rosetylr:

If a guy ever insists that you two have sex without a condom just smile *really* big and get teary eyed and emotional and start talking about how excited you are that he wants to have a baby with you and when he tries to interject and say that's not what he meant, just talk loudly over him about possible baby names.

I mentioned to a guy who was trying to have raw sex with me that I do not believe in abortions. He did not want raw sex with me anymore after that.

mintpuffyfluffs • 208 points • 5 January, 2020 10:41 AM

What a jerk! He'd rather you have to have an abortion and possibly emotional trauma so that he can feel more pleasure for 15 seconds!

ldnsurvival • 84 points • 5 January, 2020 11:08 PM

15 seconds is optimistic ☐

Nicolo\_Ultra • 144 points • 5 January, 2020 03:00 AM

Never fails! I'm 100% pro choice but would never tell a casual partner that.

soaring\_potato • 40 points • 5 January, 2020 01:24 PM

"I am 100% pro choice, for others. Myself, i could NEVER do such a thing, other people can do horrible stuff if they want, but I won't, i want a child."

(If i ever got pregnant. I would probably abort it. Reason i have an implant. They'll never even see bc pills from me! ☐)

HolyCatatoe • 39 points • 5 January, 2020 01:35 PM

Another brilliant response to a request for unprotected sex.

throwawayz187y • 205 points • 5 January, 2020 03:05 AM

Even though I'm pro-choice and I'm sterile now so it's physically impossible for me to have kids, I will tell every guy who ever suggests unprotected sex that I will 100% keep the baby.

toxicshocktaco • 9 points • 18 June, 2020 12:34 AM

Girl, I had a hysterectomy and I still tell guys that ☐

Sewud • 54 points • 5 January, 2020 05:20 PM

My ex made a huge scene about how boohoo condoms feel no good boohoo condoms make him want to quit boohoo he's jealous of his own finger boohoo how can I be so mean boohoo I'm oppressing him with condoms!

I wish I had responded: "oh honey why didn't you tell me sooner? we don't have to have sex! we will just cuddle now and keep our clothes on! no worries!".

Also should have told his mom when I saw her.

Also my first LVM boyfriend used old condoms that broke on purpose so that he could force me to go on the pill. Both of these guys didn't give a shit and yet I made so many efforts to be kind to them. I was so dumb.

Cupcake\_Trap • 197 points • 5 January, 2020 02:53 AM

Honestly way safer than insisting a no in the situation.

quasarbar • 66 points • 5 January, 2020 05:52 AM

Sadly true.

[deleted] • 15 points • 5 January, 2020 07:53 PM

Yeah it because they know that women can prove the baby is theirs, but they also know that rape is much more difficult to prove, and that no ones believes women, so yeah..

thatdinosaurgal • 101 points • 5 January, 2020 11:31 AM

Another good one (which I have used): I can offer condoms or abstinence as birth control. The condoms are in the bedside drawer and the abstinence is out on the front lawn.

Fitncurly • 13 points • 5 January, 2020 04:42 PM

I love this one! ☐

[deleted] • 331 points • 5 January, 2020 12:54 AM

Genius idea

Dudes hate natural consequences.

[deleted] • 92 points • 5 January, 2020 09:18 AM

I'm not sure this works so well in your 30's, since men suddenly get the "omg I need an incubator for my sperm ASAP"-idea in their head then.

meeeyl66 • 99 points • 5 January, 2020 08:06 AM

What if he really wants a baby and he gets turned on by you going on about it? Serious question

sveltminx • 53 points • 5 January, 2020 11:33 AM

The last guy I dated was like this... even told me he wanted to get me pregnant ☐

Electronic-Cheek • 12 points • 9 January, 2020 11:03 PM

Yeah my creepy ex told people he "shot blanks" even though I don't think he's been to the doctor ... He also said 'there's a guy on my credit report with the same name who doesn't pay his child support'. He was narcissist so who knows if lies but a baby is a means of control for some men He even put on his casual sex websites (like match but for hookups) that he "shot blanks"and he's only 25... Lmao

StrawberryMoon3 • 129 points • 5 January, 2020 09:21 AM

Start talking about getting married, financial planning for couples, baby proofing the new house that HE will buy, meeting his folks and bringing the baby and so on. I don't think he'll stick around after that.

BlueBlackRedP • 44 points • 5 January, 2020 08:54 AM

True, impregnation fetish is a thing.

Scotsburd • 38 points • 5 January, 2020 09:18 AM

Ask him when the wedding is.

WildBansheeMoron • 15 points • 5 January, 2020 11:56 AM

The guys I find all want my baby

sparkles\_goldentail[S] • 28 points • 5 January, 2020 09:13 AM

*takes notes vigorously*

ShitFaced\_Dumbledore • 10 points • 6 January, 2020 05:54 AM\*

LOL, I straight up said this to a guy, minus the baby names part, during my tinder hookup days since he didn't have any condoms on him and it actually worked.

AgentSalamander • 3 points • 1 February, 2020 03:36 AM

Good on you! I should try this next time my bf asks

[deleted] • 52 points • 5 January, 2020 01:01 AM

Love this.

Discochickens • 36 points • 5 January, 2020 01:37 AM
