Is he exclusively fishing for r/ notliketheothergirls?

Yup. When I still had an OLD profile I was inundated with much younger scrotes saying they had lost faith in women their age and were looking for a "mature" woman. Boy, if I wanted to raise something up, I would have had children. I'm just like younger women, even more demanding now, lol

Eh pass. He can continue to lose faith and lose out as much as he wants.

I hope no one proves him wrong and he just dies alone.

Imagine seriously trying to prove him wrong. "No babe you're right but I'll do my darndest to be subservient to bring back your faith". Eat a dick bro.

Ugh this is so irritating to read. I'm not going to waste my time trying prove anything to you.

Imagine if a woman had "lost faith in the male race, prove me wrong" I wonder what the reactions would be

CoffeeBeforeAdulthood • 1 point • 21 December, 2020 04:48 AM

Men would rush over to tell her how she needs to lower her standards because xyx. ☐

This would only make me want to swipe right (or whatever rejection is) and not waste my breathe. How entitled do you have to be to think women will feel the need to pRoVe yOu WrOnG?

A functional, but ornamental race
