That's fucking creepy tbh

mtb1443 • 75 points • 27 December, 2018 01:15 PM

I got the uncanny valley thing going on. She looks like she is trying to look like a sexbot.

[deleted] 27 December, 2018 01:18 PM*

[deleted]

mtb1443 • 13 points • 27 December, 2018 01:22 PM

My apologies. But at least I said "she is trying".

[deleted] • 9 points • 27 December, 2018 04:06 PM

In a few years sexbots will be realistic enough to make them worth getting.

Your_Coke_Dealer • 1 point • 27 December, 2018 08:58 PM

I mean, she's a pornstar, so she probably is

TheNubianChimaera • 4 points • 27 December, 2018 03:22 PM

Fuck that, what that mouf do?

ALongAssName • 95 points • 27 December, 2018 09:56 AM

Fake eyebrows, fake lips, fake tits, full of botox and nose job. Probably a bunch of shit im missing aswell. Crazy how insecure the chick must be to change the way she looks to look like a blow up sex doll

mattsmitty • 30 points • 27 December, 2018 02:42 PM

Its no wonder depression is so high among women having to resort to faking their whole identity to get a man.

[deleted] • 23 points • 27 December, 2018 04:14 PM

Because men are increasingly walking away as modern women add little to no value to men's lives. Other than sex (which isn't gaurenteed on a nearly daily basis) what else do they have to offer? They lack domestic skills and a sweet feminine demeanor. When was the last time a female invited you over (as a friend or otherwise) and served you coffee and fresh (out of the oven) apple pie? Those days are over and as such men are slowly accepting the reality of this and are telling these snowflakes thanks but no thanks.

[deleted] • 9 points • 27 December, 2018 04:48 PM

So true. The only thing women nowadays are good for is sex and thats it. They have absolutely zero to offer now.

[deleted] • 3 points • 27 December, 2018 05:07 PM

Thats true and most don't even put out enough to qualify for being good for sex at least not

after the 6 month mark.

[deleted] • 1 point • 27 December, 2018 05:08 PM

So true.

[deleted] • 2 points • 27 December, 2018 05:11 PM

To say they're not worth the hassle just to get occasional pussy is an understatement.

sedstar • 2 points • 27 December, 2018 11:13 PM

I have ONE female friend, that gets me coffee, feeds me, brings me pie, etc etc when i am over her and her husbands house. We all jokingly refer to her as "my sister"... but? she is pretty damn rare.

[deleted] • 1 point • 28 December, 2018 05:20 PM

She's very rare in this day and age unlike 50 years or so ago. Not saying she's a NAWALT but she's more valuable than the bulk of women in their 60s and younger.

mattsmitty • 2 points • 28 December, 2018 09:44 PM

Women never really liked men. Even "back in the good old days" they were only pretending to be submissive to survive. Now they don't need to be protected their true colors have shown. What you see today with women is their true nature exposed for the world to see. They are disrespectful, arrogant and have vile personalities. This is why theres no going back even if we wanted to because women have shown just how much they hate men.

[deleted] • 1 point • 29 December, 2018 03:44 PM

going back? if the system implodes on itself then it will eventually reverse course but we'll be dead by then.

anotherdumbcaucasian • 5 points • 27 December, 2018 04:35 PM

She's a pornstar who does the whole "plastic" genre.

Aletta Ocean

[deleted] • 2 points • 27 December, 2018 06:28 PM

Probably looks like this underneath all that cartoon plastic

[deleted] • 1 point • 27 December, 2018 06:18 PM

And looking for a "real" man who is honest and upfront.

bk6830 • 62 points • 27 December, 2018 09:55 AM

And to think feminists and other female lobbying groups want to ban plastic dolls in the name of "dignity".

russian_troll007 • 23 points • 27 December, 2018 01:19 PM

They're afraid sexbots would take from them the only thing they bring to the table, vagina .

[deleted] • 1 point • 27 December, 2018 04:47 PM

The only thing they bring to the table

[deleted] • 10 points • 27 December, 2018 12:20 PM

lol she has fish lips

Trout pout

Farhandlir • 38 points • 27 December, 2018 10:50 AM

I like how women are increasingly trying to look like dolls with all the cosmetics available to them, then they call men creeps when they fuck sexdolls instead of women. The hypocrisy.

Volentimeh • 30 points • 27 December, 2018 11:43 AM

Latest crop of dolls look more realistic than she does.

[deleted] • 3 points • 27 December, 2018 04:16 PM

Well said.

