

Co-worker accused me of staring at her ass (lifeguarding) Why are they like this?

December 8, 2018 | 111 upvotes | by [Joeatomic](#)

I had a morning shift today and the co-worker was doing a private swimming lesson with a kid. I was guarding and looking at everyone in the water (scanning) to make sure no one is drowning. Everything is good. My shift ends and I swim for 30 minutes in the lap lanes. Once I get out, my co-worker is on the life guard stand (working her shift) and tells me to come over to her. She asks me why I was staring at her ass when she was in the pool. I literally had no idea what she was talking about. She said she SAW me staring LMFAO. I said she probably wanted me to stare, but I wasn't, and I was focusing on doing my job. I then said something like, "Sad how I'm minding my own business lifeguarding and swimming, and then you come out of nowhere and make a lie like this. On everything that is holy (she's catholic) I wasn't staring, you're strange." She then just said "sorry." Why do they have to make shit up out of thin air?

P.S. There's cameras recording everything, so if she takes it up to higher management I'm safe.

She just wants attention.

bradtwo • 25 points • 9 December, 2018 01:10 AM

there is a solid reason why this is the highest upvoted comment. it is either attention or sympathy that she was seeking. by you not giving her attention, the void is filled with sympathy. sadly there are pieces of shits in the world who only care about themselves, not the reputations they destroy by spreading lies.

furcryingoutloud • 27 points • 9 December, 2018 01:34 AM

If staring at women's asses was illegal, I'd be doing life in prison. No regrets.

She dont my heart

NeedingAdvice86 • 1 point • 10 December, 2018 04:40 AM

And dick....there is that.

But I doubt the Op running and filing a sexual harassment claim when she tried to show interest is going to help in getting her panties off.

civilizedfrog • 53 points • 8 December, 2018 08:46 PM

Should have said that you thought someone drowning and it turned out to be her swimming. Then mercilessly mock her swimming.

[deleted] • 8 points • 9 December, 2018 01:57 AM

perfect response for this dumb girl

Retstortion • 59 points • 8 December, 2018 08:13 PM

She sounds autistic

TatumBetterFultz • 18 points • 8 December, 2018 08:33 PM

Definitely on the spectrum

MajIssuesCaptObvious • 14 points • 8 December, 2018 10:31 PM

She sounds false chargistic

NeedingAdvice86 • 3 points • 9 December, 2018 08:49 PM

She was running very openly sexual game on him....he is the autistic one for thinking that she was trying to get a sexual harassment claim on him.

A girl talks about you staring at her ass out of the blue...she is running game on you.....and she is very

sexually adventurous to boot.

Retstortion • 5 points • 9 December, 2018 08:49 PM

There's a good chance she was accusing him of ocular sexual assault

NeedingAdvice86 • 2 points • 9 December, 2018 09:19 PM

Not a chance in the world.

KnightestKnightPeter • 1 point • 9 December, 2018 08:03 AM

More like the OP is autistic

After a while these subs start to have the reverse of the intended effects

chazthundergut • 65 points • 8 December, 2018 09:26 PM

Jesus christ that's the last time she ever flirts with you LOL

[deleted] • 20 points • 8 December, 2018 11:58 PM

Yeah, or he lose his job because of sexual harassment. You never know, pussy is not worth it...

NeedingAdvice86 • 0 points • 9 December, 2018 08:52 PM

Bhashahahahahahahah.....you obviously have never been around the pool scene...hot chicks in bikinis, invite to parties, drink and fuck those that are DTF.

A girl who has chosen a job in which she spends the summer in a tight bikini with her tits and ass hanging out isn't going to be put off because someone is staring\looks at them.....bahahahahahahahahahahahhahahhahah

SalporinRP • -1 points • 9 December, 2018 07:29 AM

Lol why are you acting like he's at some white collar job. He's a fucking lifeguard. In any summer camp/lifeguarding type job I ever worked all the coworkers were fucking each other.

[deleted] • 2 points • 9 December, 2018 10:31 AM

Maybe he is not seasonal, maybe at the pool.

NeedingAdvice86 • 0 points • 10 December, 2018 04:38 AM

You can easily see in this thread why so many of the commenters have real problems with women....social ineptness.

icecruzader • 11 points • 8 December, 2018 09:36 PM

Probably, and she real nice and forward so that woulda been easy

[deleted] • 7 points • 9 December, 2018 12:00 AM

...and that's a good thing. Don't shit where you eat. Even a simple sexual harassment complain from an insane bitch can ruin your life. OP shut this whole bullshit down the perfect way.

