

A Challenge: How Many Good Women Do You Know?

April 27, 2019 | 2 upvotes | by [bitcoin-optimist](#)

Reading the articles in this sub I wanted to make sure that we are being balanced. Today I setup another sub-reddit called /r/WhereAreTheGoodWomen. The goal is to post articles of women who deserve praise. The idea being for women who are lacking in this area finally will have something to look up to and hopefully aspire to be better. Post your stories there if you have any. It will be interesting to see if the sub-reddit stays empty or if it fills up as quickly as this one has. Cheers!
