

You will need to have your shit together to get it with women - not the other way around

April 19, 2017 | 667 upvotes | by [argcisman](#)

So you think by getting a girlfriend your whole life will magically turn around. That you and her will live happily ever after in a land far, far away. That she will fix all your problems, help you with your harmful addictions, your insecurities and you will have nothing to worry about since you and her are finally together. **This is all false.**

I hate to break it to you, but what people call "love" is just a chemical reaction that compels animals to breed. It hits hard Morty then it slowly fades leaving you stranded in a failing marriage. I did it. Your parents are going to do it. Break the cycle Morty, rise above, focus on **yourself**.

Successful men get it with women because they are successful. Women don't want to be your mom. Women want a successful man who has his shit together, someone who is confident in himself. Hell you can mow lawns and still get bitches wet just because you are so passionate and confident in what you are doing. Women don't have the same passion as we men do when it comes to doing things and really putting time and effort towards a goal. (This is one of many things what women find so scary but at the same time so unbelievably sexy in us men).

They want someone whose first priority is himself, not her or anyone else. It doesn't matter how much she begs and pleads you to not go out with the boys tonight, she is just testing you to see if you actually are the man she thought you were. Don't give in to the crocodile tears, ever.

And by having your shit together means a different thing depending on previous boyfriends and the age of the woman. The higher N-Count and the higher the age of the woman the more shit you will have to have. Such as a nice car or an apartment. Young women are usually happy with you either being fit, popular or rich since they haven't had much experience and don't know how much they actually can get with just their pussy, or even more with a cute face on top of that.

Keep yourself the number one priority and improve yourself most of your time awake. Women will slip and land on your dick sooner than you think.

Women want powerful Men. Men want Power. That's all you need to know about relationships.

Frigzy • 93 points • 19 April, 2017 08:44 PM

Blue pill men pretend they transcend the struggle for power.

analyticaltoafault • 106 points • 19 April, 2017 08:49 PM

Nietzsche is very relevant here.

When they hide behind virtue, they are only hiding their cowardice and fear of failure in one form or another.

If I'm remembering right, I believe this specific idea is in Beyond Good and Evil.

You should just read Nietzsche anyway lol. Philosophy is as important as the actions based upon it.

I have a blue-pill friend who pridefully says "I am a loser, I am weak. That is what I decided to be. That is why I am more powerful than power-hungry men. They are led by their hunger, but I lead myself."

I love when people try to argue that the path to obtaining power is pure evil.

Wrong, power is neither good nor evil, its amoral. It cares not for the means upon which it is obtained, it merely makes the world go round and round.

Those who obtain power will reap the benefits, and those who don't wield it will sit around bitching about those who do out of fear. Be the former, not the latter.

[deleted] • 8 points • 19 April, 2017 10:46 PM

This is weirdly true. Source: Blue pill suppositories

aanarchist • 6 points • 21 April, 2017 04:00 AM

it's the other way around. men want women, women want power, so men gather power to get the women. i don't think any dude would ever give a shit except in a world that revolves around power.

Ethics and virtues are a scam invented by poor and weak people to survive in a hostile world that otherwise

would not tolerate their existence.

But also consider that not everyone can be the leader. What makes women want men even more is when he knows how to take the lead during a power vacuum and also take a submissive role when the situation warrants it.

There's a lot of diehard redpill alphas sitting in concrete boxes right this minute. Power is not the only thing there is. Sometimes in order to prevent the big loss further out, you have to take a small loss now. It's like the opposite of the marshmallow experiment for kids.

Offer the choice to the child: "Either you can be a bully now and force the other child to take the fall for you, or else you can be the submissive and take the fall for the other child". My theory is that the child who has a tendency to take the fall for the other child goes much further in life than the one who says the other child takes the rap now and we'll re-negotiate later. Although this may not be the case, since the wealthiest people I've ever met were the most evil people I've known.

