when a guy tells me he owns a gun I'm like uh oh what's wrong with your dick

David Dennison

Last time I tried to use my dick on a home intruder I got in way more trouble. The cops were pretty upset, the intruder needed counseling, and I'm on a list. Just use a gun.

5h

Classic Cunt talk. If you don't hold the same values and opinions as I do, I will, in a schizophrenic tactic, connect said issue to question your manliness.

Silencio00 • 35 points • 28 January, 2019 01:03 PM

I know right? It's fucking ridiculous.

frikabg • 26 points • 28 January, 2019 02:38 PM

well... i guess when a home intruder brakes into your home and this woman is your wife and said home intruder says 'I AM GONNA RAPE YOUR WIFE NOW MOTHER FUCKER!!!!' instead of blowing his brains off i will have to tell him 'well... rape away son she asked for it' after which somehow that will again be my fault because i was not men enough to risk my life saving her useless cuntish ass with by bare fists?

cleats4u • 15 points • 28 January, 2019 08:39 PM

Nope, she will actually enjoy it and leave you for the rapist. He's a real man...takes what he wants. Does what he wants.

That's just the image you have because everyone wants to believe the bully won't win, but actually plenty of rapists and bullies are attractive, strong, and take what they want and in fact women love it

BoskOfPortKar • 1 point • 29 January, 2019 09:19 AM

Don't be a dick !

Agreed. Mouahahahaha.

[deleted] • 11 points • 28 January, 2019 06:16 PM

What they say: "Shtap the tahxic masculinity guys."

What they mean: "I will forever judge your value on your masculinity"

zubbs99 • 7 points • 28 January, 2019 07:19 PM

Even better is when they attack masculinity in general, then, if you defend yourself, they mock you for not being "man enough" to handle their insults. Warped stuff.

binkerfluid • 2 points • 29 January, 2019 02:50 AM

also genital shaming. What If we based womens behavior on the size of their boobs or something? They would go ape shit about how all womens bodies are perfect and we were being sexist and bodyshaming.

InformalCriticism • 40 points • 28 January, 2019 01:11 PM

Is she the dumbest famous person, yet?

-Fender- • 27 points • 28 January, 2019 02:48 PM

Rosie O'Donnel. Big Red. Gloria Steinem. Samantha Bee. Most CNN hosts. And the list goes on and on and on and on.

laptopdragon • 1 point • 29 January, 2019 02:26 AM

yeah, stupidity is becoming the new personal challenge.

generalissimo_jones • 1 point • 29 January, 2019 05:44 AM

Kim Kardashian?

bloodthorn1990 • 39 points • 28 January, 2019 02:23 PM*

i own 4. my dick works just fine. what's wrong with your pussy?

edit: 6 now... two rifles (remington 783 .308 win, ar 15 5.56/.223), two shotguns (mossberg 500, mossberg shockwave), two handguns (glock 19 9mm, taurus model 66 .357).

justiceavenger2 • 35 points • 28 January, 2019 02:50 PM

Been smashed and creamed by so many chads it looks like a vanilla cake that ran over by a 16 wheeler and someone tried to put it back together.

binkerfluid • 3 points • 29 January, 2019 02:52 AM

ugh, I was eating. lol

generalissimo_jones • 1 point • 29 January, 2019 05:45 AM

Meanwhile we have plenty of old SMLE's and Mauser's that work just fine after 100 years and 2 world wars. Becky's muff is wrecked after a few years.

machinerer • 7 points • 28 January, 2019 03:39 PM

Only four? That's rookie numbers. Gotta pump those numbers up.

Buy it cheap and stack it deep on the ammo too.

bloodthorn1990 • 3 points • 28 January, 2019 03:44 PM*

current finances keep me from doing so at the current moment, so i have delayed my next gun purchase until at least after my birthday in march.

but you're right on stocking up on ammo. i need to do that for 9mm (glock 19 gen 4), 12g (mossberg 500), .308 (remington 783), and .357 mag (taurus 66 6", it's older than i am, by a good 5, maybe 10 years). but like i said, finances my brotha. the only one i can really afford to shoot regularly is my 9. (it's my EDC, plus 9 ammo is CHEAAAAPPPP as shit)

edit: had a coworker that was selling his AR 15 on the cheap end (i'm talking less than \$400), i missed that deal because i had bills to pay. but i had extra money in savings. if only he let me know i would have flat out offered him 400 in cash for it... :(

machinerer • 2 points • 28 January, 2019 04:31 PM

Nice! Yeah I hear you about finances. I haven't bought anything new in years.

Keep an eye out on www.sgammo.com

That's my favorite ammo website, and they usually have some deals. They get old milsurp stuff in occasionally too.

Teflon187 • 2 points • 28 January, 2019 07:43 PM

you can build a budget AR pretty cheap bro. my buddy built one for around 500 or so and he didn't cheap out. I spent more, but I went all out with SS bull barrel that was kinda spendy and a magpul stock with storage compartment for extra batteries. deltateamtactical is a good site and palmetto armory makes decent lowers for a good price. you can buy full lower for good deal on their site. if you cant buy all at once, I recommend buying your lower receiver sooner than later in case some SJW shit comes up and they try to ban ARs. you can always buy all the other accessories as long as you already have your lower receiver

bloodthorn1990 • 1 point • 29 January, 2019 08:08 AM

i have no clue where to start and i've never built a rifle myself before.

