Why the hell does it matterrrrr They really complain about everything

MarcoYolo187 • 60 points • 6 July, 2020 06:22 PM

Haha they're complaining about useless shit. My father figure told me, the most useless fight and complain for the most useless things. This being one of them.

TigerInAformalsuit • 20 points • 6 July, 2020 11:11 PM

If Santa becomes female, wouldnt that be sexist or whatever they are going at also?

Sharkkaan • 3 points • 7 July, 2020 12:39 PM

Ye while they complain about useless shit, they ignore the actual stuff like gilrs getting their clits cut off.

TigerInAformalsuit • 2 points • 7 July, 2020 12:43 PM

That's a thing?

Sharkkaan • 1 point • 7 July, 2020 12:46 PM

Sadly yes, in some 3. World Countries. I don't remember the exact name but yes.

weebish-band-nerd • 38 points • 6 July, 2020 08:26 PM

Mrs. Clause: "Did you forget about me?"

YooGeOh • 37 points • 6 July, 2020 09:25 PM

He's based on a real person though. St Nicholas. Undoubtedly a man.

Representation is fine and dandy, but this literally makes no sense whatsoever.

[deleted] • 21 points • 6 July, 2020 10:00 PM

Just like Netflix or whatever making Wynona Earp (off Wyatt Earp) and a random female Van Helsing? Why not a badass lady from the Wild West (Jane Cannery/Calamity Jane) or make a cool female monster hunter character? Because they don't want female representation, they want to reappropriate characters from actual history or from established fiction/mythology either out of malice or laziness. Female Thor? I'm sorry but there are SO MANY female Norse gods to make movies about..

You can't just slap a vagina and boobs on a male character and go "woo feminism ladies are badass too" cause there are plenty of badass female characters to be written about, the people making this pandering crap just don't want to take the time to write a compelling, strong female character.

infantinemovie5 • 10 points • 6 July, 2020 11:34 PM

Definitely laziness.

the-mega-sad • 20 points • 6 July, 2020 09:51 PM

**cough cough** snowflakes never heard of Mrs Claus **cough cough**

laptopdragon • 11 points • 6 July, 2020 09:53 PM

oh I don't know...

are the expectations from Santa going to be reduced to merely showing up, wasting time, and eating all your food and drinking all your booze then sit around and complain about how the costume doesn't fit right and it's not fair?

2020 seems like the perfect time for Santa to be female and screw everything up even further.

vasekgamescz • 6 points • 6 July, 2020 09:52 PM

Poor Mrs. Clause she won't be able to enjoy a dick anymore.

Neveah\_Hope\_Dreams • 5 points • 7 July, 2020 05:52 AM

No!

There's already Mrs Claus. And there are a variety of elves.

There's heaps of different Christmas characters.

The character of Santa is a dude. Get over it.

Dariofun274 • 5 points • 6 July, 2020 09:20 PM

Oh my god...

[deleted] • 4 points • 7 July, 2020 12:40 AM

People will find a way to do anything these days no matter how absurd or useless

[deleted] • 4 points • 7 July, 2020 03:34 AM

Feminists in 1900-1950: men and women should have equal rights for voting

Feminists in 2020: a fictional children’s character needs to have his gender changed to fit my politics!

j0nathon\_ • 3 points • 7 July, 2020 02:15 AM

so it can be female but NOT male? that makes absolutely no sense.

Lui\_Le\_Diamond • 1 point • 7 July, 2020 09:54 AM
