If you remember, this experiment was done by a fellow mgtow not more than a week ago.

This one was deleted by the cuck mod before getring more coverage. I have sent this to around 20 mensrights pages on FB and some have agreed to post it.

My soon to be ex girlfriend here adds “please” to her (she knows they are absurd) requests for me to do anything around here and when I say something about how it’s lazy or just ridiculous she reminds me that she said please. Like that makes it okay for her to treat me like a bitch boy.

"Women are Wonderful" effect in full, well, effect.

It's a "special and wonderful" thing for a man to perform oral sex on a woman. It's "disgusting" for a woman to perform oral sex on a man.

Women doing anything for a man is "forced", "dehumanizing", and "practically rape". Men doing anything for a woman is expected.

abhilash1991[S] • 21 points • 20 January, 2019 04:12 PM

True af. The entire society is fucked up. The same happens with fat acceptance. Fat eomen are angels. Fat guys? Fuck them

BlackestPillForYou • 10 points • 20 January, 2019 08:35 PM

I think it's hilarious you can call a guy fat casually no big deal but if you even hint at a girl's size you are the scum of the earth. Fuck that and fuck fat girls.

abhilash1991[S] • 9 points • 20 January, 2019 08:39 PM

Fat acceptance movement is one of the worst things that has happened to humanity.

It literally promotes an incredibly unhealthy lifestyle, and makes morbidly obese people believe that they are beautiful the way they are and shouldn't do shit to get better. This gave rise to the trend of bbw models with every single freaking photo deserving of an nsfw tag. And they conveniently exclude fat men from this movement. Just plain disgusting.

Acer\_Spacer • 6 points • 20 January, 2019 11:26 PM

Imagine living in Canada, calling fatass a fatass can get you jailed even if you call them it after they were insulting you first.

abhilash1991[S] • 3 points • 21 January, 2019 04:13 AM

It annoys the crap outta me when I see this kind of shit happening. Too much privilege given to these people.

"If they didn't have double standards they'd have no standards at all." - some random guy on the internet

NotMyWomen • 31 points • 20 January, 2019 04:39 PM\*

My gf won't blow me:

Waaaah. Deal with it. Maybe she's grossed out by it.

I don't want to go down on my gf, I'm kind of grossed out by it:

*Internet Tsar bomba of REEEE*

abhilash1991[S] • 5 points • 20 January, 2019 05:05 PM

Haha. Right? I guarantee if this guy had done this experiment a few months later, we would have gotten a shitstorm of Hypocrisy

Masakari5700 • 1 point • 21 January, 2019 06:57 PM

Hahaha "internet Tsar Bomba of reeeeeee!" Gave me a good laugh thanks for that haha

So true though, my whole marriage was like that.... Thank God that's over. And don't even get me started on her denying me sex over 9000 times and if I denied her once it was like 10 reeeeeee Tsar Bombs going off

BertTheWelder • 29 points • 20 January, 2019 01:24 PM

"If I post that this guy should go down on his wife, some woman will see it. She will realize that I would go down on her if she asked. Then she will ask me to and I will. Gonna score me some of that sweet internet pussy!"

abhilash1991[S] • 1 point • 20 January, 2019 01:27 PM

Wait are you ridiculing me? That would be immaturish af. Please read the article ☐

BertTheWelder • 21 points • 20 January, 2019 01:29 PM

No I'm ridiculing the morons who trashed the guy out in the post. Cause that's what they're all thinking. Thank you for sharing this. Perfectly illustrates the stupid shit men do to try and show off for women.

abhilash1991[S] • 11 points • 20 January, 2019 01:31 PM

Ohh then I'm sorry i misunderstood the comment. One of our own mgtow did this experiment a week ago and it really exposed these hypocrites.

[deleted] • 2 points • 20 January, 2019 02:23 PM

The good old WKB?

Fantoché\_Dreemurr • 16 points • 20 January, 2019 01:55 PM

Double standards are the only standards applying to women.

abhilash1991[S] • 5 points • 20 January, 2019 01:56 PM\*

I wish he had done this experiment a month or two after. It would have been sweet af. No suspicion and hypocrites exposed in masses

Tyler789228 • 14 points • 20 January, 2019 04:43 PM

They say "equality" but they just want men to be their slaves.

abhilash1991[S] • 10 points • 20 January, 2019 05:03 PM

Yes. And fuck the white knights. They are a big part of this entire problem

Thank you sir for your incredibly kind words.