TheMarvelousSchmuck • 37 points • 27 December, 2018 12:27 PM

Looks like some kind of Silent Hill creature that would haunt a plastic surgeon with feelings of guilt over the faces he has destroyed.

ScorpioPsys • 10 points • 27 December, 2018 01:57 PM

I almost spilled my tea laughing! This needs more upvotes. Have a great day!

Whirrlz • 4 points • 27 December, 2018 03:35 PM

This is great

Tercalerc • 2 points • 27 December, 2018 03:51 PM

[deleted] • 1 point • 27 December, 2018 06:23 PM

LOL. Now when I look at the pic I start hearing radio static.

Sol_Install • 26 points • 27 December, 2018 10:16 AM

This is what she used to look like:

<http://www.celebplasticsurgeryonline.com/aletta-ocean-plastic-surgery/>

I never saw her until she was in her 2nd form in that picture. When I saw the picture you posted, I was wondering who the fuck was that. She, like Frieza, evolved into a different form yet again. She is completely

unrecognizable from her natural state.

ijnenak • 18 points • 27 December, 2018 11:52 AM

Its not even her final form yo

[deleted] • 16 points • 27 December, 2018 02:02 PM

I think they call her Thogeta.

[deleted] • 3 points • 27 December, 2018 11:21 PM

I could see scouts being used to check N Counts

[deleted] • 2 points • 27 December, 2018 11:45 PM

She's way over 9000...cocks.

oldman_stone • 17 points • 27 December, 2018 01:18 PM

she doesn't need plastic surgery she need therapy

Enzo95 • 3 points • 27 December, 2018 04:57 PM

She needs both now.

thxnwy • 1 point • 27 December, 2018 03:35 PM

You don't even know her original natural state as even in the "before" pics she wears tons of fakeup.

[deleted] • 1 point • 27 December, 2018 06:21 PM

Definitely true, but at least she looks human in the before pic.

Rdrums31 • 16 points • 27 December, 2018 12:11 PM

She plainly got attacked by a swarm of bees.

She is a stunning and powerful victim.

[deleted] • 13 points • 27 December, 2018 12:39 PM

And brave. Don't forget brave.

Rdrums31 • 10 points • 27 December, 2018 12:48 PM

Oh yeah sorry.

gaia2008 • 3 points • 27 December, 2018 07:16 PM

So brave

Magnetar12358 • 10 points • 27 December, 2018 01:57 PM

It takes courage to have lips like her.

Teflon0819 • 5 points • 27 December, 2018 03:48 PM

Here I was thinking she made out with a cactus.

ManWithShittyWings • 13 points • 27 December, 2018 10:41 AM

I guess she wastes so much of the lipstick painting that facepussy everyfuckingday

Fantoche_Dreemurr • 11 points • 27 December, 2018 11:26 AM

Never understood it either. Fake tits are incredibly ugly and fake lips fucking ridiculous

CaviarDreams89 • 9 points • 27 December, 2018 10:02 AM

99% of women either look like this or at least strive to be something that resembles this in some way.

It's insanely disturbing that all women look alike nowadays. There is no differentiating factors that separate them from one another. They could be worlds apart geographically and still look identical physically as well as their mannerisms.

All of them have at least 8 or 9 fake body parts at any given time.

It's like they're robots.

cali8112 • 3 points • 27 December, 2018 05:35 PM

They are all Kardashian clones (or want to be)

carinja68 • 2 points • 27 December, 2018 03:04 PM

It's like they're NPCs

Fixed it for you

Friendlyfire8102 • 10 points • 27 December, 2018 12:24 PM

I'm curious, has anybody ever heard one of these things talk? I can't help but think they must sound like daffy duck.

[deleted] • 3 points • 27 December, 2018 04:51 PM

Things.. nice one

704sw • 3 points • 27 December, 2018 05:06 PM

I've heard her talk. She's from the Eastern Bloc so I'm not sure the translation but it sounded like "*gghagg gagh gaggh ghaaagh gaghg ggahg gaggh.*"

nuttyrunner • 7 points • 27 December, 2018 09:57 AM

i thought she was a doll for a second, it seems like dolls are becoming more realistic and women are becoming more doll like. At this rate dolls will look better than women lol

[deleted] • 3 points • 27 December, 2018 04:50 PM

And dolls and women offer the same thing, sex and nothing else.

[deleted] • 8 points • 27 December, 2018 12:36 PM

They're trying to become dolls, then complain when men choose actual dolls.

