He literally called this, "What I'm talking about is advanced stuff, guys, apex level."

Years of being in a dead marriage – sexless, undesired, unappreciated – made me question myself.

Made me question my manliness. It made me question my worth.

I was emasculated.

UH huh. Apex.

Advanced stuff! apex level!

TheRiseAndFall • 3 points • 8 June, 2019 06:25 AM

Wait a second. Is he getting paid for this? How much? We are seeing the beginning of a move to a gig economy after all. If your gf won't fuck you, she can at least make you some money.

reaper555 • 2 points • 7 June, 2019 08:27 PM

How can anyone have any self respect in sending there girlfriend to fuck another guy. That guy is a complete bitch.

[deleted] • 2 points • 7 June, 2019 08:37 PM

Did he get paid?

Mr_M0t0m0 • 2 points • 7 June, 2019 09:09 PM

Dumbshit.

throwywayyyee • 1 point • 7 June, 2019 11:51 PM

It should end after the first sentence with the next one being: "it was the perfect way to get rid of her". We really are living in a clown world.