KnightestKnightPeter • 2 points • 9 December, 2018 08:04 AM

He doesn't work at an office, he's doing a temporary job as a lifeguard.

MGRaiden97 • 111 points • 8 December, 2018 09:27 PM

God damn. My dude....

Girls get their ass stared at all the time, so one more guy isn't a big deal for them. They don't just walk to up every guy and ask why they were staring.

You say you weren't staring. If thats true then she used that so she could talk to you...ABOUT HER ASS. Think!! She literally set you up to talk about sexual features of her body.

You blew it.

Onidramon • 38 points • 8 December, 2018 11:22 PM*

Blew what? You don't even know what this chick looks like. All you know is that she annoyed him at work by making up an imaginary problem like a schizo. We seriously need to put a stop to this dumbass default presumption it's somehow *the man's loss* when he chooses not to reward a random woman's shitty behavior with sexual interest.

sir_shitfuck • 13 points • 9 December, 2018 02:51 AM

Nah man you must be gay, sounds like you need TRT /s

NeedingAdvice86 • 2 points • 9 December, 2018 08:40 PM*

WTF are you talking about....she was flirting about him looking at her ass.

It wasn't shitty behavior, it was very sexually open girl game.

How fucking autistic do you have to be to not know that a girl who runs around all summer in a damn bikini is not going to be put off by someone looking at her ass? She doesn't give a shit about guys staring at her ass and likely actually enjoys it as you know she took a fucking job wearing a bikini around a pool with tons of guys.

Bhahahhahahhahahhahahhh.....fucking damn. Holy shit...this is unbelievable.....bahahahhahahhahahhh

You guy card is fucking revoke for 2 weeks until you take the time to mediate on your lack of awareness.

Onidramon • 6 points • 9 December, 2018 10:06 PM*

And still, not a single indication of what this chick looks like. This unknown chick could look like Shrek in the face and be shaped like a dented pear for all we know, with all the social leverage to get him fired and blackballed if he rolls with her nonsense and she regrets the fuck later, and you're here acting like he fumbled an unsolicited proposition for a threesome with two supermodels sitting on his bed in his apartment or something.

Who cares whether she's just flirting or has a mental complex or not, it's his *job*. The point of a job is to make money without bullshit and go home, not appease attention whores. You have literally every other hour on the clock when you're not working at your job to do that. Only a dude who is completely starved of regular female attention feels like a "guy card" is weighted on obligation to entertain every single goofy chick who crosses your path, no matter the context or her appearance. Learn the value of time, place, priorities standards.

NeedingAdvice86 • 2 points • 10 December, 2018 04:14 AM*

Doesn't matter...

The reaction of the OP to her behavior was not that this ugly chick was trying to pick up him up....or this ugly chick attempted to flirt with him by making a sexual remark which he felt was

beneath him.

No, it was a complete autistic retardation overreaction about a girl flirting with him by accusing him of staring at her ass....He was pissed because he was scared that this lifeguard as going to get him fired for staring at her ass.....end of story.

No wonder you retards struggle with women you don't even know when one is sticking her pussy on your damn dick and asking for a fuck...like autistic social retards you would go screaming to your friends that the girl tried to attack your dick and you were thinking of filing an report with the police before she filed one. Then coming up with all sorts of grand schemes like always keeping video cams so you have proof that she attack your dick or she was just wanting validation or any of the other nonsense shit posted by the losers who had no freaking idea that the girl was just openly flirting.

But you keep filing sexual harassment claims against the hot chick in the bikini flirting with you, all the dudes who get it will just be laughing their asses off with the girls about the autistic reactions at the after parties before heading to the boathouse to fuck with some them.

Bhahahhahahahahhahh.....what a bunch of dolts.

Onidramon • 3 points • 10 December, 2018 04:25 AM

Again, it doesn't matter if she was intentionally flirting or not. It's not a bottle of water in the Sahara desert, it's potential for trouble at work. Do your job and don't shit where you eat.

NeedingAdvice86 • 2 points • 10 December, 2018 04:30 AM*

BHahahahhh....you dolts just really have no clue.

It was a lifeguard at a summer pool....

