The women on that sub are so deep down the hate and stupidity and superiority complex rabbit hole, that there is nothing do to for them

GachiBird5 points 6 June, 2020 02:24 PM* **[recovered]**

Yeah the women on this sub are the female versions of incels, the only thing you can still do is just laughing at them.

[deleted] • 4 points • 6 June, 2020 05:12 PM

incels are not gay, the women of that sub are not heterosexual

spaghettibaguett • 3 points • 6 June, 2020 07:27 PM

Eh I believe in evolution, and natural selection

all I can say is i'm happy that I believe in such, as it means their genes won't get passed on

DankDestroyer96 • 62 points • 6 June, 2020 09:13 AM

mental illness.

fanatically_joker • 57 points • 6 June, 2020 09:45 AM

Her dad should have pulled out.

iFunnyPrince • 14 points • 6 June, 2020 03:05 PM

I don't think he should have stuck it in in the first place

Blanket99999 • 41 points • 6 June, 2020 11:02 AM

Don't woman account for the vast majority of all baby killings?

PastMyBedThyme • 24 points • 6 June, 2020 11:59 AM

Male baby killings, have you heard of misandry and the killing of male feti because of their gender?

Blanket99999 • 13 points • 6 June, 2020 12:00 PM

Wait what fr??? Could you add on please I'm not really aware of this

PastMyBedThyme • 12 points • 6 June, 2020 12:04 PM

There's really not a lot more to say, there have been a few posts in this subreddit about tweets of women saying they were going to get a scan to see if their baby was "a girl or an abortion", and other tweets of women talking about doing the same thing.

Blanket99999 • 14 points • 6 June, 2020 12:05 PM

Wow that is just fucked up holy shit if any one here said anything even remotely related to harming a baby girl just because of their gender they would be flamed fucking alive

[deleted] • 1 point • 6 June, 2020 04:34 PM

I agree with the fact that female or abortion is stupid and just, duck them women who do this, but on a general note, abortion ain't murder,

Blanket99999 • 1 point • 7 June, 2020 02:22 AM

Nah I'm talking about babies you can physically touch

[deleted] • 2 points • 7 June, 2020 06:29 AM

Ah, Yeah, that's murder

Blanket99999 • 1 point • 7 June, 2020 02:25 AM

And killing a baby in the form of abortion just because they were going to be born a specific gender whether they be male or female is fucked up

[deleted] • 1 point • 7 June, 2020 06:28 AM

If you can see the gender of the fetus, then ya, it's not just a hanfull of cells, but a living beeing.

In these cases, unless it is needed for the mother's survival, I don't think that you can.

Yassine00 • 1 point • 11 June, 2020 01:55 PM

We are all handful of cells

[deleted] • 1 point • 7 June, 2020 02:17 AM

Don't man account for the vast majority of spreading their seed to multiple women ?

Blanket99999 • 1 point • 7 June, 2020 02:19 AM

Uh how's that worse than killing a baby due to their gender that's just a stupid comparison

[deleted] • 1 point • 7 June, 2020 02:47 AM

Bringing a kid into this world without the proper love and care. Being absent in all of their birthdays and not sending them to college. Then why even have babies? Must be fun for men to be absent fathers and spread their seed. A fetus is probably more important to you than child abuse. I mean you can make any other argument to debunk feminist but don't you call them murderers for not letting a fetus grow in their bodies.

Blanket99999 • 1 point • 7 June, 2020 02:49 AM

Alright so you seem to misunderstand what I'm saying reread what I said in reply and also I'm talking about kids that are physically there babies that are physically there not babies that are still in the womb

Blanket99999 • 1 point • 7 June, 2020 02:50 AM

And I'm mainly focusing on the issue of woman wanting to kill babies just because of their gender as it's been discussed in that forum before and by other feminists that they will abort the child just because they're going to be born as a male

[deleted] • 1 point • 7 June, 2020 02:51 AM

Yeah but those sound like lesbians to me

Blanket99999 • 1 point • 7 June, 2020 02:51 AM

Like what?

[deleted] • 2 points • 7 June, 2020 02:56 AM

The women that want to kill their male sons probably have multiple colored hair with multiple personalities and multiple genders. Ive seen those posts, those are not feminist they are weirdos. Maybe your argument should be all women are gold diggers or cheaters. If I were you I would not bring up the abortion topic.

Blanket99999 • 2 points • 7 June, 2020 03:00 AM

And yeah I fucking agree with you on that one I'm all for abortion as long as it's not abused to fit someone's delusions

Blanket99999 • 1 point • 7 June, 2020 02:58 AM

Mate like I said I'm mainly focusing on people saying "I'm gonna abort the child within me because of their gender" not because of anything else not because they were raped but because of their gender I'm all for them aborting it if they've gone through a traumatic event like that but aborting it just because of that is just fucked up

[deleted] • 1 point • 7 June, 2020 03:01 AM

I understand, but I don't think that's reality some trolls on the internet. But I agree with you. They should never even dare to joke about that! And I think I would of read your first comment right if you said toddlers instead of babies. yes women do kill their toddlers.

[deleted] • 31 points • 6 June, 2020 10:40 AM

one of them said heterosexuality is a disease. No, heterosexuality is normal and allows humanity to exist for more than one generation

the_chanboy • 6 points • 6 June, 2020 01:52 PM

Makes you wonder what their end goal is. Or if they even have one to begin with

OmnipotentToot • 3 points • 6 June, 2020 09:33 PM

I kind of wonder if they realize how stupid it sounds, but their goal is just eradicating the human race, and this is the most liberal way of doing it lol.

baronmad • 26 points • 6 June, 2020 11:19 AM

All men want to rape, this surely rhymes very well with laws against rape being written by men... their critical thinking skills arent up to par.

