If she's over 28 with a kid and looking to date single men, non father's, or someone their age or younger and not 10 years older.....I assume satire.

Swano298 • 21 points • 7 April, 2020 01:06 PM

I agree, and honestly given the state of... Well everything, I honestly don't know if this is fake, because it just as easily could not be

coomer_1352 • 88 points • 7 April, 2020 12:24 PM

This is obviously a parody

FRedington • 13 points • 7 April, 2020 07:23 PM

AveenoFresh • 3 points • 8 April, 2020 04:38 AM

If the pornhub link is real, she's probably trying to play a trashy character cuz it helps her sell clips. There's a fetish for everything.

coomer_1352 • 3 points • 8 April, 2020 08:14 AM

No *that's* niche.

goodbye2017hello2018 • 52 points • 7 April, 2020 11:54 AM

Lol "ex pornstar". That means she has AIDS.

putdisinyopipe • 25 points • 7 April, 2020 12:03 PM

She looks like she has a pelican chin too.. I mean she must have been surfed and turfed..

ShakerAndMover • 7 points • 7 April, 2020 08:36 PM

"pelican chin" lmaoooo

VoxVirilis[] • 6 points • 7 April, 2020 06:48 PM

bbw porn is still porn. Apparently.

Cantide756 • 1 point • 9 April, 2020 07:20 AM

That's self harm. Watching that.

The_Bearded_Cyclist • 9 points • 7 April, 2020 12:27 PM

Nah it means she let her ex film them having sex then loaded it up on pornhub.

Mad_Jack18 • 4 points • 7 April, 2020 12:39 PM

but can the scientist aid her aids?

AveenoFresh • 2 points • 8 April, 2020 04:38 AM

But her pornstar link is up there..

yeshdufuga • 36 points • 7 April, 2020 12:34 PM

Obvious satire

Stripotle_Grill • 36 points • 7 April, 2020 12:38 PM

This has to be a fake profile. You can't check that many boxes and still be free outside of jail.

MRMRising • 6 points • 8 April, 2020 01:15 AM

Not so sure about that, look what Amber Heard did to JD. Bet you she will not see the inside of a jail cell.

orwasaker • 12 points • 7 April, 2020 12:53 PM

Definitely a parody, I'm both captain obvious and Sherlock

ademmiller93 • 9 points • 7 April, 2020 11:52 AM

What a catch. I am sure there be lots of men lining up to meet her high list of requirements

alexdiezg • 8 points • 7 April, 2020 01:06 PM

This must be a troll Twitter account. I refuse to believe otherwise.

Shoopdawoop993 • 7 points • 7 April, 2020 02:19 PM

I think this is satire

Frogsindrag • 4 points • 7 April, 2020 04:16 PM

No, this is troll for sure.

TheRabid • 3 points • 7 April, 2020 08:09 PM

BINGO! My card is completely filled with trigger words!

DreamDelving • 3 points • 7 April, 2020 12:59 PM

Such a catch and she didn't mention her obesity.

Terrible_Presumption • 2 points • 7 April, 2020 01:40 PM

Or 5 lbs. of makeup.

DreamDelving • 2 points • 7 April, 2020 03:22 PM

The neck indicates obesity.

PolesWithGoals • 3 points • 7 April, 2020 07:11 PM

Y'all need to learn how to tell the difference between legitimate vs parody

Saltytimr • 3 points • 7 April, 2020 07:53 PM

ex terrorist, drug kingpin, revolutionary, racist, animal lover, animal hater

spacebubbletea • 2 points • 7 April, 2020 01:24 PM

Are Karens born as grown, middle aged women with kids and issues?

Cantide756 • 1 point • 9 April, 2020 07:22 AM

Pretty sure they arise from the muck at the bottom of city sewage treatment plants

Diogenes-- • 2 points • 7 April, 2020 01:40 PM

Was she *trying* to come up with red flags? I suspect this is genuine, and just... jesus christ o.O That's like if a guy's profile states that he rarely dresses or bathes, preferring to play WoW in his tighty-whiteys and declaring no chicks over 25 or over 125 lb. message him.

Scalermann • 2 points • 7 April, 2020 02:49 PM

Okay no way that's not a LARP account.

two_goes_there • 2 points • 7 April, 2020 03:02 PM

I read this to the tune of "We Didn't Start the Fire."

realmballantyne • 1 point • 8 April, 2020 03:56 AM

□□□□□□□□

Taranis_Stormbringer • 2 points • 7 April, 2020 05:18 PM

C'mon guys, it's an obvious fake.

Findsyourshit • 2 points • 7 April, 2020 05:22 PM

Wow, she checks all the boxes...all the red flag boxes!

mvlock • 2 points • 7 April, 2020 05:26 PM

her name is Karen

Im out

xeq937 • 2 points • 7 April, 2020 05:43 PM

Instead of 3 choices and "pick any 2", this is more like 13 choices and pick any 7.

Ryakinfist • 2 points • 7 April, 2020 06:43 PM

I actually had to think about this before dismissing it as a troll.

ugluk1 • 1 point • 7 April, 2020 12:07 PM

Ugh. Yeah.

mc_md • 1 point • 7 April, 2020 12:42 PM

Suicidal gun owner rings a little hollow.

Godot96 • 6 points • 7 April, 2020 01:30 PM

Suicidal gun owner

The worst part is, you can't let anyone know because the first thing they do when they try to help you is take your guns away, which if it did happen to me, would be the final thing I need before gassing myself with a mix of cleaning supplies, since the guns they took from me have such a tremendous emotional value.

Also, I don't want to become a statistic that gun grabbers will use to further their agenda. The sheer hate of these people is enough to keep me going through

mc_md • 8 points • 7 April, 2020 01:36 PM

It's because access to firearms is an independent risk factor for completed suicide in patients who are suicidal, and a very strong one at that.