You do know that most of us took those jobs in summer just to meet the hot girls in bikinis, invite them to parties, drink, party and fuck those that were DTF....and there were loads of them.

But they weren't fucking the Op or the others who filed sexual harassment claims against them when they tried to show their interest....bhahahahahahahahaha

The girls were just like the guys...there to hang out in the sun, be in the scene, see hot guys, and have a great fun summer with parties and make some money without scooping ice cream or working in a cafe...no damn body was filing sexual harassment claims because someone looked at their ass in a bikini.

But you keep incel-ing yourself and patting yourself on the back for being that guy.....guess who ultimately ends up being the "creepy guy", the guys who flirt back with her, has fun, laughs, invites her parties and perhaps fucks her when she is down or the retard who runs screaming to the club manager and acting all weird and shit as the Op overreacted.

Really isn't surprising that so many of you have real problems with women or guys....you are simply socially inept.

Onidramon • 2 points • 10 December, 2018 04:42 AM*

She could be a lifeguard at a pool or an electrician who juggles swords part time.

Risking your job is dumb. And you still haven't addressed the reality that you have no idea whether this woman is actually attractive or not. Your argument presumes that any failure to reciprocate flirting, whether or not she's actually fuckable, is a mistake.

As if being flirted with is a novel one-in-a-million treasure. Even if it's at work in the current trigger-happy social climate. That's retarded and thirsty. Be smarter and more selective. You already know this.

NeedingAdvice86 • 2 points • 10 December, 2018 05:08 AM*

I am making a valid assumption...she was a lifeguard at a summer pool, she is in shape and attractive enough to get hired (you apparently don't know how many club managers select their female life guards, it isn't all who has the life guard certificate, mate) and the Op never mentioned that his ugly chick accused him of looking at her ass.

You are just hamstering a reason why you don't look like one of the dolts who went searching for the latest bodycam hardware to suggest to the Op so he can catch the girl sexually harassing him.

You know you lost.....I had the job, got the pay, lasted the entire summer, invited the chicks to parties had a great time all those summers and fucked my fill of the hot girls in bikinis that roamed around that I found attractive. Been there done that without a single sexual harassment claim or called a creepy dude because I filed a sexual harassment claim because one of the girls expressed interest in me.

You can have the white knight award for saving some imaginary sexual harassment claim along with spending the summer alternating between whacking off and patting yourself on the back...bahahahahahah.

I am not sure how someone is thirsty when they spend a summer fucking a different hot bikini wearing girl every couple of weeks..but keep hamstering.

You win the boy scout of the summer award.....

Onidramon • 2 points • 10 December, 2018 05:29 AM

Actually, what I win is the argument. For focusing on the topic itself and contributing rational advice instead of ad hominem and terrible advice. Don't play dumb games and tell others to join in.

russelln • 72 points • 8 December, 2018 11:08 PM

And yet you still should never shit where you eat. I commend OP for not getting involved with a coworker.

KilluaKanmuru • 18 points • 9 December, 2018 12:40 AM

Lmao, she was so blatant about it. Girls know they're getting their ass looked at on a daily basis. She could've ignored it just the same. But no, she had to calm him over and make her ass the topic of conversation. Man fuck that straight jacket view on life. I'd lifeguard that ass.

bhahahahahahaahhahh.....

Damn....you do know that I took lifeguarding jobs in summer during college in order to damn meet the hot chicks at the pool clubs, invite them to lake parties and fuck, right?

No, of course not, you were not there but were home reading the lifeguard procedure guidelines for the 100th time and analyzing the pool safety restriction manual to impress the club manager who also was at the lake parties banging the girl who ran the towel concession....too bad.

Vynxe-Vainglory • 1 point • 9 December, 2018 12:35 AM

I disagree with the “always” part of this.

I think analyzing situations on a case by case basis far outweighs hard blanket rules and strict unwavering precepts that have no bearing on shifting realities.

shr3dthegnarbrah • 1 point • 9 December, 2018 06:09 AM

Some people need to learn to loosen up, some people need to learn to discipline themselves. Hard to figure out, even in real life; much harder to figure out through Reddit.

NeedingAdvice86 • 1 point • 9 December, 2018 08:32 PM

This is a shit summer pool job.....you know the place where you meet hot chicks with tone bodies in bikinis, invite to parties, get drunk and randomly fuck the ones that come and are DTF.

kagewolf • 5 points • 8 December, 2018 11:14 PM

The thing about that is trying to avoid shitting where you eat. Doesn't matter if it's “just a lifeguard job” or whatever. Getting unemployed from a job or trying to have someone shit all over your reputation sucks ass.

