

Are beta-hunters a thing?

March 4, 2017 | 7 upvotes | by [Swiss_Cheese9797](#)

Went on a date recently with an woman who made me wonder. She was older, 40, and a former model still drop dead gorgeous. She said something that confused the hell out of me. "I prefer betas to alphas." The subject changed pretty quickly after that statement and I didn't have the where-with-all to consider asking her what she meant by that. Do you suppose there's a big misunderstanding as to what alpha is as opposed to a beta, or are there actual beta-hunters... and if so, why? Why wouldn't the woman just go with an alpha that gives her better/bigger tingles?

It sounds to me like she thinks your beta, but she wants you. Or wants you to think she wants you.

This question is for AskTRP, not here.

Also, prime rule of TRP: never listen to her words, monitor her actions.

The big question here is how an 8 year long Redditor can't fucking read a sidebar for rules before shitposting.

I just found this sub a little bit ago and even after reading the "rules" I still have no idea what the fuck is going on here or what's it's supposed to be about. Would have taken me hours to read thru all the shit in the community info tab. Nobody has time for that. How is this a shitpost? Looked about the same as the other posts I saw on here lol

Exactly.

This shit ain't Twatter or SnatchChat. Read for 6+ months, then try.

zbeshears • -1 points • 5 March, 2017 09:56 PM

Did you seriously down vote me because I said I had an amazing wife?!

Hillarysdilddo_2016 • 1 point • 6 March, 2017 12:22 AM

Lol I didn't cast a vote on your comment. Someone else didn't like it apparently.

zbeshears • -4 points • 5 March, 2017 04:00 PM

Nah I'm good, thanks though. I'm married to an amazing woman.

abdada • 3 points • 5 March, 2017 03:45 AM

Because had OP or you started on the sidebar materials and read the necessary material -- which can take months or in the case of AskMRP years -- he'd know not to listen to what a woman says. Ever.

Pay attention to only her actions, never what her hamster makes her lips say.

Yes, read that shit for hours and days.

If there are a 1000 people here that read your post in 1 minute... the you just wasted over 15 hours of peoples total collective time.

Shame

Lmao dude this whole sub is a waste of people's time from what I see... Anyone who needs to sit and work on their "sexual strategy" has no natural game to start with. I don't need to read some retards

self help books on getting laid or using my sexuality to better my future or whatever else you weirdos think you're doing in here. You just wasted how much of your time reading my reply, then typing yours. Now you're gonna waste more reading this reply and replying back. I hope you don't but I'm sure you will, it seems like there's a lot of ego driving this place. So I'm sure yours won't let you not reply....

Shame

No one is forcing you to be here, you know. You can choose to read the material (which I read in three sittings) and possibly learn something useful, or you can choose not to and miss out. But there's no reason to be upset and insult everyone.

"I prefer betas to alphas."

And she said that, verbatim?

[...] or are there actual beta-hunters... and if so, why?

Money.

Why wouldn't the woman just go with an alpha that gives her better/bigger tingles?

Oh, don't worry, she's gonna do *that* on the side.

At least in the netherlands we refer to certain careerpaths as 'alpha' and 'beta'.

Alpha being stuff like languages etc, and beta being math/science etc.

Maybe she was talking about that.

The-os • 1 point • 5 March, 2017 02:05 PM

I'd assume that the context of the conversation would be clear.

neetpepe • 3 points • 5 March, 2017 06:40 AM

Why would you even want this used-up roastie?

How old are you?

DAD_FISTER • points • 5 March, 2017 02:43 AM **[recovered]**

Yes they're called BPD women

Swiss_Cheese9797[S] • 0 points • 5 March, 2017 03:45 AM

What's BPD? It's not in the glossary.

SgtBuchanon74 • 2 points • 5 March, 2017 07:07 AM

First of all.. Its not possible. Thats equivalent to you saying you like ugly girls. Ok?

This is a shit test. Yeah, older girls do end up with betas since theyre post-wall. BUT its not by choice .. they do NOT PREFER betas. They settle for them.

Do you have your head on straight or do you really believe shes a snowflake that prefers low SMV men? Lol.

nonthaki • 2 points • 5 March, 2017 08:58 AM

Red Pill Sucks Now. Nowadays, because red pill terms have entered the mainstream , low quality & low smv women(who overrate themselves) are dismissing even average smv guys using the terms beta and alpha .

Stop using those f*cking words, we are just giving ammunition to them . Giving knowledge and power and most importantly , WORDS , to a woman will only result in the opposite -> Disaster .

Swiss_Cheese9797[S] • 1 point • 5 March, 2017 12:02 PM

I'm with you on the term thing. Used to be worse though when Mystery Method was new and popular. "I got an FC after A-3 from an HB7/8 after I showed much CB after displaying plenty of DHV. My SMV high, and now shes a plate in my stable."

imn0tg00d • 1 point • 5 March, 2017 07:02 AM

What they say and what they actually want are two different things. I think it was a shit test.

Zweihander747 • 1 point • 5 March, 2017 10:45 AM

it was a shit test brah. no woman prefers betas

writewhereileftoff • 1 point • 5 March, 2017 10:55 AM

lol

Actions not words. What she says is completely irrelevant. You 'll see soon enough what she prefers.

IIIIIIIIIIIIII • 1 point • 6 March, 2017 10:18 AM

She's post wall so she prefers not to have to fight off 18-22s sweating her hubby. Still hot, sure, but she was dynamite in her day. Simple as that.

imhappyforyou123 • 1 point • 5 March, 2017 03:22 AM

Perhaps she wants to run the relationship/is a naturally dominant woman
