

# Accidentally fucked my first cousin

August 31, 2017 | 57 upvotes | by [\[deleted\]](#)

To make a long story short haven't seen her in years she has a very common name so I just assumed she wasn't related. We we're at a buddies house party and I brought her back to mine only exchanging first names. She got my last name after sex then started freaking out and said do you know aunt x I was like yeah. And she's like we're fucking related what the fuck. I was kind of frazzled so I just said it's ok because people do this all the time in West Virginia. Called her a cab. She texted me today saying she's gonna be coming back to family gatherings as she was away for years. How do I not make thanks giving awkward trp?

Not making Thanksgiving awkward?

Don't wear a t-shirt that says "Cousin Elly is a Slut, I know, because I fucked her"

[deleted] • 156 points • 31 August, 2017 09:36 PM\*

Lol. There is no problem. Just pretend it didnt happen. I hope you wore a condom because otherwise it would be retarded.

Get it?

max\_peenor • 96 points • 31 August, 2017 09:57 PM

There ain't nothin wrong with cousin fuckin. It's the cousin breedin thats the problem.

D4rkr4in • 13 points • 1 September, 2017 03:54 AM

Just watch some game of thrones and all your cousin fucking will be normalized

htbf • 9 points • 31 August, 2017 10:56 PM

Even then. As long as it's not tradition, it's pretty much alright. This is a Christian thing, not a science thing.

jackandjill22 • 2 points • 1 September, 2017 01:08 PM

!?!?!?!?

max\_peenor • 3 points • 1 September, 2017 01:39 PM

Odd question coming from someone named "jackandjill"

See my other reply.

jackandjill22 • 2 points • 1 September, 2017 01:43 PM

Ah, I see. Fantastic sense of humor. Also, for the record mine is deadpan ironic. So, perhaps that would explain the username a-little.

max\_peenor • 2 points • 1 September, 2017 02:16 PM

What amazes me is no one has ever asked me about it.

It was a troll. The truth is I used to be a big time poster around here in the early days. I had another user with karma that dwarfs this one. However, as with all places internet, I got tired of all the retards that started flowing into the subs, acting offended and bitchy about anything and everything. So I started coming here less and less.

One day an old friend wanted to fuck with another friend, so I regged this account. It was a play on Bigus Dickus. <https://www.youtube.com/watch?v=zPGb4STRfKw>. It was topical to the intended troll. As I was working the troll, I saw a post on a sub throwing a tantrum about this place. So I came here to read and we all know what that does to some people...

My old friends around here would be absolutely fucking mortified if they knew I was an EC on TRP. Fuck em. heh

jackandjill22 • 1 point • 1 September, 2017 02:27 PM

Wow, that's interesting. Yea, forums often go through a transformational period before they reach their final version/incarnation. I can see why you took a break.

[deleted] • 6 points • 1 September, 2017 08:35 AM

it would be retarded.

Take my upvote.

[deleted] • 3 points • 1 September, 2017 08:39 AM

Username checks out

Fryguy48 • 1 point • 1 September, 2017 01:06 PM

I'm not encouraging cousin breeding, but it probably wouldn't be retarded. They are far enough away in relations that it would be okay. If they were siblings than the chances are higher, but even then it usually takes a couple generations of inbreeding.

[deleted] • 2 points • 1 September, 2017 01:20 PM

It was a jook, man

Fryguy48 • 1 point • 1 September, 2017 04:36 PM

Oh... that went right over my head.

RedSkeller • 65 points • 1 September, 2017 02:27 AM

Sounds like you'll always have a plate ready for you at Thanksgiving

Redpillwhiterabbit • 8 points • 1 September, 2017 05:49 PM

Not soon enough

VasilyZaitzev • 30 points • 31 August, 2017 09:42 PM

Well, it's high time you learned to play the banjo, son.

She texted me today saying she's gonna be coming back to family gatherings as she was away for years.  
How do I not make thanks giving awkward trp?

What's done is done. Just mutually-agree that nothing ever happened, and to both STFU about it.

[deleted] • 3 points • 31 August, 2017 11:54 PM

I laughed

vandaalen • 44 points • 31 August, 2017 09:22 PM

Where's the problem?

[deleted] • 2 points • 31 August, 2017 09:46 PM

There's no such thing as "awkward" unless other people know about your stuff.

[deleted] • 2 points • 31 August, 2017 09:32 PM

All future family gatherings how to not make this awkward?

vandaalen • 87 points • 31 August, 2017 09:43 PM

Why would it be awkward? What could happen? Will she undress in front of the family? will she ask you if you want to fuck her again at the diner table?

There is no fucking problem. You fucked a girl and you might meet her again. end of story. It only becomes awkward if you make it awkward.

"Hi. How are you?"

What's awkward about that?

dr\_warlock • 47 points • 31 August, 2017 09:49 PM

</end thread>

somebullshitp • 17 points • 31 August, 2017 10:58 PM

I can't even tell you the number of times my family members have stripped down and propositioned me for sex at the dinner table.

vandaalen • 13 points • 31 August, 2017 10:59 PM

Pics or it didn't happen.