Either way, women crave the bully. The bully in school takes his marshmallow now, the nerd focusing on his studies takes the 2 marshmallows later". When women see you can be submissive Beta and cause the master to shine that much brighter, and she sees the alpha keeping him around, she's wired to desire that too.

supremelummoX • 4 points • 19 April, 2017 09:54 PM

She's wired to desire the beta too? Or she is wired to desire for the alpha to want to keep her around too?

_the_shape_ • 12 points • 20 April, 2017 01:12 AM

The beta is the fluffy pillow *always* there for her to lay her head on, the gooey gummy bears she mindlessly chews up, the male version of her female buddy who listens to her whine and cry about anything and everything (sometimes even about maltreatment from Chad)

anon35202 • points • 19 April, 2017 10:12 PM **[recovered]**

Betas can be more Financially successful than Alphas. You don't need to be busting in to every situation with balls hanging out and dicks swinging in order to profit. You can sit on the sidelines, invisible, and make enough money to make it so that you don't have to work again, and women find that irresistible.

AncientScrolls • 9 points • 19 April, 2017 10:56 PM

Right...

Tell that to the rich kids in prep schools that can ace tests and at the same time be popular or the high school popular quarterbacks, that even if they aren't the smartest people around with the best gpas they are still able to go to good colleges by getting an athlete's scholarship.

OneRedYear • 129 points • 19 April, 2017 07:57 PM

My Dad always said, the rich man got a wife and the janitor got a wife. Don't worry about getting a wife.

LaMaverice • 47 points • 20 April, 2017 01:09 AM

This is exactly right. The broad generalization here is a tad laughable.

It's not every woman that necessarily wants the power-hungry executive. Some women think men like that are repulsive and arrogant. Some of those women are quite attractive.

You can make all the money you want and attract the hottest chick you want, it doesn't mean that you'll love or value each other by the time you're 5 years into a marriage, with one child and another on the way and she

can take half your worth when she gets sick of you cheating on her, lol.

I know men that married "the trophy," they are miserable and want out but feel trapped, so they cheat. What a time to be alive boys.

XZTALVENARNZEGOMSAYT • 3 points • 21 April, 2017 03:09 AM

Or should I say you don't marry at all

It makes sense that you do not understand. You must be one of those guys locked in a cage.

Part of the RedPill journey is the realization of our true worth as men. We have the potential to acquire power which if used correctly can lead to freedom. By making women your top priority, you are admitting to the power pussy has over you. Remember that their looks and possession of a pussy is something that was given to them, not something they worked for.

As for us men, we aren't owed shit. Men fight wars and die for their country. We aren't babied like women, we fight for all that we have. KNOW YOUR WORTH! Men are lucky in that our SMV and inherent worth can rise far above the worth of women. Keep moving forward and working hard for no one else but yourself. Do it because you value yourself and you will see the most evolved version of yourself.

Edit: Thank you for the gold kind sir!

OzzyDaGrouch • 0 points • 21 April, 2017 12:26 PM*

But the chicks be fucking digging it like crazy playa, learn some good hard hitting lyrics they gonna love it when you sing it to them. Even if you're not necessarily trying to pedestal them like Drake obv. Tbh singing mean shit while we're arguing is best lol.

"WHAT KIND OF GAMES ARE BEING PLAYED HOWS IT GOING DOWN? ITS ON TILL WE GONE THEN I GOTS TO KNOW NOW, IS YOU WITH ME OR WHAT?"

"MAN THESE NIGGAS NEED TO STOP IT THEY BE CROWDING UP THE SCENE, BABY ALL THAT PRIDE AND SELF ESTEEM, GOT YOU ANGRY BOUT THIS GIRL IM WITH IN ALL THE MAGAZINES BABY SHE LOOK LIKE A STAR, BUT ONLY ON CAMERA, ONLY ON CAMERA, ONLY ON CAMERA"

"ON SOME DMX SHIT, I GROUPIE ALL OF MY EXES I TELL EM THEY BELONG TO ME THAT GOES ON FOR FOREVER. AND I THINK WE JUST GET CLOSER WHEN WE NOT TOGETHER"

