So women want to be degraded and used sexually. But only by Chad

[deleted] • 32 points • 1 November, 2017 11:17 PM

Remember Disney? Cinderella, Sleeping Beauty? Classical Romance? Yeh well men invented that too.

Women are literally baboons stuck in the paleolithic period.

[deleted] • 8 points • 2 November, 2017 02:26 AM

That's kinda insulting to the baboons, ya know.

kancolle_nigga • -1 points • 2 November, 2017 10:20 AM

Yeh well men invented that too.

But why we did it? Honest question. I'm curious.

[deleted] • 3 points • 2 November, 2017 02:41 PM

Make money selling a 'harmless' bullshit lie.

geocitiesuser • 23 points • 1 November, 2017 06:14 PM

Bingo.

mittrinilli • 11 points • 2 November, 2017 01:32 AM

If he's not chad it's automatically rape

[deleted] • 0 points • 2 November, 2017 10:23 PM

Get Chad off your mind.

If I posted this on my Facebook page the amount of bitter single mothers on there or post wall bitter land whales will see this data as an attack on women. "Woman hating." lol. Instead of understanding the data they'll attack the messenger in an attempt to silence him.

Props to porn hub for giving zero fucks and posting this. I'm sick of authors worrying about the backlash they may get from posting findings like this.

I heard that radio lab took down a podcast they did about shay LaBeouf and 4chan, because so many people complained that 4chan was "evil" lol

Thanks.

Atrand • 14 points • 1 November, 2017 07:52 PM

Bitter single mothers are some of the biggest slut whore pieces of dirtbag shit in the world. They are the type of people you can ask "open your legs" and they'll ask "how wide?"

Cantahente • 2 points • 3 November, 2017 02:24 AM

Only after they figure how much in resources and utilities they can get out of you will they then open their legs.

Land cum dumpster whales, lol

BuffaloForeskin • 2 points • 2 November, 2017 04:06 AM

porn is one of the last industries where honesty with gender and racial bias is not just tolerated but encouraged.

Cantahente • 2 points • 3 November, 2017 02:27 AM

Yep. Choosing your porn is like being at Baskin Robbins choosing a flavor. I wonder if sjws will ever attempt to infiltrate the porn scene to call it racist lol

TotalWarisHere • 31 points • 1 November, 2017 04:17 PM

GOLD. Straight for horse mouth, romantic sex is lowest rated while gangbang is on the top haha. Any more questions ?

Rhodesius • 4 points • 2 November, 2017 12:45 AM

The fuck? I thought they made that sensual, intimate shit *for* women. Blue pill indoctrination goes deep.

[deleted] • 30 points • 1 November, 2017 04:21 PM

But but females are *always* good, they can't be depraved/degenerated, only males can! Those stats are wrong because they hurt females' feelings!

/S

Got repeat: stay away from women.

thetinyTMster • 19 points • 1 November, 2017 06:03 PM

Women can get laid literally any second of any day. WHY do they watch porn

Confirmed, my ex used to love watching loli-rape hentai and gangbang porn. Broke up with her before that shit became a reality

exigesDB • 12 points • 1 November, 2017 06:27 PM

Actually if you look at their preferences - it's anything but white hetero sex

[deleted] • 3 points • 2 November, 2017 12:40 PM

How many RPMs is it?

Atrand • 2 points • 2 November, 2017 12:41 PM

I saw one once it was like a jack rabbit! You could barely see it moving it was going so fast. She was a trooper! She took that bot like a woman!

rebuildingMyself • 3 points • 2 November, 2017 04:11 AM

I got tired of big hairy asses blocking my view of the girl years ago.

Went to lesbian porn a long time ago because of this kind of shit. Here's some more pet peeves:

The dangly balls shot (shooting from behind the guy as he pounds her. All you see is male asshole, dick, balls, and just a bit of a cunt that's being penetrated)

Closeups of the guy's face

Itisforsexy • 2 points • 1 November, 2017 08:12 PM

I don't play around. I say from the first message that I'm a Dom. skips the bullshit courting nonsense. Only works if you're very attractive though. It's true, women want to be degraded and powerless, **but only for low level chads and above**. Maybe a high-tier normie at most if you exude confidence.

As a American black man, I have to disagree with you. American white women hate beta men regardless of race; they love alpha men regardless of race. They'd prefer a white alpha if they can get one (most of course can't), and they'll settle for a non-white alpha (and they can't get those either, except for when they're being pumped and dumped).

I do agree with you that the typical Asian American woman hates Asian men and loves whites, though. Asian women have white fever so bad that it's ridiculous.

consios88 • 3 points • 1 November, 2017 08:06 PM

Women are about getting the best genetic material for their children. Thats the biggest reason Asian Women like White men because white genes are good for success in America. Its nothing personal against asain men. Thats the same reason why white women might have one night stands or be sex tourist to get some exotic dick in secret. But when it comes to passing on genes they are aiming for White men.

Rhodesius • 3 points • 2 November, 2017 01:10 AM

Eh... You're not wrong but... I think it's more of a class thing. Being white is a sign of status since there's more whites in the upper/middle class and women follow the money. Whites have a good balance between physical desirability and resource acquisition.

T0000009 • 16 points • 1 November, 2017 09:53 PM

When you have 20+ years of anti-white propaganda across every type of media, with education full of female anti-white teachers that glorify a race that has never contributed anything because they are predisposed to side with the "other" tribe for survival reasons and a never ending drumbeat of victimhood at the hands of white men what else would you expect?

I wonder if they aren't lumping some gay men, or even straight men, in with women, why do things like Lesbian, Gay (men), Solo man, etc. so often occur near or at the top? Does anyone know the methodology used? Yes, I know it could also be explain by lesbians watching, and straight women, but Gay (men)?

CaptainGloom • 1 point • 1 November, 2017 08:50 PM

It's the stats of female users...I don't think any gay men would write that they are women...plus women watch gay porn for the same reason men watch lesbian porn.

DereIzNoPoint • 0 points • 1 November, 2017 09:07 PM

So self-reported?

lostapwbm • 2 points • 2 November, 2017 06:10 AM

Any woman you've ever been with is nastier, sluttier, freakier, kinkier than you can imagine.

But she is only that way for certain men.

Put it this way: Any woman who either will not suck your dick or will suck your dick with great reluctance is not sexually attracted to you.

micestorff- • 2 points • 2 November, 2017 06:54 AM

wtf its "hardcore" porn nowadays ?

[deleted] • 1 point • 2 November, 2017 06:55 AM