[deleted] • 2 points • 1 September, 2017 12:10 AM

Easy. It never happened.

InscrutablePUA • 17 points • 31 August, 2017 10:24 PM

lmao unbelievable post

Zanford • 8 points • 1 September, 2017 12:51 AM\*

You shouldn't thought faster. "Oh, it's cool, I was adopted" or "jk your aunt so-and-so was a friend of my father's they always thought it was funny they had the same last names".

If she bothered to text you, it means she might be up for round 2 if you play your cards right. If she was truly disgusted or creeped out she would not have taken initiative to text.

You can guaran-fucking-tee she won't be telling anyone about this or future encounters, so there's no awkwardness if you play it cool, and her guaranteed silence makes her perfect as a plate or side piece, especially if you get into a LTR with someone else and want a discrete side piece who won't push for an LTR of her own.

If you actually see her at any family gatherings (which you may not, she made that crap up on the fly), obv play it cool like it never happened and act like you barely know her.

Westernhagen • 7 points • 31 August, 2017 11:53 PM

She texted me today saying she's gonna be coming back to family gatherings as she was away for years.

Your response:

"Netflix and chill later?"

vajav • 11 points • 31 August, 2017 11:52 PM

go anal from now on, to play it safe

SoloAlbum • 16 points • 31 August, 2017 09:40 PM

Same TRP practice applies, play it off like you don't care, then plate her when she inevitably wants to do it again.

SW9876 • 1 points • 31 August, 2017 09:45 PM [recovered]

Wow you must be really desperate if you'd be willing to plate your 1st cousin. You need an abundance mentality /u/soloalbum

TrenGod37 • 25 points • 31 August, 2017 09:48 PM

Lack of abundance or savagery!?!

Who are we to judge?

Shukakun • 1 point • 31 August, 2017 10:29 PM

Wow you must be really starving if you'd be willing to eat locally grown apples. Everyone knows you should only eat imported apples. Gross.

Or, you know, female cousins are just girls. Like /u/max\_peenor said, as long as you aren't breeding, it isn't a problem. Now, if you've grown up with her and have a sibling-like relationship, that's another story. But a lot of the time people barely know their cousins. So by all means, sleep with them. Why the hell not?

dgillz • 3 points • 1 September, 2017 12:40 AM

It doesn't even matter if you breed. 1st cousin marriage is legal in 30 state IIRC, including places like NY, CA, CO, etc. It isn't just red-necked states. There is close to zero additional chance of having genetic issues from 1st cousins breeding.

max\_peenor • 2 points • 1 September, 2017 02:49 AM

Well, to be honest I was joking, using the redneck vernacular and all.

Nevertheless, I had a year long affair with a second cousin once removed. That would be legal in any state.

I got very drunk one night with a closer cousin and the only thing that kept that deal from closing was the sheer level of our intoxication. She passed out and I started projective puking all over a blow up doll.

Now while I completely told the truth, the actual story is a lot less cool. This is why I never clarify.

Oh and my sister? Ewwwwwwww! No way.

[deleted] • 1 point • 1 September, 2017 05:51 AM

Why the hell do it though. There's literally no point, there are plenty of girls out there to not fuck your own cousin. There's a shitton of complications that can arise if things go sour between you and your cousin, it's just not worth.

SW9876 • 1 points • 31 August, 2017 10:32 PM **[recovered]**

Why the hell not?

Because she's your cousin.

Shukakun • 5 points • 31 August, 2017 10:36 PM

Wow, now that right there sure changed my mind. Are you gonna make retarded kids? No? Are you close enough that your feelings about each other are sibling-like/platonic? No? Then it's literally just a girl. I personally have about 60-65 cousins, 10-15 who I've never even met. How are they any different from strangers if I don't plan to impregnate them, exactly?

ReaperOfSouls\_ • 4 points • 31 August, 2017 09:30 PM

Imao

Arabian\_Wolf • 4 points • 1 September, 2017 07:50 AM

In arabia cousins get married and have children.

It's ok man she's not your sister.

[deleted] • 5 points • 1 September, 2017 12:43 PM

Are you using Arabia as a benchmark for anything that makes sense ?

Arabian\_Wolf • 2 points • 1 September, 2017 12:58 PM

Hahaha.

Well you guys can only dream of marriage rules and regulations here, including marrying that cousin who was probably your first oneitis.

my\_sfw\_alias • 2 points • 1 September, 2017 05:58 PM

And you can just get the village to murder her when you're all finished

[deleted] • 3 points • 31 August, 2017 11:30 PM

You knew nothing.

dontgiveupcarib • 2 points • 31 August, 2017 11:22 PM

Relax it was an accident, first cousin marriages happened in all societies for millennia. Just brush it off and keep

it as a funny story to tell your close friends when you're fishing.