"YOU THROWING DIRT ON MY OLD NAME, ONLY GETS WORSE WHEN YA KNOW THANGS, YOU DONT SEE THE PERKS TO THIS WHOLE THANG. BUT YOU GET REAL UNAPPEALING AND I LIKE IT , YOU JUST LIKE MY SIDEKICK I JUST WANNA RIDE FOR, FULFILL ALL OF YOUR DESIRES"

"I CAN SEE IT IN YOUR EYES YOU ANGRY, REGRET GOT SHIT ON WHAT YOU FEELING OHH, MAD CUZ HE AINT LIKE ME, OH YOU MAD CUZ NOBODY EVER DID IT LIKE ME. ALL THE CARE I WOULD TAKE, ALL THE LOVE THAT WE'D MAKE, NOW YOU TRYNA FIND SOMEBODY TO REPLACE WHAT I GAVE TO YAAA. ITS A SHAME YOU DIDNT KEEP IT, ALIESHA, KATIYA, I KNOW THAT YOU GUN HEAR THIS IM THE MAN, YEAH I SAID IT. BITCH IM THE MAN, DONT TOU FORGET IT. THE WAY YOU WAAAAALK THATS ME, THE WAY YOU TAAALK THATS ME. THE WAY YOU GOT YOUR HAIR UP DONT YOU FORGET THATS ME, AND THE VOICE IN YOUR SPEAKER RIGHT NOW I THATS ME, THATS MEEE, CANT YOU SEE"

"REALLY GONNA SPEND THE WINTER WITH THIS OTHER NIGGA? ACT LIKE HES REALLY THE ONE TO GET THRU IT WITH YOU"

"REMEMBER I DELETED ALL MY OTHER GIRLS NUMBERS OUT THE PHONE FOR YOU, REMEMBER WHEN YOU HAD TO TAKE THE BAR EXAM I DRIVE IN THE SNOW FOR YOU. YEAH. PROLLY DONT REMEMBER HALF THE SHIT A NIGGA DID FOR YOU, YEAH. YOU AINT REALLY FUCK WITH ME WAY BACK THEN BUT HOW BOUT NOW? CUZ IM UP RIGHT NOW, AND YOU STUCK RIGHT NOW. AWWW YOU THOUGHT ALL

THE LITTLE EFFORT THAT YOU PUT IN WAS ENOUGH GIRL HOW BOUT NOW? CUZ IM UP RIGHT NOW, AND YOU STUCK RIGHT, AWWW YOU THOUGHT YOU HAD IT ALL FIGURED OUT BACK THEN GIRL HOW BOUT NOW?"

Tbh some of these things just make it clear that you're outcome independent if you sing with confidence but that you're also a sexual being and want to fuck if that makes sense, or maybe I'm just really good at this now and it's easy to pull off for me. Especially emphasizing the important lyrics by looking at her (while safely driving lol) or squeezing that leg ☐ or if your parked using your body works wonders. Lol should I make a post about how you should sing to your women? Definitely be an interesting read lolololololol

Exactly. She missed the point entirely. Saying (correctly) that women are babied is a completely different universe from implying they have power in business, politics, etc.

The higher N-Count and the higher the age of the woman the more shit you will have to have.

As an older man trust me, this is the truth. I know women my age and older who frown on a single man having a roommate. Must be a loser. Don't own a home for them to try to steal? Loser? frugal shitbox car? loser.

what do you consider getting "basics of your shit together".. job, apartment, car, savings, what?

[deleted] • 27 points • 20 April, 2017 12:06 AM

Depends on the person. Like, say some average physique dude gets into self improvement and lifting, once he starts looking and feeling a bit better, he shouldn't wait until he's super shredded to talk to girls.

Just saying, once you are at least put together, dress better, workout, and have food, water, and shelter, it's not good to say things like, once I.... (get super shredded) THEN I'll talk to girls!

