Hahahahaha “your standards go up to Superman and ours drop to Helen Keller” hahahahahaha lmfao I’m dying!

MrVinnieVegas • 46 points • 26 January, 2020 11:48 PM

Very intelligent young man.

[deleted] • 41 points • 26 January, 2020 11:16 PM

You arent wrong but I feel like every Tiktok I see the people are either mentally ill or so socially awkward that Tiktok is their best social outlet.

Me2Brah • 2 points • 27 January, 2020 04:42 AM

I agree: though this guy in the video is correct, the manner in which he puts across the information screams someone who is overly dramatic

Mylaur • 1 point • 27 January, 2020 08:54 AM

That's actually funny to me

People don't listen to a boring emotionless speech

joshaaay • 1 point • 27 January, 2020 07:39 AM

You aren't their demo. The demo is teens where they can make videos for themselves doing stupid shit and with funny filters or whatever. Don't hate it because you don't like it

Octoxo • 1 point • 27 January, 2020 07:56 AM

You can post longer videos and the CCP is monitoring everything you do, but otherwise, it's just like vine.

pyro314 • 6 points • 27 January, 2020 06:31 AM

Because they are teens... lol its just the social media of their generation. Look at OLD youtube videos, like when the platform first came out. Most of those videos are super cringy as well. I made some terrible videos back when I was like 13 and 14.

Cryptolexicon • 25 points • 26 January, 2020 11:56 PM

Great post! He knows what's up!

Liquidrobocop • 26 points • 27 January, 2020 02:08 AM

It's easier to walk away than to chase. He's close but not quite there. Monk mode requires no validation from anyone except yourself.

frikabg • 16 points • 27 January, 2020 01:51 AM

'But I am not like other girls/women!'

throwaway5747322 • 13 points • 27 January, 2020 02:04 AM

That is the face I make most of the time now after swallowing and digesting the red pill.

kayfab • 12 points • 27 January, 2020 02:02 AM

Hope for the future he is young and gets it.... loving this and so damn true.

goat\_problems2 • 9 points • 27 January, 2020 03:36 AM

There is actually a LOT of teens on TikTok talking shit about all of the damage caused by new age feminism and at least a third of them are girls too, so it makes me hopeful.

kayfab • 4 points • 27 January, 2020 04:18 AM

I am older at 47 but we go out with some younger guys at the job some are 21, all are in Tinder and they tell me fucking stories about women and dating..... man quit dating at 23 out of frustration met 2 strippers and had a firefighter has a wingman, i pump and dump until i was 30 then stupid ass social programming kicked in 2 long term lost 2 houses and finally found MGTOW at 45...

If young men awake sooner and realize that chasing women is a huge waste of time all the better.... lots of men will stop being beta cucks and work on there career make money and avoid dating boring women....

From an older man who got screwed so many times in relationships women bring nothing to your life a part a small amount of lots of time very boring sex...they will ruin your life take away your passions, prevent you from seeing your friend and worst from reaching your all time potential.

rwe2020 • 1 point • 27 January, 2020 04:12 AM

Which explains the comments hating on TikTok.

DevilComeKnockin • 8 points • 27 January, 2020 01:44 AM

Helen Keller! ☐☐☐ Nailed it!

UrOffensive-Mog • 8 points • 27 January, 2020 01:57 AM

This guy's going places

Overworldhero • 7 points • 27 January, 2020 02:04 AM

Wise, wiser, and wisest

kurtu5 • 7 points • 27 January, 2020 03:32 AM

He is wrong about one thing. Guys are not simpler. Women are very simple. They are manipulative solipsistic children. Biology. Evolutionary psychology. Men show huge variation and women show very very little.

GIRATINAGX • 3 points • 27 January, 2020 02:22 AM

Oh shit he just outed our secret lol

LotBuilder • 5 points • 27 January, 2020 03:22 AM

Randallsixx13 • 6 points • 27 January, 2020 03:58 AM

[deleted] • 2 points • 27 January, 2020 06:36 AM

Our standards drop down to helen keller.... fuckin lol

IsItReallyAFact • 1 point • 26 January, 2020 11:18 PM

I don't think he knows what a fact is.

[deleted] • 1 point • 26 January, 2020 11:24 PM

He possess the forbidden knowledge

Unshack • 1 point • 27 January, 2020 12:05 AM

The world is not ready for this amount truth.

silly\_birb • 1 point • 27 January, 2020 12:21 AM

I still have to meet a girl that doesn't ask me of my work as first question.

When they do i say i am a freelancer dj, all i can do is open spotify and that's more that the job a dj does. Easy

peasy.

jackandjill22 • 1 point • 27 January, 2020 03:30 AM

Hm

unanimouslyOUT • 1 point • 27 January, 2020 03:46 AM

Good man

BoxofMistakes • 1 point • 27 January, 2020 03:49 AM

Women are emotional weaklings. Young boys aren't Greek gods but years of being forced to suck it up makes them stronger. Women are encouraged to cry and always submit to their emotions so once they're an adult they have even less fortitude than they did as children. I've seen several women have breakdowns on the job and go on crying jags. I'm sure several people came to their aid and told them they were stronk women.

Vergil387 • 1 point • 27 January, 2020 03:51 AM

"Proof me wrong!"

something I sometimes wish they can do instead of going straight to shaming and insulting. they treat us like we are responsible for the creation of the world we are trying to stay safe from

Teen-Ninja-Turtle • 1 point • 27 January, 2020 03:54 AM

hey, hellen keller was a bomb-ass-bitch

toilepaper • 1 point • 27 January, 2020 03:57 AM

so pretty much only things this guy values are attention and clout ..?

rwe2020 • 1 point • 27 January, 2020 04:10 AM

What "WOKE" really looks like.

Purplmonky • 1 point • 27 January, 2020 04:26 AM

All you need as a female to be popular on ig is show your ass even if it's disgusting. That's why there's so many "models" on social media it's pathetic.

ShiverAway • 1 point • 27 January, 2020 04:41 AM

Can someone link me to the original? I wanna read all the blue pilld coping comments.

MrBrendino • 1 point • 27 January, 2020 04:58 AM

Tiktok ain't that bad after all, eh?

Aladdin70 • 1 point • 27 January, 2020 08:46 AM

patrice O'neal said it near damn a decade ago.

his show should be watched by every man who still wants to date. eye opening.

plazmafire • 0 points • 27 January, 2020 04:35 AM

Why the fuck does anyone go and watch shit like this?

Use you own brains people. Stop being sheep.

[deleted] • 0 points • 27 January, 2020 04:50 AM

I don't get why people post videos of this shit. Good on the kid but that's not a video anyone is going to be proud of a year or more down the track.

ilovejuices4 • 0 points • 27 January, 2020 05:33 AM

chads don't have any of these problems. Just beta boy things
