Would you date yourself? ☐

No, I deserve better

And there you have hypergamy in a nutshell.

Women fuck, date and marry **up**, men fuck, date and marry **down**.

By definition, hypergamy seeks out that which is **better than her self**. Thus, obviously she wouldn't date herself.

Whether this particular thot was joking, serious or half joking and half serious - is wholly irrelevant because this mindset perfectly encapsulates hypergamy in a nutshell.

Pretty clearly just a joke, and a kinda funny one at that

Greenmoney2020 • 27 points • 26 April, 2020 05:13 PM

Gotta give credit where credit is due, made me chuckle

goodmansaysfuckyou • 9 points • 26 April, 2020 03:58 PM

Yeah but TRUTH IN HUMOR...

Sunstone1025 • 5 points • 27 April, 2020 06:40 AM

Reminded me of Groucho Marx "I refuse to join any club that would have me as a member."

I would bet my left nut she swipes left on 99.9% of dudes because she thinks she deserves the Abercrombie model she and all other thots were promised at an early age.

Got us a case of the pot calling the kettle black. Imagine trying to shame a guy for watching porn.
"Billion-dollar industry—just me, right?"

Yea, I thought I was on /r/me_irl for a second

DangZagnut • 51 points • 26 April, 2020 01:13 PM

I'd never date me, I have an aversion to incredibly hot sexy men, cuz straight and cis and all that.

DZ likes the ladies.

mimiczx • 21 points • 26 April, 2020 04:00 PM

Did you just assume your gender?

DangZagnut • 9 points • 26 April, 2020 04:06 PM

Doctor confirmed I was Gender #72 and assigned at birth.

loneliness-inc • 5 points • 26 April, 2020 05:07 PM

If you're gender #46 today and gender #34 tomorrow, you can date yourself and not be gay!

If this sounds like a mindfuck, wait until you actually try to fuck yourself. Talk about twisting yourself into a pretzel.....!

goodmansaysfuckyou • 3 points • 27 April, 2020 02:50 AM

If you're gender #46 today and gender #34 tomorrow

Would you then be gender #80? Are the genders cumulative or is there some complex rocket surgery algorithm required to determine your new gender identity?

loneliness-inc • 2 points • 27 April, 2020 03:54 AM

Would you then be gender #80?

Duh! Obviously **not**!

Math is a tool of the patriarchy!

Logic is a tool of the patriarchy!

Consistency is a tool of the patriarchy!

Therefore, 46+34 can add up to an infinite number of possibilities. The only thing it can't add up to is 80. #smashthepatriarchy!

Aight, my bad.

Nobodyinc1 • 3 points • 26 April, 2020 09:13 PM

I mean I am bi and wouldn't date myself XD I don't match my own looks preferences

alexdiezg • 41 points • 26 April, 2020 02:00 PM

Does it really belong here? I've seen this as a suitable joke in r slash suicidebywords

goodmansaysfuckyou[M] • 13 points • 26 April, 2020 04:03 PM

Weekend content is more lax than regular content. This wouldn't be allowed during the week but since it is a humorous showing of the way women think and their expectations of the dating/marriage/relationship market (and really everything in their lives) then yes it does belong.

alexdiezg • 3 points • 26 April, 2020 04:29 PM

Ok thank you for the heads-up.

RedditAccount628 • 1 point • 27 April, 2020 03:55 PM

Are we not gonna address that he wrote out the word slash instead of just putting /?

goodmansaysfuckyou • 0 points • 27 April, 2020 04:27 PM

Nope. He was just following Rule #7. If he used the / instead of writing 'slash' then it would have loaded as a link to that subreddit.

RedditAccount628 • 1 point • 27 April, 2020 04:34 PM

Yeah it wasn't a joke at all

loneliness-inc[M] • 1 point • 26 April, 2020 04:37 PM

Yes. See the stickied, comment ☐ ☐

Any girl that dates me obviously has no respect for herself

Some people love to be defiled and degraded.

yellomachine • 2 points • 26 April, 2020 09:34 PM

Some *truly effed up* people love to be defiled and degraded.

3889-1274 • 8 points • 26 April, 2020 04:48 PM

This seems more like a self burn than anything.

[deleted] • 5 points • 26 April, 2020 02:23 PM

That's a funny one. But quite realistic at evocating hypergamy.

TitySuker • 5 points • 26 April, 2020 01:53 PM

Hypergamy in a nutshell ☐

CleofisRandal • 4 points • 26 April, 2020 07:23 PM

Unpopular opinion: this is actually funny. Self-aware at worst.

[deleted] • 3 points • 26 April, 2020 02:57 PM

No, I'd never date myself I'm not gay.

NickTesla2018 • 3 points • 26 April, 2020 03:48 PM

That sums up today's women perfectly.

will85319 • 3 points • 26 April, 2020 06:39 PM

She deserves someone worse, lets be real.

evergreen35 • 1 point • 26 April, 2020 04:59 PM

The hamster brain will never be happy or satisfied. Don't even try to appease it. Better to stand back and laugh at it. Realize that Women don't really love Men. They are too self-centered for genuine Love (especially long-term). Women love status, security, money, and "tingles"... not YOU.

Sleep with women: Yes

Fall in Love with them: NOPE... You will only get burned when you love someone incapable of Love.

Imagine having no sense of humor. So much so, that you're unable to laugh at what you perceive to be a joke on an **amusement** sub.

oh_no_alien • 1 point • 29 April, 2020 04:00 AM

is it the weekend?