I agree if he owned his frame she probably would of buckled. Her word against his word is not enough to get him fired so he wouldnt have to worry about shitting where he eats.

Instead he falled into her frame by defending himself against staring at her ass.

A good comeback might of been "i thought you were drowning at first then thought nothing of it when I saw that flotation device"

JW_2 • 0 points • 9 December, 2018 04:47 AM

Lol what should he have said?

NeedingAdvice86 • 1 point • 9 December, 2018 08:47 PM

"Was I" or "Wow.....ego <whatever her name is>"

She was running pretty sexually open girl game on the dude and he was so defensive that he went looking for ulterior bad motives.

He has now outed himself as a socially repressed know-nothing at that pool and as word goes around none of the girls will want to have anything to do with him.

Granite_Pill • 10 points • 8 December, 2018 08:02 PM

There's cameras recording everything, so if she takes it up to higher management I'm safe.

masterpiece00 • 2 points • 9 December, 2018 11:18 AM

You don't (can't) get fired for using your eyes.

mr_buffalo • 9 points • 9 December, 2018 12:01 AM

How many fucking losers are in this thread? OP is athletic enough to be a lifeguard. He doesn't need some crazy uppity bitch in his dating life. Ignore the thirsty betas telling you to shit where you eat. *"It's just a summer job, not coporate"* Yeah... and OP can walk down the street and talk to any girl.

juggernaut8 • 12 points • 9 December, 2018 04:08 AM

Ignore the thirsty betas telling you to shit where you eat.

Yup thirsty AF. Jesus.

NeedingAdvice86 • -1 points • 9 December, 2018 09:07 PM

Why walk down the street when you have a pool of hot chicks in bikinis who you flirt with, invite to after work parties, drink and randomly fuck the ones that are DTF?

I can see why so many of the dweebs here have problems with women..they were not invited to the pool or the after parties or can spot when a girl openly ask you to discuss her ass she has hanging out of her tight bikini.

Hell you do know that we took most of those summer lifeguarding jobs just to meet the hot girls in bikinis, right? It wasn't really because we gave a shit about your fat ass sucking in some water or floundering in the kiddie pool.

You should have tried it sometime....it was a helluva summer or two.

ReefaShark • 79 points • 8 December, 2018 05:17 PM

Do not explain and defend yourself to a woman, especially when she just makes shit up. You were way defensive, just A&A

Joeatomic • 72 points • 8 December, 2018 05:23 PM

She seemed extremely serious, and in this social climate, and my job, I didn't want to get blamed for shit

ReefaShark • 42 points • 8 December, 2018 05:29 PM

Ya but you're a life guard. They don't have hr reps for summer jobs

juggernaut8 • 7 points • 9 December, 2018 04:03 AM

You did the right thing, you held your frame that you didn't do anything and stuck with it. All the people here who think she's secretly trying to flirt with you are clueless. Even if she was trying to flirt in such a stupid way you don't reward that behavior. People who just throw accusations around like that should be avoided.

icecruzader • 3 points • 8 December, 2018 09:35 PM

It's not as bad as you would think but it is fked. If you hold your frame you can still getaway with it as long as no white Knight shows up that you just can't brush off or chode away. The girl gave you a hard shit test, but odds that it'll spiral would take you not gaming like you know you should. If you show neediness or fear about it she'll start acting like it was serious and eat you alive with potential bad consequences

KilluaKanmuru • 1 point • 9 December, 2018 12:43 AM

Extremely? Get outta here. That's from your perception. Here ya go..you could've easily deflected the pressure to her. "Why were you staring at my bulge?" Done deal. DARE bro. Don't you ever DEER.

sehns • 1 point • 9 December, 2018 04:51 AM

You did the right move. In these work situations you can always seal the deal with "Don't worry, I'm a feminist." and pretend like you're one of those soy boy types. She'll start to resent feminism and you'll be safe because you're towing the line.

i_forget_my_userids • 12 points • 8 December, 2018 11:03 PM

Bad advice. Never agree and amplify harassment allegations, especially at work. How retarded can you be?

faissaloo • 23 points • 8 December, 2018 09:29 PM

Absolutely do not A&A, you shouldn't shit where you eat. A strong 'I was not' and returning to whatever you were doing is enough.

