form. Because it is inexcusable.

They wouldn't listen to me anyway. They are their own trash.

[EDIT!! I'm in Australia so I'm not in the US, I've only started to review some of the US stuff as it comes up on our feeds after the days events. HOLY SHIT! They really are pretty bad aren't they??]

talldrankofH2O • 14 points • 7 January, 2021 11:28 PM

yesmme • 6 points • 8 January, 2021 03:02 AM

There's a lengthy history of white women terrorizing BIPOC. You think that it's just the fault of the men because you are too blinded by your privilege to see it.

allthewaywithamyk • 8 points • 8 January, 2021 03:40 AM

Where the heck did I say anything that insinuated that?

yesmme • -1 points • 8 January, 2021 06:38 AM

Calm down. I read too fast but you did write “Granted I know MOST were men”, then you started laughing for I don’t know what reason.

The fact that “were there women? Were there not? □” is completely irrelevant. White women are racist AF just like white men are. Except white women are far worse because you’re two faced about it.

Half_Halt • 34 points • 7 January, 2021 11:20 PM

Oh, 100%. Look at the crowd at any Trump event. Only a handful appear to own washing machines.

Back in March when barbers & cosmetologists were shut, I got in trouble on a community FB group for asking "Why start now?" to a loser pickmesha whining she wanted a haircut.

talldrankofH2O • 12 points • 7 January, 2021 11:30 PM

I’m cackling, I’ve wanted to say something similar to local trumpypickmes □

Delicious_Comfort000 • 197 points • 7 January, 2021 07:13 PM

Look at the Pickmeisha □ in the back surrounded by the SEXY STUDS whose attention she lost her dignity for.

myusername • 197 points • 7 January, 2021 08:14 PM

A lot of racist conservative women are having a "leopards ate my face" moment. Alt right women want a race war yet act so surprised when alt right dudes are misogynistic towards them and tell them to get back in the kitchen and make babies. (Oh btw, these women are also antifeminist □)

A woman started a female version of "Proud Boys" ("Proud Girls") and the PB are fighting her on it:

<https://www.the-sun.com/news/2057226/proud-boys-female-extremist-rivals-proud-girl/amp/>

Delicious_Comfort000 • 162 points • 7 January, 2021 08:28 PM

This right here is exactly why being a pickme is a waste of time and sanity. They don’t care about you, period, you could shine their shoes and make all their meals, they’ll hate you more than they hate feminists. Because they hate women, but disrespect more those whom they have access to. That is what you’re signing up for, as a pickme.

RojavaLover • 61 points • 8 January, 2021 12:19 AM

They spend about 100 billion on security every single year but these assholes broke into the capitol building in 2.3 seconds. That money can be used to give Americans free health care.

MagnfiqueMaleficent • 15 points • 8 January, 2021 06:18 AM

The fact that they were able to get in so easily tells me that the security in the US is shit OR they were getting help from the inside in the form of police help and even Trump himself. Wth.

smilodon91 • 20 points • 8 January, 2021 06:47 AM

They got in easily because white men own the Capitol and the country, can do anything they want, and are rarely stopped. Had this crowd been mostly non-whites, it would have been a blood bath outside the building.

MagnifiqueMaleficent • 3 points • 8 January, 2021 03:44 PM

Totally.

RojavaLover • 3 points • 8 January, 2021 04:33 PM

Yes, all very true. They did allow them to come in but that's still a huge fail. They couldn't hire and pay a salary to the right people. All that money gone to waste. Defund the MF police! They are useless criminals! Invest in the people, make sure Americans prosper and see how the crime rate goes down. You won't need a massive police force if you invest in your people right and ensure they're not starving or desperate for basic needs!

Well, yes.

Seriously, I don't think even they knew what they wanted. Like, they got in the Capitol, got on the damn Senate floor - and then just wandered around taking selfies like a bunch of teenaged girls.

Novemberinthechair • 69 points • 7 January, 2021 11:45 PM

It's weird, but they didn't just wander around. They found the chambers and Nancy Pelosi's office. How?! That place is a labyrinth. It's like a Trump insider gave them a map.

Nerfboard • 18 points • 8 January, 2021 01:52 AM

Hey now - teenage girls are *way* more thoughtful and foresighted than these neonazi troglodytes.

BettyX • 6 points • 8 January, 2021 03:27 AM

Their ultimate goal was to get their hands on the bodies of Senate members and house representatives. The crowd was reportedly shouting "kill Pelosi". They want to put on trial congress just like those goons in Michigan.

PinkNinjaKitty • 3 points • 8 January, 2021 05:15 AM

On alt-right sites they talked about disrupting the vote and putting everything into chaos. They were stupid enough to have no long-term plans. Did they think they could live in the Capitol Building? I'm disgusted.

