It's okay, don't get hurt by this. Her opinion doesn't matter.

Funderwoodsxbox • 57 points • 3 July, 2020 04:41 AM

Honestly, wouldn't surprise me if this was a dude. I've been fuckin shocked how many of these weird ass Vaush types of dudes there are lately. It seems like they're multiplying.

Omar-Elsayed • 33 points • 3 July, 2020 04:45 AM*

It's sad. I think it comes from the common myth that women are better than men, so you see many men who would put themselves down for women.

Funderwoodsxbox • 27 points • 3 July, 2020 05:49 AM

“There you are m'lady, I've scorned the evil man for you. Care to donate a crumb of cooch, darling?”

no_one-special_ • 2 points • 4 July, 2020 10:31 PM

I would not call those type of people men. They act and think more like a female rather than a male.

offender_defender_ • 15 points • 3 July, 2020 10:12 AM

These simps are the first victim of radical feminism. One gay friend of mine killed himself after his female friend accused him of assault after staying the prior night. She still roams free even though no one talks to her.

shaz-naz • 10 points • 3 July, 2020 12:08 PM

Im really sorry to hear that. It still pains me to hear that people can say "i would rather believe a liar. Than not convict a rapist" people SERIOUSLY undermine the effects that false rape accusations can have on people. Not just systemically (making it virtually impossible to get a job you want) but also mentally. The pressure and fear that can bring. People forget that by believing the "victim" (who has yet to provide any evidence) you are actively saying the accused is a rapist... And thats just accusations that are proven false... the false rape accusations that are convicted have even worse consequences...

zaiguy • 2 points • 3 July, 2020 01:03 PM

The entire concept of “guilty until proven innocent” means nothing to these people.

Lord-Catfish • 6 points • 3 July, 2020 02:17 PM

You've got it backwards there. "Guilty until proven innocent" means everything to them. It's the basis of a good amount of their ideology. What they don't care about is the other way around, which is how the Justice System was supposed to function.

zaiguy • 3 points • 3 July, 2020 10:01 PM

Lol I meant to write innocent until proven guilty. Typo.

no_one-special_ • 1 point • 4 July, 2020 10:28 PM

They are mostly feminised men, men with low levels of testosterone.

There are actually studies that prove that male feminists are more, uglier, less manly, incompetent and are more likely to suffer from mental disorders.

VestigialHead1 points 3 July, 2020 03:24 AM* [recovered]

But I thought women got paid less? So how can she be laughing all the way to the bank?

youhavebeenwobbled • 45 points • 3 July, 2020 04:32 AM

Divorce winnings from court privilege

VestigialHead1 points 3 July, 2020 04:35 AM* [recovered]

Thus MGTOW to prevent this sort of blatant thievery.

no_one-special_ • 1 point • 4 July, 2020 10:32 PM

I think MGTOW is the reaction of these kind of events.

Foxenrien • 15 points • 3 July, 2020 08:02 AM

False rape accusation, “he, he, he gave me sex that wasn’t good enough”

functionalsociopathy • 26 points • 3 July, 2020 04:29 AM

She's probably never touched a penis in her life.

arn456 • 18 points • 3 July, 2020 03:24 AM

What was that video about??

DoodleDoge00[S] • 23 points • 3 July, 2020 03:31 AM*

I don't know, I found it on a YouTube video, I think the original video was about why women prefer circumcised penises.

alep2007 • 12 points • 3 July, 2020 06:06 AM

I have at least 4 questions and all of them are about you watching that video

DoodleDoge00[S] • 3 points • 3 July, 2020 01:26 PM

No, I found it on ANOTHER YouTube video about some mates making fun of feminism, I think he gives links, idk.

Neveah_Hope_Dreams • 16 points • 3 July, 2020 05:19 AM

What video is comment on?

