He's not wrong.

Also, the number one cause of divorce: marriage.

TheShadowbannedTruth • 4 points • 21 December, 2019 11:12 PM

Dysgenics. The people least equipped to raise children are the ones having the most of them. In our lifetimes, we may even see entire countries where half the children are raised by single moms.

One up

HryanH • 2 points • 21 December, 2019 10:16 PM

Divorce is also a leading cause.
