I posted a pic on IG showing my recent achievement. It got 40 likes about half were women. Then I followed up 5 mins later with one wishing men a happy international mens day and got 10 likes none of em women.

Probably because it's a greeting only meant for that gender demographic

It's like a Happy Mother's Day scenario

serial\_underachiever • 1 point • 20 November, 2019 08:09 AM

Yeah but men usually like that stuff

AntiRegios • 1 point • 20 November, 2019 09:51 PM

Nah, a bunch of men always like AND post those

Xsanguin8 • 23 points • 20 November, 2019 03:03 AM

Your first car is always great. Congrats. To feel even better, don't say: "not much". It's a lot, it's **your** first car. Not one man will think less of you if you didn't go into crushing debt to buy it. Men will congratulate you. Men will be reminded of the great memories of their first car and smile. It's better than the first time you had a warm bare tit in your hand. I've a big grin thinking about my first, 1990 Daytona ES. And my 1982 750 Nighthawk. :-D

A woman would not care if payments take up 1/2 your pay for the next 8 years. They will only think of how good they look in it or how it compares to her friends boyfriends cars. They'll be happy when their friends are jealous and angry when they realize you're spending money on payments instead of them. If a thot turns her nose up at your car, tell her to go fuck herself and ghost her.

Really, congratulations, enjoy it.

Yeah it looks like a sweet ride, still remember my first. An old BMW 323i. I rode that thing like I was in a race. Good times

FaragesWig • 1 point • 20 November, 2019 10:33 PM

BMW 325i SE....My first car, was an utter beast. Obnoxious insurance, but by god it could move. I shouldn't have gotten rid, gutted nowadays. Driving a Land Rover Freelander, it has power but nothing like the old BMW.

CodeOverflow[S] • 1 point • 20 November, 2019 10:58 AM

True that.

I came late to the driving party, as when I was younger I was a dumb little shit ahah. Got to my thirties now, and made sure I didn't go over 10% of my paycheck in payments, and that was still more than I really wanted to give, but once I drove it I just loved it and kept comparing every other car to it, so yeah.

MeGoingTOWin • 19 points • 20 November, 2019 02:41 AM

I hope you are a good mechanic! Alfas are notoriously unreliable.

BroscienceGuy • 3 points • 20 November, 2019 07:26 AM

That's a stereotype that is not true 50% of the time.

With Alfa Romeo u either have a car that will never break.. Or a car that breaks down a lot. I think it has to do with love hahaha

seiji092 • 3 points • 20 November, 2019 08:17 AM

And in my country they're usually associated with drug dealers. Mostly, because they're really hard to get and well... You said they're pretty unreliable haha

I have a t-spark as well, 2006 model, 1.6 lt. 150k kilometers so far and works as new. Such a comfortable ride it is, compared to my mother's 2014 fiesta and my brothers 2007 qashqai, they are not in the same league comfort wise

LordEppley • 1 point • 20 November, 2019 01:51 PM

Was going to comment this

Forteraft97 • 6 points • 20 November, 2019 05:51 AM

It looked like somebody threw eggs at your car but then I realize it's the reflection of the trees

PretentiousHotDude • 5 points • 20 November, 2019 04:20 AM

Congratulations man! May you keep growing your stable.

Elequite • 4 points • 20 November, 2019 04:32 AM

Congrats my man! ( honestly thought the windshield was shattered because of the tree reflection xD)

alakazam007 • 4 points • 20 November, 2019 03:44 AM

An Alfa Romeo..... only if i could afford that piece of beauty

[deleted] • 4 points • 20 November, 2019 04:48 AM

Still less expensive than a woman.

But all jokes aside. Nice car. Congrats

russia15 • 3 points • 20 November, 2019 01:52 AM

Necrolet • 3 points • 20 November, 2019 04:27 AM

[deleted] • 3 points • 20 November, 2019 06:08 AM

Happy Men's Day! Congrats, man. Car is a big milestone.

IM\_a\_GOOD\_idea • 1 point • 20 November, 2019 06:41 AM

When did men's day become a thing. This is the first I am hearing about it.

What idiot(s) said we wanted a day?

Nice car btw!

Nathaniel66 • 1 point • 20 November, 2019 07:12 AM

Don't you dare saying it's not much! If you earned it yourself, can support it, it's a fucking achievement you just unlocked!

My 1st car was Daewoo Lanos. I was so proud! Now i have a car with V8 motor ^^ . It gets better and better!  
GYOW and stay proud!

GoodMan\_Gone • 1 point • 20 November, 2019 07:14 AM

A Mito? I always love Alfa's design. Congrats, OP!

Hawgster • 1 point • 20 November, 2019 07:29 AM

Congrats man, I thought your windshield was all cracked and shattered at first.

ExBariPlayer • 1 point • 20 November, 2019 07:44 AM

Love Alfa's! I remember drooling over the Milano Biturbo (?) back then they were sold in CA in the late 80's.

lonewolfcatchesfire • 1 point • 20 November, 2019 08:54 AM

Congrats. You see? It's about what makes you happy. Not what makes others happy. Happiness Is only a part

time job. Doing good for yourself is a full time job.

\_\_2st\_\_ • 1 point • 20 November, 2019 09:41 AM

Sei Italiano? Si tratta di un'Alfa Romeo.

You italian mate, seems like you gonna drive that Alfa 'round the Italian Peninsula.

CodeOverflow[S] • 1 point • 20 November, 2019 03:07 PM

Nah, little bit to the west. Portugal.

thunderball04 • 1 point • 20 November, 2019 03:54 PM

"You can't be a true petrolhead, until you've owned an Alfa." Beautiful car! ;)

[deleted] • 1 point • 20 November, 2019 05:22 PM

Congrats bro. It is a huge day. My first was an 1.6 BMW from 1996. I still use it and I love it.

Be proud of your alfa romeo and don't let anyone get you down. This in a great achievement.

TigPlaze • 1 point • 20 November, 2019 05:56 PM

I think it's awesome and it's YOURS. Congrats