[deleted] • 15 points • 8 January, 2021 02:30 PM

Arcaii • 14 points • 8 January, 2021 02:36 AM

It's not that they think we're stuck up, they just actually think women are too emotional to lead. That we're not competent enough. In the past, men literally used to say that women's brains were more similar to an ape than to a man's, so yeah I can see them voting for a gorilla over us.

I think there should be a mandatory empathy test (which some researchers are saying may actually be a proxy for good leaderships) and a test to determine how greedy and power hungry you are before a person is allowed to be a politician.

Which would weed out most men.

It's funny how we have some research that finds women literally are better leaders (while none claims this for men) and that the more masculine a man is, the worse he is at leading, but men still think they're better at it. We have been scoring higher on nearly all leaderships skills than them for a while now, but men's pride seems to be all the world cares about. Seems male pride and tradition is more important even when it's setting the world on fucking fire.

I just don't get how men can do shit like this all over the world in every country, yet they're still seen as the levelheaded, rational sex who are good and fair leaders. It's wild. This world is fucking wild.

No. Joking about the sexiness of white supremacists is not funny and reeks of your privilege. These people murder Black, Native, and other POC and then your white self comes along thinking it's so damn funny and ha ha ha it's a joookoke because you don't suffer from their violence.

It's vile and disgusting and is no better than your typical scrote who expects others to laugh at their pathetic excuse for a joke.

Half_Halt • 8 points • 8 January, 2021 10:54 AM

Having trouble linking the article, but notice that it was all WOMEN staffers who had the presence of mind to grab the ballot boxes as they evacuated.

boiledgatorade_ • 12 points • 8 January, 2021 02:00 AM

And they can't even do that right. They wanted a revolution, got INTO the capitol and ... took selfies sitting in a chair lol. Nice revolution

Actually lots of Natives have requested for people to not call them Indians. I'm also Indigenous so spare me the whitesplaining.

Love the audacity and the lack of respect on your part. Try shutting up and listening for once. It might take you further.

Sweetheart, I don't need to prove shit to you. Now before I waste free labour on you and your willful ignorance, I'll leave you with this basic fucking fact: Columbus tried to look for India and massively fucked up and decided to call Native people Indians because of *his* fuck up.

Indians are from...*India*. Did you read that correctly or do I have to repeat myself?

Go read a history book.

She's seriously trying to deny your ancestry? Really, now?:))))

yesmme • 3 points • 8 January, 2021 06:13 AM

Funny how these women can complain about scrotes all day long but act just like them when they're called out on their casual racism.

lellanc • 11 points • 7 January, 2021 11:32 PM

yeah say what you will about the rioters but I'm still glad these congressmen were finally forced to know what it's like to fear for their lives for once.

Half_Halt • 3 points • 8 January, 2021 04:27 PM

I've begun referring to the dudes on either side as the Low Rent Rasputins.

Trump is my president

Found the lie. Soon, anyway. Heard theyre trying to get him impeached again. THAT will be historic. ☐☐

A lot of people recognize the big arse in the middle, but in case you didn't already know, DC police are offering \$ for info leading to his actual arrest.

Yeah there were a few women but it was mostly men—not to mention that the wannabe Grunts/LARPing soldiers stood around with their dick in their hands while she bled to death on the ground. Tragic.

yesmme • 22 points • 7 January, 2021 10:54 PM

I don't think that woman's death is tragic. She was a terrorist and had it coming for her. She wanted to terrorize the capitol just as much the scrotes who showed up did.

CountingDownTheDays5 • 10 points • 8 January, 2021 12:45 AM

Yep sis. She was just as much a terrorist and deplorable as these men.

yesmme • 3 points • 8 January, 2021 01:09 AM

I saw a video of a rant of hers. I thought "good riddance"

CountingDownTheDays5 • 12 points • 8 January, 2021 01:23 AM

Right. She was a racist nut, and for people to be trying to guilt us into feeling sorry she was shot after acting like a terrorist they can miss me with the B.S.

Them: She was good woman, we should feel sorry for her.

Me: Y'all know they sell yankee candles at walmart, the maker is good y'all go check it out.

Them: But about the woman

Me: Y-A-N-K-E-E CANDLES I said

These aren't political issues you can have discussions about at the dinner table with your uncle Clyde. These people are terrorists who wish to carry on a legacy of violence and who admire people who lynched Black people and who threw Jews in gas chambers.

Your centrism is fascism and makes you trash.

theglossiernerd[S] • 62 points • 7 January, 2021 09:38 PM

Nothing to do with FDS? You realize Proud Boys literally identify as male chauvinists, right?

chasingastarl1ght • 29 points • 7 January, 2021 09:42 PM

Everything is politics!
