Wonder how many endorsed members hate their height and race.

Weekend is going to feel very weird.

He's the kinda user that will post every hour of the day then disappear for 2 years.

smartengineer93 • 5 points • 5 February, 2017 08:01 PM

it's his job. disappeared for 18 months or something like that based on contract to work.

Gawernator • 1 point • 6 February, 2017 07:37 AM

He's retired.

Yep I retired in August. Spent 5ish months undoing all of my commitments as best as I can and now I am traveling a fuck ton trying to buy a sailboat to captain in the Caribbean but having low luck because guys with a lot of money can afford more than me and the good boats are way way overpriced, lol.
