Text and images should be flipped but I agree nonetheless

kickynn • 22 points • 9 July, 2020 01:22 PM

how?

Idk it seems he wants the text to be on the left and the images on the right, but I dont see why

SsoulBlade • 5 points • 9 July, 2020 03:58 PM

Perhaps reaction. You see killallmen first then see society's reaction second.

Women are the one spending money, not creating it. Now that's perfect for capitalism, so you have to protect and adore your cows.

Anti feminists not anti women

*consumerism

afghanistanimation • 4 points • 9 July, 2020 05:09 PM*

This rhetoric is anti female which is equally as shitty as anti men rhetoric from feminists. Fix your mind, chump

Edit: you're also confusing consumerism with capitalism. Capitalism is the ability to enjoy the fruits of your labor. Owning yourself and your work. Hourly pay doesn't embody that, we're still working for others when you have a "job" versus an asset which generates revenue. That's consumerism driving an indentured slave style fiat money system. So you mean that the behavior you described is perfect for consumerism. In capitalism, the man wouldn't be thwarted his opportunity to retain the fruits of his labor.

Consumerism, materialism and forced labour are all keywords of capitalism. You know capital means money so capitalism literally means money centered economy. Also capitalism in theory is a utopia, in practice its dystopia.

afghanistanimation • 1 point • 10 July, 2020 02:18 PM

That's incorrect. I can tell it'll take too much energy to correct you, I'll let you choose ignorance.

What economy isnt money centered? Do the gears even spin before you regurgitate shit like this?

Mytriptorussia2018 • 1 point • 11 July, 2020 04:10 AM

You should follow your grammar rules. Seeing the way you express yourself, there is not reason to debate you.

The difference between saying “kill all men” and “kill all women” though is the power imbalance. “Kill all men” is a joke and won’t actually have any real consequences, but “kill all women” can have real consequences (such as sexual violence) because men have more power. Saying “kill all men” could easily be considered wrong, but it’s not going to result in any violence against men.