Hotdawg179 • 6 points • 19 April, 2017 11:51 PM

WeOutCheaLA • 1 point • 21 April, 2017 12:50 PM

Literally depends on your personal situation. You know if you're doing enough or not don't lie to yourself. For me it was definitely when I was able to hold two jobs to support myself and my lifestyle and be a student and still have enough time to work out and pick up women, because there is enough time (to all you fucking slackers). I've been doing it for a year and a half now. I was average body and cute face. I got a coupe too and I'm young 20s. That's all I needed man. You don't actually need a lot of money if you know how to set a day or just a little date up and make her laugh and shit. Once you have enough to truly believe that you are making it good out here will it ever TRULY show through to her because you believe your own script and you're not ashamed to be that (seemingly) successful man. Reality is you can be a fucking janitor and still make this happen. If you fucking own it like the bossdawg she should already be believing that you are making smart moves etcetcetc. It's all just image. The image of a man who truly is in control of his life. Update your resume, get relatively fit, put yourself the fuck out there, dress right, be polite but non chalant, laugh it off when she shit tests you and then

come back and say a little sexual innuendo to get her blood flowing a little, (AGAIN, POLITELY, idk why so many people have trouble flirting with women, it's all just about respectfully communicating you wanna da booty). Bonus points if you choose a certain image to dress in and embody (I am a lil hip-hop loving nigga with nice shoes, matching outfits, the whole fucking 9. Slick my hair back, got a quality cologne, I live in a large house with several other college students and we have decent party's every month or so, I can drink like a champ and I am an outspoken individual in normal social interactions. WHAT'S NOT TO LOVE? WHY WOULDNT SHE WANT ME RIGHT??? RIGHT? ☐☐☐ You should have the same attitude and you already would if you were making it happen the way this sub tells you to make it happen.

Much love

akatsukirp • 1 point • 20 April, 2017 09:45 PM

Good point. Thinking once you get the car and the house the pussy will come is not the right attitude. It's living by your own terms and kicking ass that does. Having frame. For example you work seasonally to afford going on epic adventures.

I love that Rick and Morty quote; I've used it in more than a few conversations. The first time I heard Rick say that was around the time I had discovered TRP, and everything clicked. Humans are just really intelligent animals. There is no such thing as love between animals. It is just a blanket word for feelings that we have but don't know how to categorize.

While I don't disagree with the sentiment... Be the best you can be.

But I've smashed good looking women while living on a couch and having \$5 in my bank account.

In fact, now that I think about it the more successful you are the more they will shit test you and try to fit you in a beta bucks role.

Just don't give a fuck and you will get far.

argcisman[S] • 24 points • 19 April, 2017 06:52 PM

In my experience, the so called 'beta' guys get the most shit from women, from the so called beta-shaming.

It's okay if an alpha is sexually aggressive but when a beta does the exact same thing he gets shamed and women try to put him back in his little beta box.

CQC3 • 12 points • 20 April, 2017 05:44 AM

Honestly, that goes for anybody. If you present yourself a certain way to people and then suddenly 180 then it doesn't go over well in many cases.

I used to put on a really clownish exterior but in reality I was actually pretty negative and introverted and analytical. Whenever I got tired and those qualities came out it put people off. It scares the shit out of people to show so clearly how they misperceived you.

EmperorAurelius • 3 points • 20 April, 2017 11:43 AM

What are you supposed to do then? I too once out the clownish exterior and welcome mat personality. Now tho I'm definitely more negative and give less shits. However people remember the old me. So when I'm not taken seriously I want to smash fucking skulls. So much rage.

WeOutCheaLA • 4 points • 21 April, 2017 01:03 PM

Dude you can reestablish your image trust me. It is hard if you have a group of friends and a social circle but that's what monk mode is for. So that when you come out of it you are a redesigned man. Someone who has convictions and fucking knows it. When people shit test you there's no reason to be mad. If they truly continue to a point that they're trying to see you crack you can respectfully separate yourself from them and trust me when I say they will definitely internalize it. Nothing has gotten me success more than ignoring to respond with words but instead respond with immediate action. When you eventually link back up again they should at least be sort of testing the waters to see if you were ghosting because of their rude fucking behavior. And if you immediately withdraw yourself once the bullshit comes up again it will REALLY be clear to them that you're a fucking grown ass man here to have grown ass conversation. You're not going to put up with any sort of bullshit because you understand that you don't need anyone or any of their insecurities to be projected on you

CQC3 • 1 point • 21 April, 2017 06:00 AM

Well, it's tough. I don't know you so I can't say how you're coming across. All I know is that I do carry a more serious air with me even though I'm pretty joking when people get to know me.

