

Plate spills about her friend

61 upvotes | 7 February, 2020 | by lolomotif12

Last night I was getting with a plate and she started talking about a friend of hers that works in a hotel that is engaged. Her friend slept with a tourist that was staying at a hotel and got pregnant, told her fiance as if it's his and is excited about the pregnancy because the guy who get her pregnant is very good looking. God damn AWALT.

Now your job is to find her fiance and tell him what's going on.

It's not his job at all to help simps

If anything he should blackmail the girl into having sex with him as well, or at worst leave the situation alone

The help needed to come before that guy decided to get married to the girl

How could the guy marrying her have known she would cheat on him?

I say op should save that bro

Simps don't want help

"She'd never do that to me. She loves me..."

He's probably just a normal guy who thinks his girl is "the one". OP has a slim chance to save him.

Worth looking in to, IMO, even if just to plant the seed.

I'm sorry, but this is terrible. OP should at least try to warn this guy. If this guy refuses to believe OP and insists that his precious girl is an angel, then he is a simp who deserves what's coming to him. I can't condone blackmail either, just because women behave like trash it doesn't mean we need to as well. That's not to say we shouldn't fight back when feminists attack us, far from it. But what you're suggesting is going to far. Feminists win if they drag us down into the gutter at their level.

Yeah wrong call. I say he should go to tell the guy. If he pussies out its on him. We bros look out for each other.

Just tell her fiancé secretly and tell him to do DNA tests. You will get ome hell of a sitcom

lolomotif12 • 6 points • 7 February, 2020 12:26 PM

I'm tempted, but I will have to ask questions to the plate to find out who he is and I think she might get suspicious as to why

seathsoul69 • 5 points • 7 February, 2020 12:41 PM

Try complementing her choice about choosig a husband and then ask her how he is.. slowly ask her i

want to meet him . Then u and him exchange contacts after that try meeting him secretly and drop this bomb on him

Bi-polar6ear • 2 points • 7 February, 2020 03:33 PM

Or just ask her to show him on Facebook, and send message from anonymous account, so you don't get covered in all the shit that's going to blow

seathsoul69 • 1 point • 7 February, 2020 12:42 PM

U need to do some simping out there for this purpose i bet u hate this but u will get a fuckton of entertainment out of this scheme

davisyoung • 1 point • 7 February, 2020 12:52 PM

Just go on her social media. I'm sure there'll be posts there about her friend's pregnancy and engagement.

Griever114 • 1 point • 7 February, 2020 08:45 PM

Ask about the friend and not the guy. Find her social media and tell him

sootlord • 7 points • 7 February, 2020 11:41 AM

Your plate could do that to you, women are cunning creatures

lolomotif12 • 9 points • 7 February, 2020 12:28 PM

That's why she is a plate. She was telling me how she doesnt trust what her friend is capable of and that she couldn't do such a thing because her heart wouldn't allow her lol

Red_Liner740 • 6 points • 7 February, 2020 03:22 PM

Lol. I've heard this too. They play the part of an innocent girl who would never do that to someone else....until they do!

Prototype_Grendel • 3 points • 7 February, 2020 07:50 PM

You might save this guy's life and the child by sharing the truth.

He'll swallow red pills for the rest of his life afterwards.
