Tat on left arm? Check! Cocaine and alcohol in system? Check! Cuckolding the BF with Chad? Check!
Well, if it quacks like a thot...

The Coroner said: "I accept at the time she may have been under the influence of cocaine and some of the effects of that may have changed her behavior and may have changed her state of mind."

Someone explain to me how this is the boyfriend's fault that his coked up cheating girlfriend killed herself.