All I can tell you is make sure you're not *angry*, it's easy to overcompensate and be too damn serious--even more than you actually are. It's tiring. Make sure you're coming across as more neutral, and let people say shit like "is anything wrong? you seem upset" (hate that one). When

they do, just shrug it off and tease them a bit. Once they know that you're just like that and it has nothing to do with them they'll back off, even like you more at times.

You can't make people take you seriously, so if you feel like your "friends" are just belittling you or stressing you out, just disappear if you can handle it. If a friendship comes down to just counting invisible digs at each other (real or perceived) then it's probably beyond salvage.

Truth is it's very hard to change around people who bring out the "old" you, because those people put you back in that mode. Your entire synergy and relationship is based off that old you. Sort of like when childhood friends regroup and everyone kind of just slides right back into their old roles, it's hard to avoid it unless you consciously break the pattern, but how many friends are worth that trouble?

Whether your friends will accept the new you is all dependent on how you act and the basis of your friendship. If they're decent people they'll let it go.

Generally though if a guy goes from no spine to having some self respect, friendships are lost. Those are no loss anyways.

And I forget who made a video on it but it said there are three types of men Alphas, Batas, Cucks with three over laid circles, and what women really want is the hybrid of all three. They want a guy thays tall, good looking, with a big dick, (alpha) with lots of money(Bata) that doesn't get mad if they go out and fuck a new guy once or twice a month (cuck)

Hillarysilddo_2016 • 6 points • 19 April, 2017 08:34 PM

That's an interesting matrix, never thought of cuck as a desirable trait, but it definitely makes sense.

Well I won't dox myself, but I'd say I'm decent looking and fairly intelligent. So those things undoubtedly offset my "loser" status at the time.

keithmcd901 • points • 19 April, 2017 08:49 PM **[recovered]**

Being a cuck isn't desirable if your a fat pudgy loser that doesn't care if his chick goes out and gets it on the side. No chick wants to be with you.

But if your a in shape dude with a big dick and a sweet motorcycle that doesn't give a shit about here and fucks her once a month and then goes out of town the rest of the time and doesn't give a fuck of she has sex with other guys (the alpha/ cuck) *she will sleep with you*

If you are in shape and have a good house and carreer and all your shit together and have money to throw around and are ok talking about feelings and shit occasionally (alpha/ bata provider) *she will date /marry you*

If you are the guy she dumps her emotional problems on l, and let's you spend money on her and doesn't fuck (Bata cuck)

Don't be a Bata provider cuckold

And the first one I described in my last commemt is want every chick deep down really wants.

Now having money is a beta quality? AHAHAHAHAHAHAHAHA This sub has been invaded by low-iq broke people

Hillarysdilddo_2016 • 4 points • 19 April, 2017 10:07 PM

Pretty sure he means beta bucks. Of course having money doesn't make you beta. How you use it can.

[deleted] • 1 point • 20 April, 2017 02:33 AM

Fucking grateful for the content people like you put in here. Keep grinding fellas. Embrace the suck.

EtemAll • 21 points • 19 April, 2017 05:06 PM

Simple post but always good to restate for newbies and a good reminder for everyone. Have a goal, a realistic goal, have many goals. Goals that don't include women and you will be happy with yourself and happy that women around you are happy with you.

[deleted] • 9 points • 19 April, 2017 07:55 PM

Millennial Women Are 'Worried,' 'Ashamed' for Out-Earning Boyfriends and Husbands

<http://www.nbcnews.com/business/personal-finance/millennial-women-are-worried-ashamed-out-earning-boyfriends-husbands-n748326>

So much hypocrisy and double standards.

