I cannot think or comprehend of anything more cucked than having a daughter. Honestly, think about it rationally. You are feeding, clothing, raising and rearing a girl for at least 18 years solely so she can go and get ravaged by another man. All the hard work you put into your beautiful little girl - reading her stories at bedtime, making her go to sports practice, making sure she had a healthy diet, educating her, playing with her. All of it has one simple result: her body is more enjoyable for the men that will eventually fuck her in every hole.

Raised the perfect girl? Great. Who benefits? If you're lucky, a random man who had nothing to do with the way she grew up, who marries her. He gets to fuck her tight pussy every night. He gets the benefits of her kind and sweet personality that came from the way you raised her.

As a man who has a daughter, you are LITERALLY dedicating at least 20 years of your life simply to raise a girl for another man to enjoy. It is the ULTIMATE AND FINAL cuck. Think about it logically