I'm an ER doctor and I also own quite a lot of guns. I don't know what the right answer is, but I for sure would not advertise that I own guns and want to kill myself.

Godot96 • 2 points • 7 April, 2020 01:54 PM

I kinda wish I had relevant training to help the poor gun owning lads who want to end it all. The only time it's high unavoidable is when a divorced father is concerned because that would be putting him through what drove him there in the first place again

saintkatelyn • 1 point • 7 April, 2020 03:14 PM

Let's face it she was too dumb to be a stripper more than half a day.

toolate4redpill • 1 point • 7 April, 2020 03:24 PM

There is no such thing as a "Suicidal Gun Owner" and still be alive

Guns are REALLY, REALLY effective at many things, and this is one of them.

geo_gan • 1 point • 7 April, 2020 03:47 PM

I didn't see her list of demands though.. does this mean she is not picky ☐

Thetrvler • 1 point • 7 April, 2020 03:55 PM

It's sad that women have become so bad you can't tell if this is a joke or not.

SuperGoxer • 1 point • 7 April, 2020 04:54 PM

She's just looking for her Millionaire/Astronaut/Ex-Convict/Olympic Gold Winner/Snuggletron/BeachBum to live in his summer Mansion.

Totally realistic.

korowjev • 1 point • 7 April, 2020 04:56 PM

How does she pass NICS?

jonnytechno • 1 point • 7 April, 2020 05:44 PM

Look at the size of that fucking neck lol

Charmingaxelotl • 1 point • 7 April, 2020 06:27 PM

Wtf

MakaleaIsMyDogsName • 1 point • 7 April, 2020 09:10 PM

She's either the biggest troll or the biggest troll!

Stupyyy • 1 point • 7 April, 2020 09:22 PM

She left out "bat shit crazy"

ShortWarrior • 1 point • 7 April, 2020 09:24 PM

Lesbihonest, the only porn she was in was with her husband on a blank VHS tape.

obiwanmoretime • 1 point • 7 April, 2020 09:41 PM

Not a lot to recommend her

[deleted] • 1 point • 7 April, 2020 09:46 PM

laptopdragon • 1 point • 7 April, 2020 09:56 PM

HikageBurner • 1 point • 7 April, 2020 11:10 PM

I see more red flags than Karl Marx could ever imagine would rise.

[deleted] • 1 point • 7 April, 2020 11:18 PM

If she likes Call of Duty, I'm in.

MRMRising • 1 point • 8 April, 2020 01:13 AM

This is fake.....right? I mean it has to be, I dunno, fuck, April fools?

OK, someone is taking the mickey. Bravo good sir, this is well done, whoever you are.

Gmontiel716 • 1 point • 8 April, 2020 01:41 AM

That's quite a Resume Karen.

88mmAce • 1 point • 8 April, 2020 03:40 AM

Gun owner

Well now I *know* it's satire

CaptainjustusIII • 1 point • 8 April, 2020 12:28 PM

is this a troll account its to perfect

SirKolbath[M] • 1 point • 11 April, 2020 09:41 PM

This is an example of how men and women are different and women think we are the same.

I wrote complete *balderdash* in my Tinder profile. Seriously. "I consider asphalt a mortal enemy." And "I once ate a three pound block of cheese in one sitting." (Actually, that one is true, but nobody really understands how much I love Swiss cheese.)

I got matches with women who clearly hadn't read it and matches with women who *had* but thought it was hilarious.

She's trying to play the same game, but since women aren't funny, she's falling on her ass.

asssuffocation23 • 1 point • 12 April, 2020 07:47 AM

That description actually made me laugh out loud

digital_dreams • 1 point • 13 April, 2020 03:20 AM

I kinda appreciate her honesty and bluntness.

chadofnazareth • 1 point • 15 April, 2020 08:31 PM

oh my god we found our unicorn boys! The best of everything the worst has to offer. (cums in pants)

Traksimuss • 0 points • 7 April, 2020 11:58 AM

This is on level of that 80 year old granby who was expecting her prince. Ewww, thus Karen is so creepy.

Jabronskyi • 0 points • 7 April, 2020 12:34 PM

This record is ridiculous. Can't believe such a Karen actually exists

gsb5150 • 0 points • 7 April, 2020 01:00 PM

That black box hiding her face is still not big enough to hide her double chin.

Beecher-Frank • 0 points • 7 April, 2020 01:25 PM

And don't even bother if you're not at least 6'6" and have a 7 figure income.

NickTesla2018 • 0 points • 7 April, 2020 01:43 PM

I don't know. That's a hint of NFL linebacker neck.

-SicSemperTrannys- • 0 points • 7 April, 2020 01:52 PM

I've eaten too many food leftovers in my college years and I have to inform you that this is not leftovers. Trust me, I know.

This is fucking nuclear waste even a Thorium reactor would refuse to work with.

thefilthyhermit • 0 points • 7 April, 2020 02:11 PM

Damn. She lost me at gun owner.

unsurelife83 • 0 points • 7 April, 2020 02:17 PM

Yay! Found the perfect description for the word "Karen" to submit to urban dictionary.

Wide-Brick • 0 points • 9 April, 2020 10:13 PM

A perfect example of WHY I have zero sympathy for when I see/hear them crying about being lonely (Gayle King, anyone)?

maruadventurer • 0 points • 10 April, 2020 12:23 AM

Jeeez. A hailstorm of personality failure. Only thing missing is her astrology sign.

MarinTaranu • -1 points • 7 April, 2020 02:31 PM

Just my 2 cents, but, if she is suffering from depression, shouldn't she stop drinking, and maybe, get rid of her firearms because she can blow her brains so much more readily?