Tyler789228 • 2 points • 28 January, 2019 08:30 PM

What's wrong with her pussy ?...

How many hours do you have ?

shoonx • 34 points • 28 January, 2019 04:36 PM

Notice how just about every insult a female throws at a man is related to sex. It's all they have.

Reps4Reece • 15 points • 28 January, 2019 05:14 PM

Because it's the only real power women have over men. They think our ego's are so fragile that we can't take a little jab. But DONT YOU DARE BRING HER WEIGHT UP YOU PIG! Why would you insult a woman you're a piece of shit who will die alone and all the viagra in the world can't get your dick big enough to stretch my pussy that has beared 10 children in 11 years!

CeleritySteam • 2 points • 29 January, 2019 12:18 AM

If one actually did have 10 kids in 11 years I'd actually respect them for doing their one job.

They're blown out for taking 10 cocks in 11 weeks and those are still amateur numbers.

pingpongdong10 • 17 points • 28 January, 2019 05:10 PM

When a woman tells me she has a real fulltime job / career, I'm like uh oh, what's wrong with your vagina?

rooster-one4 • 6 points • 28 January, 2019 02:39 PM

A real woman has her CCW, a confident draw and generally puts holes in the center ring at 15 meters... If you can't do those things, swipe left

steaminhot • 7 points • 28 January, 2019 05:08 PM*

This chick is soooooo annoying literally all she does is post idiotic posts attacking men and then flexes by posting pics of her cleavage to make up for her stupidity and get followers.

john_moura • 6 points • 28 January, 2019 06:35 PM

Once I went out to hunt with my dick.

Saw a paca and pointed my junk on it.

Now I'm circumcised.

Pfoenix • 6 points • 28 January, 2019 08:00 PM

When a woman tells me she is a feminist I'm like uh oh what's wrong with your brain.

oreosinmymouth • 7 points • 28 January, 2019 05:08 PM

Had to look up who this idiot is. To cunts like these it's all about sex. She somehow equates guns to a guys reproductive organs. Look at her bio on Twitter. She realizes her only real qualities are her big tits. She'll be powerless once her looks fade in a few years. <https://i.imgur.com/O5sUIZn.jpg>

magx01 • 4 points • 28 January, 2019 06:53 PM

She realizes her only real qualities are her big tits.

Apparently she's a comedian so that was her being "funny" I guess.

weag51 • 2 points • 29 January, 2019 12:08 AM

Women are not funny.

nothingfinal • 2 points • 28 January, 2019 10:08 PM

I think she writes for SNL. Wasn't she the one offering a blow job to anyone who would punch that kid from Covington last week.

TigPlaze • 6 points • 28 January, 2019 09:49 PM

This is that same bitch who offered oral sex in exchange for punching that young kid in the face. She's a POS.

magx01 • 5 points • 28 January, 2019 06:51 PM

These people need a dose of reality.

zombiecmmh • 3 points • 28 January, 2019 07:52 PM

when I hear a woman has an abortion, I'm like "ok what's wrong with your conscience"

[deleted] • 1 point • 28 January, 2019 11:22 PM

She sat on her moral compass and broke it.

DalekForeal • 3 points • 28 January, 2019 10:51 PM

That's about as logical as "if a girl tells me she has a car, I'm like uh oh. What's wrong with your pussy?"

robowriter • 2 points • 28 January, 2019 05:25 PM

Soon as they start with it walk away. What's the point engaging with them it's all they have, besides their magic box, to express delusional empowerment.

They know virtually nothing of value except the names of teevee stars and whose sleeping with whom, have few real-world abilities, and unable to construct meaningful arguments. She said that in her opening volley, which is nothing more than twat troll.

If your not some simp or thirsty soon-to-fail clown there's no point in conversing.

[deleted] • 2 points • 28 January, 2019 05:53 PM

SNL is retarded

Harrybud07 • 2 points • 28 January, 2019 11:20 PM

She will bend over, if an intruder ever gets in.

ReeseThief • 1 point • 28 January, 2019 01:18 PM

? What's wrong with guns.

AltyWalty66 • 1 point • 28 January, 2019 04:55 PM

MasterChris725 • 1 point • 28 January, 2019 05:14 PM

Oh no, I have a robber in the house! I guess I'll just talk them out of stealing my shit that I spent my income on.

jp_mra • 1 point • 28 January, 2019 07:24 PM

When a girl tells me she owns a can of Mace I'm like uh oh whats wrong with your vagina? /s

Teflon08191 • 1 point • 28 January, 2019 11:22 PM

And yet she's probably one of those women who insists the man sleep closer to the door in case of an intruder.

slowgrumble • 1 point • 29 January, 2019 02:25 AM

Shots fired.

GoHurtMyFeelings • 1 point • 29 January, 2019 06:41 AM

Is this the cunt that offered to suck off anyone that will punch maga kid?
