

# I Created a PDF of askTRP's Sidebar

April 5, 2020 | 642 upvotes | by [dream-hunter](#)

---

After creating a PDF of the entire TheRedPill sidebar [last week](#), I decided to create one for askTRP as well. Every single post from askTRP's sidebar can now be downloaded as a single PDF file below.

## Features:

- Available fonts: Times New Roman, Sans Serif and Baskerville
- Download as: A3, A4, A5 or A6
- Table of Contents
- Numbered pages
- View the PDF online without downloading

## Links:

- [askTRP Sidebar - A3 - Times New Roman.pdf](#)
- [askTRP Sidebar - A3 - Sans Serif.pdf](#)
- [askTRP Sidebar - A3 - Baskerville.pdf](#)
  
- [askTRP Sidebar - A4 - Times New Roman.pdf](#)
- [askTRP Sidebar - A4 - Sans Serif.pdf](#)
- [askTRP Sidebar - A4 - Baskerville.pdf](#)
  
- [askTRP Sidebar - A5 - Times New Roman.pdf](#)
- [askTRP Sidebar - A5 - Sans Serif.pdf](#)
- [askTRP Sidebar - A5 - Baskerville.pdf](#)
  
- [askTRP Sidebar - A6 - Times New Roman.pdf](#)
- [askTRP Sidebar - A6 - Sans Serif.pdf](#)
- [askTRP Sidebar - A6 - Baskerville.pdf](#)

Enjoy, and don't forget to save it offline incase anything gets removed.

Great job!

Here's the corresponding thread in the main sub:

If you have enough spare time to do this, at least make a fucking comic sans version man come on.

Thanks again for the hard work. Much appreciated

I've never understood why the two subreddits have such vastly different contents.

“Read the sidebar” obviously refers to the main subreddit’s sidebar, which is misleading for people that assume that they’re told to read the asktrp sidebar, missing out on the main sidebar’s content. And if you read the main sidebar and don’t read asktrp’s sidebar, you miss out on useful resources like the CorporateLand series.

Mods, why have they never been consolidated? If both sidebars contain “sidebar-worthy” content, they should be one and the same.

I don't think they intend to change this :(

I was going to ask this on the other thread, but I'll just ask here. What's the difference between the material in A3, A4, and A5? Is A5 the completed version? A3 with the most basic understanding and less with specifics?

dream-hunter[S] • 21 points • 5 April, 2020 05:46 PM

It's the screen size of the PDF. If you're on a desktop, A4 is the optimal one to use. If you're on a phone, A5. And if you have a big & wide screen, A3.

thesoloronin • 6 points • 5 April, 2020 07:33 PM

A3 for HDTV. A4 for desktop & laptop. A5 for tablets & smartphones. Now where's the A6?

dream-hunter[S] • 6 points • 5 April, 2020 08:17 PM

Just added A6. Check the thread again.

noNoodleArms • 5 points • 24 May, 2020 08:13 PM

Sidebar? What's that?

dream-hunter[S] • 2 points • 24 May, 2020 09:24 PM

Sidebar has the most of the important RP material that exists out there, especially TRP's sidebar.

noNoodleArms • 3 points • 25 May, 2020 11:49 AM

Well, we're on asktrp, so I thought I was being funny.

I will say this: There was a paper on women's dualistic mating strategy that I could have sworn I found on the TRP sidebar, but I haven't seen it for a while. Should be required reading IMO.

smolzino • 3 points • 6 April, 2020 10:13 AM

Very nice, may I suggest a very important change?

I feel like a lexicon should be the first page after the summary. Most of these pages contain several acronyms and TRP related lingo. I would like to share this to some friends but I feel like without a lexicon for the uninitiated it can lose some of its impact.

dream-hunter[S] • 2 points • 6 April, 2020 10:49 AM

Do you mean like a glossary as the first page?

smolzino • 3 points • 6 April, 2020 12:15 PM

Yeah a glossary

dream-hunter[S] • 6 points • 12 May, 2020 06:00 AM

Listened to your request and created the first TRP full featured dictionary. Check <https://theredarchive.com/dictionary> and let me know what you think.

smolzino • 3 points • 12 May, 2020 09:32 AM

Wow that's great, good job. Thought you ignored the request but props to you

[deleted] • 3 points • 26 April, 2020 04:50 PM

you know what's crazy is i never realized asktrp had a side bar this whole time lol

strongerthandearth97 • 3 points • 3 May, 2020 11:35 AM

Hi there! I have recently found out for this community, I am new in the game, have read almost all Rational Male and have read Mystery Method and applied it. I enjoy your posts guys, learned something from it and they opened my eyes, they gave me some answers and gave me new perspective. I have some questions that I would like to ask you guys for your advice, but sub doesn't allow me to post. It says that my account is too new and has little karma, although I have 10 karma. If you would like to help me by liking this comment, to get more karma and being able to post sooner, I would be grateful.

You, sir, are great.

And I can't avoid thinking how sad it is that we have to take so many precautions to avoid censorship

You are a God walking amongst men, thank you

AmoxicillinAddict • 2 points • 13 April, 2020 02:11 AM

Hey, I noticed that you don't have "how to OPEN and CLOSE: Beginner's guide" in the PDF. It's in the sidebar under the Frequently AskTRP'd questions section, and the articles directly above and below it are in the PDF. It's not a huge deal, I'm just curious why it's seemingly missing.

dream-hunter[S] • 2 points • 13 April, 2020 10:36 AM

It's fixed. Reset your browser's cache and try downloading again.

AmoxicillinAddict • 1 point • 13 April, 2020 04:45 PM

Sweet, thank you! I just happened to have that one open and was reading it on my browser and wondered if it was in the PDF, so that's why I noticed.

cuttingthecorners • 2 points • 15 April, 2020 05:07 AM

Awesome work, thanks for doing this.

Question, why is FDS on your red archive site?

dream-hunter[S] • 2 points • 5 April, 2020 06:20 PM\*

It was something I wasn't sure if I should add or not, but I then decided to add it because it may have information that we, RP men, can use to learn about women's tactics. Might remove it in the future.

edit: I've removed it now because FDS is not at high risk of being banned.

alphabachelor • 1 point • 5 April, 2020 06:26 PM

Thank you.

I've always viewed them in the same category of subreddits like datingoverthirty. Women validating TRP by being women.

Sounds counterproductive for the cause, but I consider your reasoning valid.