ReefaShark • -6 points • 8 December, 2018 09:36 PM*

A&A is a basic component of redpill social interaction. Think improv, take it as it comes, go along with it, keep it going, not all A&A is done to escalate a plate prospect.

Edit: holy aspergers slow down. Agree and amplify can be words said with mocking or satirical tone, obviously don't say "ya I was" you fucking morons, you brush it off like she said some retarded shit because she did, and that would be a better response than "b-b-but check the security tapes and look if I do! Whah!"

Lest23 • 14 points • 8 December, 2018 10:15 PM

I'm a lifeguard. I've had guys get fired for shit like this. Imagine how the manager would see it: "You were staring at my ass" "Yes I was" ??? You don't fuck around with this at your job, they will let you go like that, they don't give a fuck.

faissaloo • 17 points • 8 December, 2018 10:18 PM

A&A is a tool you can use, using it for everything is borderline autistic. You shouldn't do things just because 'redpill said so', that is beta behaviour.

ReefaShark • 0 points • 9 December, 2018 01:00 AM

I don't do it because redpill said so, A&A is redpill's version of "yes and", because improv **is** a good implementation into many facets of your social life.

faissaloo • 2 points • 9 December, 2018 01:11 AM

Many, not all. You're not gonna A&A at a funeral for example. Context matters.

ReefaShark • -1 points • 9 December, 2018 01:42 AM

No. Fucking. Shit.

htbf • -2 points • 8 December, 2018 10:38 PM

You shouldn't have to defend yourself if a girl accuses you of looking at her ass.

First because she has no proof, second, and what if you looked, it's an ass and you're a man.

So while you don't have to Amplify, you can just smile to her condescendingly and say "maybe" and be on your way. You don't owe her anything more.

faissaloo • 7 points • 8 December, 2018 10:44 PM

You shouldn't have to defend yourself if a girl accuses you of looking at her ass.

You don't live in a utopia.

First because she has no proof, second, and what if you looked, it's an ass and you're a man.

It doesn't matter that she has no proof, her word is enough to make your life unnecessarily difficult.

So while you don't have to Amplify, you can just smile to her condescendingly and say "maybe" and be on your way. You don't owe her anything more.

It's not about owing her anything. It's about keeping your job and not making your life harder for literally no benefit.

htbf • -1 points • 8 December, 2018 11:02 PM

It's about personal character.

No one is gonna fire a competent person over a baseless accusation. And if they do, you should be happy you're done working in a such place.

Life is not about staying put and being treated like shit by others unfairly.

And she was flirting with him. Poorly sure but still flirting. Another guy with more confidence and game could have turned that into sex. Don't limit yourself to the rules of the matrix. What's the point of ingesting the red pill if you gonna abide by the rules of blue-pilled?

faissaloo • 6 points • 8 December, 2018 11:18 PM

No one is gonna fire a competent person over a baseless accusation. And if they do, you should be happy you're done working in a such place.

Would rather be able to do my job without others getting in my way.

Life is not about staying put and being treated like shit by others unfairly.

I'm not asking OP to allow themselves to be pushed around. Giving a clear no and indicating that you're not going to entertain her stupidity (by going back to whatever you were doing that is more important) is in no way allowing yourself to be pushed around.

And she was flirting with him. Poorly sure but still flirting. Another guy with more confidence and game could have turned that into sex.

That's nice.

Don't limit yourself to the rules of the matrix. What's the point of ingesting the red pill if you gonna abide by the rules of blue-pilled?

What's the point of ingesting the red-pilled if you're just going to use it to create new delusions?

KilluaKanmuru • 0 points • 9 December, 2018 12:48 AM

You blew it while she tried flirting with you. Idk next time ask her why she was staring at your ass.

128bitworm • 2 points • 9 December, 2018 01:24 AM

Ignore her

speed3_freak • 1 point • 9 December, 2018 04:25 AM

Absolutely this. Don't date women that you work with. Period. I wouldn't even have said anything. Just look at her and walk away. There is nothing you could possibly say in this situation that would make it better for you.

dickcomments • 2 points • 9 December, 2018 02:53 AM

DUDE.

WOW.

You totally misread the situation.

