

This is what tinder is now... bunch of sugar babies looking for cash. These are simps future "love of my life"... I'm 46 and should never get matches this age and it's ALL I see. (Tinder is gold for comedy and enforcing MGTOW IMHO)

Isn't it wonderful that we grew up in the age of dating before the Internet?

I feel so bad for the young men of today. It's got to be a goddamn jungle and a half out there with all those thots

[deleted] • 11 points • 31 January, 2019 11:47 AM

I'm 19 and honestly its shit, I think women were different 10 years ago. With the takeover of Instagram girls and women now post really provocative pictures and things constantly because they love the validation of x amount of likes on their pictures. They enjoy taking picture in their underwear, getting tats because it gives them an excuse to show off more skin etc etc

Its hard to find a decent girl that doesnt care so much about online validation, its less about being with a guy that makes them happy and more about being with a guy that will make people jealous when she puts pictures of them together up on Instagram. I don't think all girls are golddiggers, I have spoken to many my age and a tad older and they don't care about money so much, its more about how you look and what you already have, you could be ugly but if you have a nicer car than Becky's boyfriend then you're one step ahead.

I think women were different 10 years ago

no

I think women were different 20 years ago

no

I think women were different 50 years ago

mb yes but can't guarantee, wasnt alive

Liquid_Leopard • 3 points • 31 January, 2019 03:57 PM

I disagree, while their bullshit money grabbing, cheating nature was the same, it's now so easy for a 6 to post a picture with cleavage and get so much validation and likes from simps that they have a much higher opinion of themselves just increasing the narcissism

SlowJellyfish1 • 4 points • 31 January, 2019 03:19 PM

Women will be different 10 years from now. These instagram girls will be hitting the wall and will be asking, "where have all the good men gone?" The current state of dating/mating is not sustainable. God/spaghetti monster/etc. made women attractive when they are younger so they can lock down a guy so he continues to take care of her when she is old and ugly; not to ride the cock carousel.

TheDevilsAdvokaat • 2 points • 31 January, 2019 05:17 PM

Seconding this. I keep seeing this stuff going on...and it appalls me. I was dating in the 70's and it was bad enough then..women asserting they were equal (I'm fine with that) but still insisting I pay...or not insisting and then ghosting me thereafter.

Honestly I feel sorry for the younger guys.

teslaistheshit • 2 points • 31 January, 2019 06:39 PM

Thank you! I dated in the 80's and 90's and can guarantee you it'd been the same if current technology was around then. All the smart phones have done is given women easy access to their inherent narcissism.

TheDevilsAdvokaat • 1 point • 31 January, 2019 11:06 PM

57, divorced with 2 kids, no longer interested in dating and SO glad I don't have to bother..honestly it feels like a big relief...

teslaistheshit • 2 points • 31 January, 2019 06:36 PM

Yes it was much better but really they were the same except they didn't have technology to digitally whore themselves out.

ThatGuyAgain • 1 point • 1 February, 2019 12:10 PM

I'm in my mid 20s, but never bothered with online dating, it's a shit show, especially after apps like tinder hit the scene. New dick on click. Nah...

QuantumSanta • 29 points • 31 January, 2019 03:05 AM

They are all just painted up muppets. Take the makeup off, and they will be as ugly as fuck.

Nothing to see there, and if you want to throw your money away, just open up your window and chuck it out.

Tama_drummer_man • 9 points • 31 January, 2019 04:14 AM

and if you want to throw your money away

Get a saltwater fish tank. I loved my tank, but, man... It was a money pit. Still worth it tho.

schemadrome • 4 points • 31 January, 2019 05:12 AM

Yeah, but you need an expert for the choice of critters. We had a huge one at the office (with all sorts of instruments and a built-in cellular phone for calling contracted support staff 24/7 for when the readings signaled trouble) and lost thousands of dollars because some 300\$ alpha-fish ate all the 700\$ seahorses. (The CEO himself picked the critters.)

QuantumSanta • 5 points • 31 January, 2019 04:24 AM

At least fish give you some pleasure..

schemadrome • 1 point • 31 January, 2019 05:14 AM

Seahorses are extremely cute and sort of smart.

schemadrome • 5 points • 31 January, 2019 05:19 AM

Take the makeup off, and they will be as ugly as fuck.

This old ad takes fakeup to the next level. Sorry to all those who have seen it already.

Looking at it logically, why else would an attractive young woman even want to go on Tinder or similar? If they were after some kind of equal relationship, it would be far easier for them to go to parties, bars or anywhere else where they don't have to put up with hordes of ugly thirsty guys and dick pics.

toolate4redpill • 5 points • 31 January, 2019 12:35 PM

DING.DING. In no era EVER has any young, attractive woman had "trouble" getting dates or sex. This is simply sex for sale. Hey if your older and got the money, go for it

CiceroVoltaire • 14 points • 31 January, 2019 03:11 AM

yes, but swipe right for amusement. I act innocent, when they talk about sugar baby/sugar daddy, I'll say, oh I see, thanks, I didn't become wealthy by paying more than something's worth.

Liquid_Leopard • 4 points • 31 January, 2019 03:21 AM

I've messed with a few of them, it just wastes my valuable time but it was fun at first.

Gotta agree with this. It's pretty fucked up.

DWS33_ • 7 points • 31 January, 2019 03:28 AM

paige is guaranteed looking for a sugar daddy. Since you say you're 46. she wants a handout and thinks you're dumb

Liquid_Leopard • 4 points • 31 January, 2019 03:38 AM

Yeah I don't even bother to message them, the story is always the same. I just delete and check it again in a month for more juice to remember AWALT.

TheGreyGuyHari • 5 points • 31 January, 2019 03:08 AM

Am I the only one who think that the pic on the bottom right is oddly familiar?

QuantumSanta • 4 points • 31 January, 2019 07:54 AM

Pretty much every young girl on this planet has a pic like this.

TheGreyGuyHari • 1 point • 31 January, 2019 05:49 PM

I have seen shit-ton of ads with a pic fucking similar to that on multiple porn sites. LOL!

schemadrome • 7 points • 31 January, 2019 05:16 AM

Judging from the looks, Abby is probably a discounteress.

Liquid_Leopard • 5 points • 31 January, 2019 03:01 AM

Let me add in here that I have a free tinder gold account and so I dont have to Swipe to see who's liked me, so

they don't get any notification I've even seen their profile.

NickTesla2018 • 3 points • 31 January, 2019 04:07 AM

Street hookers are more honest.

jgs2000 • 2 points • 31 January, 2019 03:23 AM

Yes, Tinder is very strange. You have all these types of younger girls hitting up older guys for cash because apparently they think all of us 40 something year old guys are rich but got that way by just giving our money away And then the women my age have all these lengthy, super serious profiles with long lists of demands for men like they are on eharmony or something.

extremeZ-TOWN • 2 points • 31 January, 2019 03:52 PM

Smash and dash and leave them in a cloud of kush ☐

[deleted] • 2 points • 31 January, 2019 06:26 PM

I got back on to tell these bitches to subscribe to pewdiepie hahaha very entertaining

[deleted] • 2 points • 1 February, 2019 02:02 PM

This app is a fantastic way to screen out who in your town is not worth dating. It's like \$10 thot insurance.

CoinSwapTrader • 1 point • 31 January, 2019 03:13 AM

GIVE THEM NOTHING!!!

[deleted] • -1 points • 31 January, 2019 12:26 PM

MGTOW/Tinder - choose one

Liquid_Leopard • 3 points • 31 January, 2019 04:13 PM

Chandra has this Monica from "Friends" thing going, I'd coffee then smash that...
