Am I the only one who don't give a shit about abortion?

DangZagnut • 5 points • 28 May, 2019 12:12 PM

That's it? I assumed it would be more. Well it's almost caught up with socialism.

LiveTheTruth321 • 2 points • 28 May, 2019 01:33 PM

Ikr? The numbers seem way too low.

"Where are all the good men?"

"You ~~aborted~~ murdered them, bitch."

nohibro • 3 points • 28 May, 2019 11:10 AM

Hitler could only dream of such numbers.

Abortion bad haha right am I funny yet?

Now count how many unloved children live without their families because instead of being aborted, like they would be if whoever got pregnant was a decent human being, they were brought to life and left to rot in adoption center with no education, love, or anyone giving a single fuck.

For some reason you quickly forget every single infant right after they're born. I wonder why.

Besides, what does this have to do with MGTOW?

TL;DR your parents should have aborted you and you're aware of it so you're butthurt now, clearly.

You can say whatever you want, it hurt your feelings enough to make you post this.

Coming from someone who's butthurt about people aborting unwanted kids which is completely reasonable.

Smells like iron.

I don't need a safe space when making fun of religious nutjobs who get triggered over abortion.

Huh, I figured it was around 100 mil.