First, you should not have come out of the game so aggressively. No reason, man or woman, to have your first reaction as aggression.

Second, you should NOT have insulted her. Now you look like a dick for calling her weird, plus she could use that as ammo if she really wanted to make this into something. Always leave people with their respect.

Third, she was fucking flirting with you. Maybe awkwardly, but she was. You miss a chance... again... you come off like a dicks.

I think you need to reassess your view on women and their behavior.

FleetingWish • 2 points • 9 December, 2018 04:02 AM

"Yeah, it needs some work"

BuckNekkid18 • 2 points • 8 December, 2018 09:16 PM

I would've used my default answer for women who want to argue. "Ok", ignore her, and keep doing whatever I was doing.

[deleted] • 2 points • 9 December, 2018 12:03 AM

This is not your mommy case, it would be literally dumb in metoo no evidence needed era.

omega_dawg93 • 1 point • 8 December, 2018 10:07 PM

you should start calling her, "Ms. Owl."

how da fuck can she see you staring at her ass while she's looking forward? she must be doing a 360 turn with her neck... meaning it's VERY flexible. you might want to keep that in mind if she's drooling for a unit to suck one day.

Ivanden • 1 point • 8 December, 2018 10:20 PM

You could of turned it around (if she is attractive) and had your way with this one.

KidWonder101 • 1 point • 8 December, 2018 10:29 PM

I don't know her tone or her body language, so I can't be 100% sure on anything.

However based on my past experiences, If she wasn't interested in you, she wouldn't have said anything at all.

However, with her bringing it up...she was CHOOSING you. Sounds like you blew it though.

Remember, most girls don't know how to pick up and approach guys. It's because they don't have to. It was her female way of "cold approaching" and also to subconsciously test how you would handle the situation.

sir_shitfuck • 1 point • 9 December, 2018 02:53 AM

She was choosing you OP, run through her hoops or you're a beta

htbf • 1 point • 8 December, 2018 10:38 PM

You shouldn't have to defend yourself if a girl accuses you of looking at her ass.

First because she has no proof, second, and what if you looked, it's an ass and you're a man.

So while you don't have to Amplify, you can just smile to her condescendingly and say "maybe" and be on your way. You don't owe her anything more.

bilabrin • 1 point • 8 December, 2018 11:04 PM

"I was actually trying to stare at your cunt but your ass kept getting in the way."

opper-hombre1 • 1 point • 8 December, 2018 11:26 PM

Good pressure flip

RedHoodhandles • 1 point • 8 December, 2018 11:32 PM

'Because it's a fine ass.'

She wanted to give you an opener and you blew it.

Manilatimes • 1 point • 8 December, 2018 11:56 PM

Ask her, "what ass?"

[deleted] • 1 point • 9 December, 2018 12:09 AM

The level of idiocy ignoring the fact that this happened at workplace only leads me to that there are so many highschool incels who only knows red pill theory precepts without thinking about its application.

NeedingAdvice86 • 1 point • 9 December, 2018 09:11 PM

You might want to explain\consider why a girl who chose a job in which she spends her summer running around in a tight bikini with her tits and ass hanging out would get upset because someone looked at those tits and ass?

She didn't give a shit that anyone was looking at her ass.....she expects it.

Then you might come to understand more clearly who the incel in this situation likely is and why that person ended up as the incel.

Zanford • 1 point • 9 December, 2018 01:11 AM

She wants attention/validation. It's possible she's also hoping that she can get power over you by making you afraid of being 'reported' (so that when she bails on work and asks you to cover your shift, you're afraid to say no..shit like that)

You handled it well. You should just be like 'nope' and don't act defensive (that'll make them smell blood in the water)

supacigna69 • 1 point • 9 December, 2018 01:31 AM

This is just the mentality of a prude girl. She's not willing to openly show she wants attention like that "in gods eyes" so she's going to bring it up to a dude she wouldn't mind staring at her ass. If it was actually a problem she would've told anyone else in her work frame. She's all yours. I personally don't have to info to get her but that's clearly a sign of affection

Kabuki431 • 1 point • 9 December, 2018 01:32 AM

So were you staring or not ? if not then why not, if yes then why back down ?

furcryingoutloud • 1 point • 9 December, 2018 01:34 AM

Well, does she or does she not have a nice ass?

If she did, my answer would have been just that. "It just caught my attention, cover up more or better yet, use a burka."