What a foul bitch.

squirrel_and_pancake • 12 points • 3 July, 2020 07:21 AM

don't worry kings, the only girls who say this are girls who can't get laid, or her now ex bf broke up with her

DarthCallidous • 10 points • 3 July, 2020 07:37 AM

At least she's honest on who she is.

A shallow money grabber with an emptiness inside her heart that she forever tries to fill with dicks and material possessions. I bet she's never had a creative thought in her life.

But hey, YOLO! Am I right?

no_one-special_ • 0 points • 4 July, 2020 10:34 PM

She probably hates men because instead of attracting men she repels them by her 'gorgeous' personality. □

Foxenrien • 9 points • 3 July, 2020 08:01 AM

Imagine having the audacity to think that your opinion mattered and that anyone would give a fuck if you said that their opinion didn't matter. Imagine thinking anyone would give a shit if you disappeared. Imagine thinking that feminism would get respect when you say things like that. Imagine putting a heart at the end of a hate message

EmpiricSpirit • 6 points • 3 July, 2020 08:22 AM

Well at least the thot is honest. Most just think that.

no_one-special_ • 1 point • 4 July, 2020 10:36 PM

She is not going to get in trouble for saying that, and she clearly knows it. Hatred towards men is so normalised that even some people encourage you to do it.

EmpiricSpirit • 2 points • 5 July, 2020 05:05 AM

That is true. Although one could troll her and make a female account and answer. 'Imagine thinking that opinions of a hoe like you matter' if a female said it it would be alright

im_just_dreamy • 4 points • 3 July, 2020 09:12 AM

Was she commenting on a thing about fish? Cause my shrimp have nothing to do with my opinions

Zix_Workshop • 4 points • 3 July, 2020 12:57 PM

I'm fine with people like her. They push more people away from feminism when they say things like that.

omniversalvoid • 3 points • 3 July, 2020 12:06 PM

Ah yes my favourite movie

Harry Potter and the audacity of this bish

Edit: bruh everyone made the same joke

Dariofun274 • 3 points • 3 July, 2020 12:33 PM

I'm starting to get really tired of this feminist movement . it's not even a fight anymore. it's just sexism towards men .

[deleted] • 3 points • 3 July, 2020 01:15 PM

It's okay man, she ain't worth it. I bet she'll be crying in her apartment, drinking wine and crying about "Where have all the good men gone?" as she watches Sex in City

1997gordon • 2 points • 3 July, 2020 05:56 PM

Yeah...probably waiting for good men to bow down to her or worship her.

[deleted] • 3 points • 3 July, 2020 03:00 PM

Imagine being such a damaged piece of incapable cunt that your worth doesn't even drag past sex. Teach your girls to not be this way. It's your daughters. Not our sons. Bring back balance.

LeftyLucario • 2 points • 4 July, 2020 01:39 PM

Cope moar, penis envy.

Harry Potter and th audacity of this bitch

Egalitarianwhistle • 1 point • 3 July, 2020 05:52 PM

I might get downvoted but I don't like the title of this post. Algorithms are going to pick it up and it will be a data point for "misogyny."

Antifeminists need to be more disciplined with their language than feminists. We are fighting the uphill battle.

DoodleDoge00[S] • 2 points • 3 July, 2020 06:23 PM

That's how I felt towards that feminazi though.

Egalitarianwhistle • 2 points • 3 July, 2020 06:58 PM

FAir enough. I get it. I'm just saying as we speak, data compilers are taking the word "bitch" and categorizing this post as "misogynist."

DoodleDoge00[S] • 2 points • 3 July, 2020 07:08 PM

Yeah, it's fucking stupid. When women insult men like that, their considered "Strong" and "Independent". When men do it, it's "Misogynistic".

Egalitarianwhistle • 1 point • 3 July, 2020 07:12 PM

It's total bullshit and it's unfair. Like I said, we are fighting an uphill batle so we must be better than they are.

DoodleDoge00[S] • 2 points • 3 July, 2020 07:14 PM

I know right.
