This happens all the time.

or at least posted multiple times... the same match from 2016.

What biology-denying feminist hamster explanation can you dream up for this fact?

I'll start. Patriarchy conditions women to believe they can't win in physical sports. This has negative impact in women's team performance.

gods_bones • 22 points • 30 October, 2017 06:30 AM

Banning steroids is a rule the Patriarchy came up with to oppress women because they are afraid of seeing what potential women can accomplish with drugs to assist them. The government needs to send men to prison and give women free money when they are found cheating at sports in the name of Equality.

Male rules!

[deleted] • 47 points • 30 October, 2017 08:04 AM

There's a reason why no one cares about women's sports.

[deleted] • 17 points • 30 October, 2017 08:31 AM

Lingerie football is good :D

[deleted] • 11 points • 30 October, 2017 08:48 AM

I *will* watch that, no shame.

[deleted] • 5 points • 30 October, 2017 11:00 AM

Unfortunately, you get people who will watch sports because the women are playing (and not to check them out), which is sexist. I watch sport for the standard and the spectacle - I can understand people following their local side, but why would you want to watch women play at an "elite" level when there are millions of men out there playing at a much higher standard?

Gymnastics is okay.

Don't worry transgender women will take over women's sport. It will make women sport great again

Yashugan00 • 23 points • 30 October, 2017 08:21 AM

This. Transgender women will win every women's sport . Medals and records will be absolutely obliterated.

That too will end up being men's fault and an example of how we men oppress women. Don't expect logic guys. Bend over and take it both ways: conclusion: men are always to blame.

[deleted] • 3 points • 30 October, 2017 05:36 PM

Actually at some point after the trans people start winning A them competitions against men, they will start trying to obscure their original gender and claiming that 'See! women are just as strong as men!'

Why are transgender women better than regular women at sports? Because they're men ...

boogalooshrimp1103 • 5 points • 30 October, 2017 11:50 AM

Oh god a transwoman ufc fighter lmao

[deleted] • 5 points • 30 October, 2017 04:00 PM

Its real. Fallon Fox. - Transgender mixed martial arts (MMA) fighter Fallon Fox is the target of criticism after brutally injuring an opponent. Fox defeated Tamikka Brents just two minutes into the first round of the match. Brents suffered a damaged orbital bone, which required seven staples, and a concussion. Brents summed it up: "I've never felt so overpowered ever in my life."

I remember that and joe rogan saying he didnt agree with him/her fighting with the women. I say let the bitch fight and grease through an entire weight class

[deleted] • 4 points • 30 October, 2017 04:04 PM*

Holy shit! Check out this bitch called Gabby Garcia!

She makes Wanderlei Silva look tiny by comparison. Is she trans?

givecake • 26 points • 30 October, 2017 09:28 AM

Women wanting equal pay for playing football is like men wanting equal pay at being cam-girls.

And not a discernible pic of any of the boys.

MaestroLogical • 9 points • 30 October, 2017 09:01 AM

Won't stop them from twisting the narrative to suit their needs. Just look at the new film coming out about the tennis match in the 70's. So twisted it can't even claim to be 'based on' even!

[deleted] • 2 points • 30 October, 2017 11:01 AM

The tennis match in the 70s?

MaestroLogical • 4 points • 30 October, 2017 11:06 AM

The movie is called Battle of the Sexes for reference.

[deleted] • 4 points • 30 October, 2017 07:08 PM

Just looked it up on iMDb and the (good and bad) reviews read like two hours of pure propaganda.

Mick_Donalds • 5 points • 30 October, 2017 12:56 PM

This story was **BURIED** to make sure it wasn't popularized in the US....

fruguy • 5 points • 30 October, 2017 11:55 AM

Aren't they one of the better teams too? They thrashed Brazil recently.

[deleted] • 3 points • 30 October, 2017 12:11 PM

7-0 LMFAO

throwaway152038 • 3 points • 30 October, 2017 12:56 PM

I would stop with gender division in sports. Let them taste equality.

DenyHerYourEssence • 3 points • 30 October, 2017 05:55 PM

While this isn't news or surprising, it is fascinating to see how much women hate stories like these. Simple physiology shows you that on average men are faster and stronger than women, but women hate the way that fact makes them feel. They'll say things like, "that's not necessarily true", and then you can just ask why every sport is separated by gender.