Unless it's now a thing that you can't look at a woman's ass either.

Coo_Larrow • 1 point • 9 December, 2018 02:23 AM

How's her ass?

u-had-it-coming • 1 point • 9 December, 2018 02:28 AM

You could have banged her.

She was leading, you dumbo.

They do this because they are not direct but they do have physical needs. They want to fuck and luckily you had been chosen for it. But you blew it.

Go back and Apologize and tell her you were staring at her ass along with some other sassy, cool shit. Then bang her.

sir_shitfuck • 1 point • 9 December, 2018 02:54 AM

Luckily you got chosen OP, like this is some sort of major life gain

curb_stomps_sjws • 1 point • 9 December, 2018 03:09 AM

And this is why Muslims have segregated swimming areas. It's not to protect women from men. It's to protect men from women.

imtheoneimmortal • 1 point • 9 December, 2018 11:46 AM

You shouldn't defend yourself, just ignore her

friendandadvisor • 1 point • 9 December, 2018 01:07 PM

She wants OP's penis.

He failed her test.

"By all that I hold holy..." DEERing, big time, and pretty pathetic at that.

i8a4re73 • 1 point • 9 December, 2018 05:16 PM

There is truth there, but essentially the interaction has to be documented. That is sexual harrasment she did and she gaslit you with feminism mindset. If you don't stand up to the bullying, you'll be beaten down lower and it does an injustice to fellow men. Beat her at her own game

i8a4re73 • 1 point • 9 December, 2018 05:18 PM

Also, might pay to post this in the Men's Rights Activist Page (MRA). Some of the men in there would have been stung with them and may present some solutions

NeedingAdvice86 • 1 point • 9 December, 2018 08:27 PM

She was hitting on you.....

You should have just laughed it off or said something as benign as "was I"...basically giving off the impression that she was a conceited egomaniac to think that every guy in the pool went around drooling over her ass.

Sounds like you are pretty defensive around women...she wasn't labeling you as a predator but was flirting in a pretty sexual way.

She likely wanted the dick and knew that slayers would have picked up on her sexual flirt, escalated and fucked her that evening.

Your overreaction tends to suggest that you might be slightly autistic? Or just inexperienced around girls? Am I right?

NeedingAdvice86 • 1 point • 9 December, 2018 09:01 PM

This post is actually pretty fucking informative...but only because its comments scream about why so many of the fucking retards on this sub are actually HERE.

Yes, you are one of those if you actually thought that this girl was trying to get the Op fired and did not recognize that this girl was running girl game on the Op....and very sexually open\adventurous game on him as well.

If that was your thought, your man card has been revoked for the duration until you come to understand WHY your first reaction to a girl who chose a job that involved her running around a pool in with her ass and tits hanging out of her bikini calling you over to "accuse" you of staring at her ass was actually not flirting with you but was really put off by you looking at the ass which she spends all summer with it hanging out of her bikini.

No wonder you have severe problems with women.

stylesm11 • 1 point • 8 December, 2018 09:38 PM

Sounds like she's trying to start something sexual w you

But even if don't play into it, just don't react

FlyingSexistPig • 1 point • 8 December, 2018 10:12 PM

You have a number of different responses to stuff like this. I think she was hoping for: "cause you're hot." or some other aggressive response.

You could have been an asshole: "Well, it's so big it makes light bend, and no matter where I look, there's your ass"

KilluaKanmuru • 1 point • 9 December, 2018 12:49 AM

Lmfao @ that line! I'll use this on my gf. Thank you.

htbf • 0 points • 8 December, 2018 10:34 PM

That was her trying to flirt with you and you fucked it up.

[deleted] • 1 point • 9 December, 2018 12:05 AM

No, that wasn't flirting. They are 1000s of other ways she could flirt with him, but not this one.

NeedingAdvice86 • 1 point • 9 December, 2018 09:17 PM

This is actually really sexually open flirting.....no girl is going to bring up her ass to a guy she doesn't find attractive....she would just have been sure to stay as far away from the guy as possible and never allowed herself to be alone with him if it creeped her out.

She works at job that requires her to wear a tight bikini with her tits and ass hanging out all summer...she isn't fucking freaked out because someone looked at that ass. She expects it but she most damn certainly isn't going around to you and the rest of the incels to accuse YOU of staring at her ass. She only did that with the guy who interested her.

Come on.....