[deleted] • 1 point • 20 April, 2017 01:41 PM

I thought the sjws were bitching about the wage gap between men and women. If women would work the jobs that pay more they wouldn't have an issue, but of course someone sitting on their ass answering phone

calls should be paid the same as a man doing some real work.

Mckallidon • 17 points • 19 April, 2017 05:16 PM

Depends on the woman. Disgusting bitches with personality disorders love weak sad dudes.

charm3 • 1 point • 21 April, 2017 04:13 AM

Any specific personality disorder?

Mckallidon • 2 points • 21 April, 2017 05:08 PM

Borderlines, Narcissists, Sociopaths, anyone that needs to control someone else

Its not even about crafting yourself to be what women want.

WOMEN ARE LIFESTYLE ACCESSORIES!

Like sports cars, beautiful women who fawn over you are the product of self development and success to be had only after you've earned those things for yourself. They are to be accessed, enjoyed, put away or traded in when it suits your needs and life. Chasing women because you *need* women is automatic loss of frame.

If you're chasing the women first you're doing it wrong and you're missing a huge part of RP philosophy.

newName543456 • 9 points • 19 April, 2017 08:17 PM

The higher N-Count and the higher the age of the woman the more shit you will have to have.

And probably inferior reward, as pair bonding capability decreases but entitlement does not.

prueba2306 • 11 points • 19 April, 2017 11:21 PM

That's not true, you can be a completely destroyed person (*drug addict, alcoholic, unemployed, homeless*) but if you have the **frame** necessary you can get almost any women you want.

I have slept with women married or dating judges, doctors, owners of big business and they didn't give a fuck who i was and what i did.

If you only want to sleep with multiple women you need **frame**, if you want to have a LTR you need frame **and** some financial shit.

If you don't get women its because you don't have **frame**. Get **frame** first and then get all your shit together (it is better if you do it at the same time)

laere • 3 points • 20 April, 2017 05:40 PM

I remember seeing a video clip of a homeless dude literally scoring a chick every night so he'd not only get sex, but also have a place to crash for a few days. On top of it he was an alcoholic.

iamanenemy • 0 points • 20 April, 2017 04:30 AM

I don't recall seeing frame in the sidebar. Could you explain what frame is or link to some texts that explain?

Subtletrious • 3 points • 20 April, 2017 05:11 AM

I haven't read the side bar lately (perhaps I should) but a quick google search of "red pill frame" shows lots of material.

Frame is the narrative of the situation ie who is controlling the story

CQC3 • 3 points • 20 April, 2017 05:42 AM

It wasn't on the sidebar because he stole them all and bolded them in his post.

TangoZulu • 3 points • 20 April, 2017 01:11 PM

"Frame" is shorthand for frame of mind. When people say you need frame, what they mean is that you need SOLID frame. You don't get shaken, emotional, drawn into her emotions. Frame is your self-confidence, drive, state of being. A women's frame is her emotional state in the moment. Don't get pulled into her frame, be unshakable.

iamanenemy • 2 points • 20 April, 2017 04:24 PM

Ah. So basically, Jedi that shit and don't get sucked into justification or explaining yourself, don't take her emotional stuff/hamstering seriously and most of all, don't get goaded by her shit tests. I'll admit, I still give them too much fuel when it comes to shit tests. Not "get off our reddit" level, but too little is still too much. I've been lurking and reading. Now I need to execute.

slothsennpai • 6 points • 19 April, 2017 10:43 PM

I'm in a situation where women still want to LTR me despite knowing I've got nothing (shit job, no place, no car). I'm glad in a way that I'm not in the beta-bux category though this shit still worries me since they may not want to stick around long if I ain't got the money nor funds to properly provide and contribute.

My point is that you can still get into LTRs whilst being a working progress though it's a matter of whether or not they're gonna wanna stick around for long so you gotta need to get your shit together sooner or later!

Nobrainz_ • 2 points • 20 April, 2017 05:50 AM

You have to have your shit together for your own self and not for pussy. You are the most important person of your life.

brettfromtibet • 5 points • 20 April, 2017 12:19 AM

I needed to read this article. I worked extremely hard at a career and didn't do well with women because I was extremely busy / stressed and also extremely beta. I associate hard work with no getting laid. Time to get back to work, do it differently, red pill style and be more successful!

cirelhat • 9 points • 19 April, 2017 07:24 PM

Successful men get it with women because they are successful.