[deleted] • 5 points • 27 December, 2018 10:02 AM

Good for a decent doggy style pounding for one night but definitely wouldn't be attracted to her personality.

fasterfind • 5 points • 27 December, 2018 12:57 PM

Everything is creepy, fake, and off. Looks like a victim of too much plastic surgery. There's no hair on the eyebrows, just painted on. Gag reflex.

CIAC50 • 4 points • 27 December, 2018 12:58 PM

And yet this is what sex dolls look like.

William_A_Bishop • 1 point • 27 December, 2018 06:08 PM

Sex dolls look more human.

retallator • 3 points • 27 December, 2018 10:36 AM

Disgusting. I don't really know how can someone go on a date with a monster like that, let alone fu*k it.

ikhwan_arif • 3 points • 27 December, 2018 12:39 PM

just nasty

mattsmitty • 3 points • 27 December, 2018 02:41 PM

The saddest part is the fact that this "thing" got over 15k likes. How anyone finds this vomit inducing trash attractive I'll never know.

lonewolfsigma8917 • 2 points • 27 December, 2018 10:52 AM

She is a pornstar what do you expect. Even Lisa Ann, Julia Ann, Nina Hartley or even AVA ADDAMS (my personal favourite) is better looking than her.

krawm • 2 points • 27 December, 2018 12:33 PM

no your not, that is the opposite of attractive. there is nothing real about her at all and it shows.
hard pass.

RandomReeditUser • 2 points • 27 December, 2018 01:27 PM

Gross

TheSud007 • 2 points • 27 December, 2018 02:23 PM

Her - "hey my eyes are up here" Me - "What the hell is that on your mouth"

Do guys actually find this attractive?

zetsthamys • 2 points • 27 December, 2018 02:30 PM

THIS IS NOT EVEN HER FINAL FORM !!

awesomebudhha • 2 points • 27 December, 2018 02:45 PM

This is called dick sucking lips. There's an entire subreddit dedicated to this ☐

badaboomxx • 2 points • 27 December, 2018 02:52 PM

Just the lips? Fuck, if I wanted to fuck a silicon doll, I would already bought one, since it is way cheaper.

BadassGT-CS • 2 points • 27 December, 2018 05:54 PM

LMAO!! Quack quack!!

Virgil_32 • 1 point • 27 December, 2018 10:58 AM

Uruke • 1 point • 27 December, 2018 12:52 PM

TheObelisk • 1 point • 27 December, 2018 01:41 PM

KernelLingux • 1 point • 27 December, 2018 01:48 PM

Her face looks inflamed, I think she needs antibiotics.

Da_Stable_Genius • 1 point • 27 December, 2018 01:52 PM

Not the only one. It's terrible looking.

NeverNeverLandIsNow • 1 point • 27 December, 2018 02:08 PM

Yuck. Never understood this desire to plump up lips to look like a weird doll, so fricking creepy.

[deleted] • 1 point • 27 December, 2018 02:11 PM

Lips like rubber my nigga.

LuvMeTendieLuvMeTrue • 1 point • 27 December, 2018 02:17 PM

cfuse • 1 point • 27 December, 2018 02:20 PM

Looks like a monkey's ass.

zets thamys • 1 point • 27 December, 2018 02:28 PM

Omg, I would never kiss that. I would be afraid that it explodes all over my face.

grymmkvlt • 1 point • 27 December, 2018 02:34 PM

Looks like she got stung by a bee

nomanic • 1 point • 27 December, 2018 02:42 PM

That's a shame. I coulda used some of her foundation to fill in some nail holes on my wall.

Robin2Fast2Furious • 1 point • 27 December, 2018 02:45 PM

You have to realize the average man is simple and likes to fuck women.

Iperovic • 1 point • 27 December, 2018 02:48 PM

It's sad because she was hot before the adjustments, now she looks like a doll

[deleted] • 1 point • 27 December, 2018 02:48 PM

Shed probably be attractive if her lips weren't 10 times their normal size. Obviously she's insane.

pianister • 1 point • 27 December, 2018 02:52 PM

I believe she looked better without any surgeries. Right now it looks creepy.

geocitiesuser • 1 point • 27 December, 2018 03:26 PM

Those are dick sucking lips my friend. I think she's nasty, but I'd stick my dick in it.

