Is there an alternative to Reddit that MRP will use to post OYS etc going forward if the rumored Reddit ban happens tomorrow? If not, and MRP is banned, thanks for all the help over the past year, gents.

I have no idea what this is about. But if something does come, OYS can be done on r/NMMNG. We'd put it up there.

We're being banned?

BobbyPeru • 11 points • 28 June, 2020 09:17 PM

OP sure is trying to get us on that radar

Sepean • 8 points • 29 June, 2020 05:50 PM

We did not get hit, they banned the \_donald and 2000 other subreddits I never heard of.

This is the list of bans with over 10 users <https://www.redditstatic.com/banned-subreddits-june-2020.txt>

'cumtown' - WTF...

DocHolidaysPistols • 1 point • 30 June, 2020 12:57 PM

I've heard of it but never listened to it. It's a comedy podcast.

Or maybe it's something completely different. Who the fuck knows with a name like that. But there is a podcast with that name. Just like ChapoTrapHouse and that sub got banned too.

Sepean • 6 points • 28 June, 2020 02:21 PM

What rumor?

Vegasman20002[S] • 6 points • 28 June, 2020 02:55 PM

Alleged purge of "hate" subs. TRP and MGTOW among others rumored. Haven't seen specific rumor about MRP, but have to be prepared. There was a post a while back about a list of "female hate subs" and all are allegedly going to be part of the "purge."

Just rumors. But you never know with how things are right now.

Sepean • 32 points • 28 June, 2020 03:33 PM

There is no female hate here, the mods remove any whiny post that put the blame on female nature instead of taking personal responsibility.

Maybe we get banned for male hate, with how often we call men faggots and pussies.

Smuggler-Tuek • 15 points • 28 June, 2020 03:40 PM

I agree but the foundation here is men and women are different which is enough on reddit to be considered sexist / bigoted / whatever else they want to throw at you.

johnheyapocalypse • 9 points • 28 June, 2020 04:57 PM

That's naive there's plenty of female hate here.

SBIH • 8 points • 28 June, 2020 05:03 PM

And plenty of faggots and pussies.

so\_woke\_da\_wookie • 1 point • 28 June, 2020 08:00 PM

Haha, first Male Hate, anything, to be banned, ever, at anytime in the Multiverse.

Gentlemen, we stand on the threshold of history.

RStonePT[M] • 3 points • 28 June, 2020 03:34 PM

They get banned because they want the internet victim points.

The trick is not to ask for it.

Smuggler-Tuek • 7 points • 28 June, 2020 02:40 PM

trp has one but I'm not sure about mrp. Pretty sure trp will be gone tomorrow if the rumors are true.

SorcererKing • 6 points • 29 June, 2020 04:01 PM

TRP would have been gone yesterday if the rumors were true. As the creator of this particular sub I've never even gotten a warning from Reddit. We're too small.

Dongune • 11 points • 28 June, 2020 04:52 PM

Fuck reddit CCP motherfuckers.

Not confirmed but here's where it's coming from.

JasonStar79 • 3 points • 29 June, 2020 06:27 AM

Damn, if there ever was a time when burning books mentality and censorship of wrongthink is out of control, it's now. Irony is, the more the Marxists push to purge any and everything that agrees with opposite points of view, the more people flock to those points of view. You can't kill an idea, but you can prove it right and make it more popular. Smh.

business---travel • 2 points • 29 June, 2020 06:32 AM

the more people flock to those points of view.

You are spot on here. Rollo has also mentioned this a few times within the past couple of years, which he happened to be bang on about.

bogeyd6 • 2 points • 29 June, 2020 01:05 AM

Doubtful, we are their advertising revenue wet dream.

Itstinksoutthere • 3 points • 28 June, 2020 09:12 PM\*

When did we become so fucking sheltered. Half the problems we have today come from people not wanting to feel mildly uncomfortable. Fucking victims, the lot of em.

This isn't about hate, this is about reddit taking what was supposed to be an open platform for all and making it what they feel is a safe space or making sure it fits their narrative. Hell even my local community subreddit has

become a whiny ass coronavirus, BLM, liberal victim shit fest in a city that is predominantly conservative.  
Reddit has been going extreme left for a while now and this will be the icing on the cake.

johneyapocalypse • 4 points • 29 June, 2020 02:06 AM

That argument delegitimizes everything else that follows.  
..."has been going left," jesus christ that's so lazy.

business---travel • 1 point • 28 June, 2020 06:29 PM

From my understanding, the trp & asktrp subs will be gone tomorrow.

rad\_dynamic • 1 point • 29 June, 2020 12:11 AM

Post history?

the\_man\_i\_want\_to\_be • 1 point • 29 June, 2020 03:13 AM

Fuck, that'll mean another influx of idiot posts as they try to find a new home.  
Wait, why am I upset, that shit's hilarious.

Idigabighole • 1 point • 28 June, 2020 08:54 PM

Interrupting my STFU but is there a backup place if it is banned? I just got started.

johneyapocalypse • 4 points • 28 June, 2020 10:59 PM

Follow stoney he knows what's going on behind the scenes, and in the event it ever happens he will lead you to the promised land. I hear there are "backups" out in the nethernets.

RStonePT • 3 points • 29 June, 2020 05:45 PM

Library of fucking alexandra fellas.

Will\_The\_Bear • 1 point • 28 June, 2020 11:42 PM

Reddit will turn to money because freedom is less powerful than money, all companies only care for money.  
Money for them is their god.

Itstinksoutthere • 1 point • 29 June, 2020 06:16 PM

Elaborate then.