You don't need to be successful to get women, you must learn and understand them, you can do this naturally but most often you get brain washed by society.

Good advice, but no sense of direction

argcisman[S] • 5 points • 19 April, 2017 07:44 PM*

If you are unsuccessful you will end up with unsuccessful women.

I agree with you that you don't have to be successful to get women but the quality of the women you will be able to get won't be as high as if you were a successful man. A guy with an SMV of 5 might have the same understanding or even better understanding of women than a guy with the SMV of 8. But a girl who is SMV 7 and plus will almost never if ever sleep with the SMV 5 guy because of social norms and risking ruining her reputation.

cuntrolbot • 2 points • 20 April, 2017 01:16 AM

| The higher N-Count and the higher the age of the woman the more shit you will have to have.

No, this would imply they are higher value than their younger and lower n-count competition, which aint so. Their SMV is lower. Men don't value a high n-count, we aren't women, we don't care about preselection. A high n-count post wall hag is about as low quality a female as there is. They can't demand shit, unless you are a filthy spineless beta who doesn't know better.

Blacklabellogics • 1 point • 20 April, 2017 11:38 AM

In a woman's perception she is higher value than her younger and lower n-count equivalent. Reality and female perception are two very different things.

cuntrolbot • 1 point • 21 April, 2017 05:32 AM

| Reality and female perception are two very different things.

Well that is the definition of the wall. There becomes a disconnect between their perceived and actual value. Eventually they figure it out, this is the Epiphany phase.

xxblueswiftxx • 1 point • 20 April, 2017 08:25 AM

This should be on the sidebar.

solarcon6 • points • 20 April, 2017 09:01 AM **[recovered]**

So true. Don't expect a woman to make you a better man, or even motivate you.

If you are fucked up and you meet a woman who still wants to stay with you, she either: a) accepts your issues, so you'll stay the same looser you already are. In the end she will of course blame you for that, or b) she subconsciously seeks out fucked up guys and your relationship will be just like that.

The only woman who can really make a man to become a better version of himself might be his daughter. Otherwise, you are alone and it's all up to you guys.

thisornothing • 3 points • 20 April, 2017 09:34 AM

And it's important to remember that women don't want to make you a better man, just a beta man.

kebaball • 1 point • 20 April, 2017 01:29 PM

Every feeling and realization and piece of information is a chemical phenomenon. Dosen't mean we should stop living the way that would bring the most desirable chemical phenomena. If someone really enjoys to be in love and loved (i.e. majority), then that's the way they should live.

Hjalmbere • 1 point • 20 April, 2017 07:28 PM

Just like religion and superstition, romantic love is a dangerous delusion which can ruin your life. Get over it.

[deleted] • 1 point • 21 April, 2017 01:17 AM

If you are good looking and have an real IDGAF attitude, you can get laid pretty easily no matter how much you don't have your shit together. I have gotten laid with \$1.54 in my bank account. I've gotten laid living in my gramma's basement. I've gotten laid without a car. Women respond to biological cues of psychological and physical survival fitness.

Yes, get your shit together (fucking duh). Yes, do it for yourself (fucking duh).

But you're going to be able to get laid you apply basic, time-tested principles of game and sexual strategy regardless of how laughably shitty your life is. I fail to understand this "focus on yourself" mantra. What the hell else was I going to focus on? Maybe someone can help me here.

ShakaLeonidas • 1 point • 21 April, 2017 02:06 PM

They dont want to do the the winning. They want a winner. That's why they become cheerleaders. Putting on those pads and taking those hits themselves day in and day out doesn't generate tingles inside them.

AndySmalls • -12 points • 19 April, 2017 11:14 PM

Holy shit that was sad. You dudes need a hug or something.

MisterRoid • 1 point • 20 April, 2017 05:42 PM

I agree. Reality can be pretty depressing sometimes.