I like to write stuff and I wrote this piece after witnessing that travesty. I made sure to send it to every major mensrights page on FB. Some have agreed on publishing it. A couple of them have already published it and it got some nice response. I genuinely wanted this to be seen by as many people as possible.

Again, I sincerely appreciate your kind words.

Your last sentence was exactly my comment when our fellow mgtow posted about his experiment here! And then I wrote it. I've already sent it to a couple dozen pages and will keep on going for a while. Again, kudos to the original guy who did this experiment.

Thank you, kind sir.

[deleted] • 7 points • 20 January, 2019 07:23 PM

Very predictable outcome but it's good to confirm the hypothesis :)

MGTOW philosophy is vindicated once again.

abhilash1991[S] • 2 points • 20 January, 2019 07:23 PM

Yup sure is :)

Thanks for reading!

Trail\_of\_Jeers • 5 points • 20 January, 2019 07:47 PM

Do not go down on women, if you, use protection. I go to ENT doc in a week to check for HPV.

Do not go down a women.

abhilash1991[S] • 2 points • 20 January, 2019 08:32 PM

After reading about this in a couple of posts on this sub itself over the course of the past week, I'm sure I won't be doing that shit ever.

abhilash1991[S] • 2 points • 20 January, 2019 05:25 PM

Thanks for the read. I had lots of fun taking screenshots and writing this piece. Knew people would want to see this crap thats happening.

migelall • 3 points • 20 January, 2019 08:27 PM

First, the hypocrisy and cuckery of the modern American society never stops to amaze me. Came here 11 years ago, still getting surprised every day by entitled mostly severely overweight women and cuckery of beta American males/white knights. Second, I don't recommend to anyone to perform oral sex on a woman. She will test you and ask to do it, but there is a high chance she will think lower of you afterwards. I was told that by more than one woman and this was what my intuition was telling me anyway.

abhilash1991[S] • 4 points • 20 January, 2019 08:30 PM

I have a special for fat acceptance ones. Not wanna work to get fit, but would belittle thin women. Made up this shit called every size is beautiful. They don't prefer fat men though, only fit ones.

migelall • 3 points • 20 January, 2019 08:37 PM

Double standard after double standard... And how dare you criticize female body, but women feel free to criticize guys for being too short or worse for having a small penis.

abhilash1991[S] • 2 points • 20 January, 2019 08:40 PM

The sense of entitlement and the hypocrisy of these sickos is off the charts

verynormalsimple • 3 points • 20 January, 2019 10:34 PM

Not all heroes wear capes.

abhilash1991[S] • 2 points • 21 January, 2019 04:19 AM

And I made sure to inbox him and thank him for this eye opening experiment he did. This contribution is but a little drop (but extremely significant) in the red pill ocean that would help men see the fuckery that's going on under the veil of gender equality

FaitBonFaitBon • 3 points • 20 January, 2019 10:58 PM

That's fairly typical for that sub. The mods consistently remove posts that have even a whiff of redpill.

I wouldn't be surprised if they started auto-banning people who post here (like so many other subs do).

abhilash1991[S] • 2 points • 21 January, 2019 04:16 AM

That day's not too far. When they deleted this guy's post, they posted a comment saying Hi MGTOW and deleted every single comment other than that, to prevent the hypocrisy of the subs folks from getting exposed outside. I got the archive though.

the2xstandard • 3 points • 21 January, 2019 04:13 AM

Thanks for posting this. I didn't get to read it before it was taking down. Woman refuses to give oral, "Fuck him its your body." Man refuses to give oral, "You're denying her something special."

abhilash1991[S] • 2 points • 21 January, 2019 04:14 AM

No problem man :) appreciate you reading this.

muscleeteemo • 2 points • 21 January, 2019 01:54 AM

The two posts are actually to different for me to get any kind of justice boner.

abhilash1991[S] • 1 point • 21 January, 2019 04:12 AM

Timing hurt it a bit. 2 months later would have done wonders

LilMizzTootznPootz • 2 points • 17 May, 2019 08:44 AM