MadDogMAGA • 1 point • 27 December, 2018 03:49 PM

Those lips feel incredible when receiving a blowjob. I had this Ukrainian woman give me one. Damn. They are weird to kiss though.

kinr51000 • 1 point • 27 December, 2018 03:51 PM

Sad part is that without the nose job and lip injections, she actually looks like she might have been hot.

Reversevagina • 1 point • 27 December, 2018 04:35 PM

I've heard that when you get cremated, all that plastic will mix with the ashes creating creepy black goo.

Abysmal0ne • 1 point • 27 December, 2018 05:03 PM

So long as she gives good head, I don't care. Get my nut and keep on going my way. Not everything has to be shared with people. Mwahahaha!

hapl_o • 1 point • 27 December, 2018 05:43 PM

"The better to blow you with."

You now owe me all the money in the world.

Hunter_MGTOW • 1 point • 27 December, 2018 05:50 PM

Little off the nose, a little off the eyes, a lot off the heart.

DnDTerror • 1 point • 27 December, 2018 05:52 PM

Isn't it cheaper to buy a sex doll than the lip surgery?

[deleted] • 1 point • 27 December, 2018 06:25 PM

Ugly AND stupid.

MadeInBeirut13 • 1 point • 27 December, 2018 06:28 PM

My brain has already been conditioned to see any woman with facial surgery as potentially a tranny. I live in SoCal so its not uncommon here

9_line07-15 • 1 point • 27 December, 2018 06:33 PM

Yes! My ex-wife and mother of my daughter went from looking beautiful, (5' 1", fit, we worked out daily with one another, just sexy as hell) to a damn train wreck. She got the Pringle lips, big 'ol titties that look unnatural for her petite body frame, and her hair is falling out from all the chemicals and extensions and whatever else she is doing to her hair. Whatever though, it's kind of laughable to watch this disaster unfold. My only grievance is that this is the female figure my daughter gets to look up to.

TryDoingSomethingNew • 1 point • 27 December, 2018 06:57 PM

I absolutely despise them. They look so much like porn stars or hookers, honestly.

TransgenderedMailbox • 1 point • 27 December, 2018 08:55 PM

[Looks at lower half]

[Looks at upper half]

Kornstar04 • 1 point • 27 December, 2018 09:02 PM

A few more years and like any trend girls follow, they will regret doing this. Next gen girls will grow up finding this disgusting and just be natural . . . maybe. . I don't care honestly. .

Kornstar04 • 1 point • 27 December, 2018 09:02 PM

Quickest way to make a modern women feel insecure is to say her eyebrows look funny.

enderagent890 • 1 point • 27 December, 2018 10:49 PM

Enough Botox to kill a horse

I looked up actually and you'd need 0.7,000,000th of a gram to do that. Fun fact of the day

sedstar • 1 point • 27 December, 2018 11:02 PM

silicone is for tub caulking, lol... i always did prefer my women "OEM"...

that_nast • 1 point • 27 December, 2018 11:26 PM

That bitches face is busted....no way to sugar coat it.

Browser2025 • 1 point • 28 December, 2018 12:05 AM

r/instagramreality quite an eye opening sub.

[deleted] • 1 point • 28 December, 2018 01:11 AM

That genuinely looks like one of those fake silicone dolls getting peddled as sex toys.

And I'd imagine most guys think this looks ridiculous, but as so many women are fond of saying... they do it for

themselves. I think it's just the other side of the coin that the rabid Feminists use of cutting their hair, getting fat, getting tats and piercings, etc. These girls mutilate themselves and are convinced they're even more beautiful for it.

hockeyguy013 • 1 point • 28 December, 2018 02:17 AM

Those eyes are dead as fuck. Those are windows to her soulless hell.

[deleted] • 1 point • 28 December, 2018 05:17 AM

her lips look like baboon lips!

[deleted] • 1 point • 28 December, 2018 05:33 AM

Those lips are chads cock holster

TheToastyAlmond • 1 point • 28 December, 2018 10:31 AM

No man, they truly are disgusting looking. It's funny how they try so hard to look attractive that they land themselves right in the uncanny valley

glitchyjoe64 • 0 points • 27 December, 2018 04:34 PM

The only chance she has is if this is someones fetish. Not saying fetishes are bad. But if your only chance at physical attraction is a fetish? Thats not a very reliable connection that a long lasting relationship needs.

Better have one heck of a personality once the wall hits.

that_nast • 1 point • 27 December, 2018 11:27 PM

Shes a pornstar...so doubtful she even has two brain cells to rub together.