Peter\_B\_Long • 2 points • 31 August, 2017 11:38 PM

Just lead the vibe of the night so that it's not awkward. You're the leader. If you have an awkward vibe, then she will have an awkward vibe. Be chill, be understanding, and like you said, in your state it's normal to fuck your cousin. If it helps, bring another girl to your family dinner so you have someone else to focus on (preferably not another cousin)

LordThunderbolt • 2 points • 31 August, 2017 11:55 PM

Plate her

mbillion • 2 points • 1 September, 2017 12:55 AM

act like it didnt happen just like she is going to

WhorehouseVet • 2 points • 1 September, 2017 05:25 AM

What, no one made a joke that OP should break both his arms? I'm shocked!

Toasters77 • 2 points • 1 September, 2017 11:09 AM

Ask her if she's up for round 2

FuckMichaelMcCoy • 2 points • 31 August, 2017 11:38 PM

Sounds like she wants it again. She mentioned she wants to come back to more reunions.

This shit really turns her on more than Chad since its so taboo. Even if its shitty sex the idea of it makes her very wet.

[deleted] • 1 point • 31 August, 2017 09:37 PM

It happened. Nothing you can do to reverse it. While humans have an evolutionary mental barrier for incest yours was totally by accident. Remove it from your mind and just go on as whatever. Don't be awkward around her. You being stoic about the whole thing will put her at ease during family gatherings. Just don't get too sloppy drunk and tell people

JSizzl3 • 1 point • 31 August, 2017 10:39 PM

Yeah r/TIFU is that way...

gaki123 • 1 point • 31 August, 2017 10:59 PM

"West Virginia" LOL!

Zack9764 • 1 point • 31 August, 2017 11:04 PM

LOL do you live in WV, is that why you said that. Anyway its only awkward if you make it awkward.. Move on and forget about it. You probably wont, but try at least and pretend it never happened and just talk to her and approach her as if it never happened.

[deleted] • 1 point • 31 August, 2017 11:06 PM

No on the border of wv and Maryland panhandle in rural pa. So only semi excuseable

Bear-With-Bit • 1 point • 31 August, 2017 11:42 PM

If this is shit post... Hahahaha

zayelion • 1 point • 1 September, 2017 01:46 AM

<https://www.youtube.com/watch?v=CILzZG7Go4w>

Act like it never happened, if she talks about it play dumb. Sometimes,... even sexual strategy has limits, and retarded babies are a no go.

TheStumblingWolf • 1 point • 1 September, 2017 06:08 AM

Never have I seen "don't shit where you eat" go so wrong lol

EXjayW • 1 point • 1 September, 2017 12:06 PM

Not real. The WV comment gave it away.

satanicpriest13 • 1 point • 1 September, 2017 12:33 PM

accidentally

Rian\_Stone • 1 point • 1 September, 2017 12:39 PM

This isn't 4chan

SovereignSoul76 • 1 point • 1 September, 2017 01:07 PM

If you really want to be alpha, you have to acknowledge that you'll prob accidentally bang at least like 4 cousins along the way. Gotta pay the cost to be the boss.

failberry • 1 point • 1 September, 2017 01:42 PM

Congratulations!

[deleted] • 1 point • 1 September, 2017 06:23 PM

Who cares? Fuck her again if you're both down. Nobody gives a shit.

If not, just pretend it didn't happen. No big deal either way.

Dreamlancer • 1 point • 3 September, 2017 04:34 AM

I don't see the problem. In fact, she text you back about her coming to family gatherings again. You don't need to bring it up at all frankly. However the fact that she brought it up to you is really just one of the two: Either she is still interested, or she just doesn't want things to be awkward for future gatherings.

Either way as long as you aren't still actively trying to get into her pants without thoroughly assessing which way the wind is blowing, it shouldn't be an issue at all.

PantsonFire1234 • 1 point • 7 September, 2017 01:00 AM

HAHAHAHHAAAAHAHAHAHAHAHAHA

[deleted] • 1 point • 31 August, 2017 09:57 PM

try not to get hard while looking at her in front of Auntie Mae

then fuck her later. what ever.

normalize what ever you want.

sesasees • 1 point • 1 September, 2017 03:30 AM

So actually in the Arab world, I know a lot of married couples who are also first cousins. I know it's freaky but it is what it is. This is hilarious (to me) but not as weird as you'd think it is

soskrood • 4 points • 1 September, 2017 01:26 PM

It is called inbreeding. All fun and games until your kids come out retarded or with birth defects.

There is a reason "Arab" is not associated with "prosperous well run society".

sesasees • 1 point • 1 September, 2017 02:13 PM

Someone else mentioned that this is normal in Southern Europe. I know this isn't the best thing for the kids but I've seen the kids of these cousins - they're fine. It's only a problem after several generations.

They just don't have the stigma of first cousins being considered inbred. This also applies to Iran and so on beyond the Arab world.
