Holy bazookas. I feel sorry for this guy. I know because I have been in a similar situation.

Dated this girl. Everyone tried to warn me but nah for me she was my angel. Innocent soul.

Lol. Later realized why she'd break up with me every single weekend: So she could cheat on me and fuck other guys. Added 1 + 1 eventually when she got mad at me for not being sexual with her. I was 17 lol and she was 16.

Recently found out she got knocked up at age 18 and married some hobo.