PastMyBedThyme • 8 points • 6 June, 2020 11:57 AM

Oh shit that's right.

virtualwar12345 • 23 points • 6 June, 2020 11:03 AM

This is pure bullshit

If this is true then every woman is a filthy gold digger bitch deep down

Orionpax721 • 9 points • 6 June, 2020 11:43 AM

lol this is true but also sad

PrettyflyforWif1 • 32 points • 6 June, 2020 09:41 AM

ofc is every men a rapist. How could a man NOT be a rapist

ZubinB • 36 points • 6 June, 2020 11:11 AM

"He looked at me funny", he's definitely a rapist!

jaffaraleem • 29 points • 6 June, 2020 11:43 AM

"He looked", rapist for sure

Dayofid • 19 points • 6 June, 2020 12:14 PM

"He" 100% rapist.

sennaiasm • 11 points • 6 June, 2020 01:47 PM

These comments are a bit to rappey for me. I'm out

spaghettaguett • 4 points • 6 June, 2020 07:29 PM

"He breathed the same air as me, and that air touched my vulva, and I did not consent him touching that air, therefore he is a rapist"

OmnipotentToot • 2 points • 6 June, 2020 09:35 PM

"Waaaaaa. That man's air all the way across the world from me will eventually come to touch my vagina, and then circulate back around to his penis, and that means he raped me!"

[deleted] • 11 points • 6 June, 2020 01:50 PM

By the same logic, every woman is a prostitute.

[deleted] • 2 points • 7 June, 2020 02:58 AM

Lmao

PastMyBedThyme • 10 points • 6 June, 2020 11:57 AM

Guess that means her dad is a rapist

OmnipotentToot • 2 points • 6 June, 2020 09:38 PM

She probably thinks that too. Maybe she's like this 'cause her dad disowned her for prostituting herself, and she wants revenge against all men.

wer282 • 8 points • 6 June, 2020 12:04 PM

It's between that and a mental illness

Poseidonram1944 • 8 points • 6 June, 2020 12:10 PM

Somebody spent like \$2.60 aud on that post...

Holy fuck that sub is cancer

canieatmyskinnow • 8 points • 6 June, 2020 11:57 AM*

Haha the account is deleted, well deserved

How many people use the internet? Or watch porn? It's impossible to say that the 90% of men watch that porn if not all men even watch porn or use the internet, that statistic is false

And even if they say that for some reason that is enough for them, the majority of population have low ages like a teenager and that means the majority of people who watch rape are horny teenagers saying they are +18 so this applies for women too.

So, does this mean that all men rape and all women are just bitches who want to be raped?

No you dumbass it just means that when a horny teenager watch some dick or boob they won't care at whatever shit will be there and will masturbate

The charges about rape are low because you still live in a world where women are underpaid by a lot, women aren't paid when they are pregnant and the president of the United States raped like five women just to "talk" with them so they changed their witness.

(He fucking paid them)

Madusch • 5 points • 6 June, 2020 02:01 PM

If they hate rape so much, why do they participate in so many rapings?

Checkmate feminists^{/s}

nightmare3828 • 3 points • 6 June, 2020 02:02 PM

I've never read such retardation

XxfagxX • 4 points • 6 June, 2020 04:12 PM

You must be new

Zero_the_Unicorn • 5 points • 6 June, 2020 02:13 PM

Like 90% of the girls I've known in my life have liked rape porn and most of them actively searched for it too. Way less for the male side of friends. Like, less than 5%.

Xsailrx • 3 points • 6 June, 2020 04:42 PM

I swear to god everyone on that sub does not have common fucking sense

I mean, most feminists don't anyway but that sub is far too deep into their bullshit to actually know what their fucking talking about

spaghettaguett • 1 point • 6 June, 2020 07:32 PM

yeah, what can I say? from a psychological standpoint, I guess they want to be liked by other females, because they are more similar to them, kind of like a tribe from ages ago I guess? and of course they relate more to other females, it's why dudes don't really relate to women problems, and women don't give a shit about the fact that in a part of Europe (hell not just Europe) the courts are completely biased.

JosephND • 2 points • 6 June, 2020 05:29 PM

Heads up to anyone commenting in that topic: it was posted 2 months ago, posting in the past 12 hours can count

as a brigade and Reddit can use events like that to close down this subreddit.

spaghettaguett • 1 point • 6 June, 2020 07:32 PM

Yeah there's a thing called using alts my man

JosephND • 1 point • 7 June, 2020 12:20 AM

That.. has nothing to do with what I said, though. Posting over there on alts won't get your main banned, but it could get this subreddit banned for brigading. That can still happen, they just have to say that a post here was directing people to a post over in their sub.

spaghettaguett • 1 point • 7 June, 2020 02:44 AM

Ah, well hope people don't do that, then what I assumed was that if you post comments on subs like this, that empower dudes, then post on misandrist subs, that's basically brigading didn't know it counts as brigading if you make a new account and then post something there

RubbleRodent[] • 2 points • 7 June, 2020 12:12 AM

Ya know to be honest I think if everyone on that sub were to collectively just disappear no one would care to much

cheeseman028 • 2 points • 7 June, 2020 06:45 PM

How does this kind of stuff get hundreds of upvotes?

username2136 • 2 points • 9 June, 2020 12:14 AM

My God. One of the comments says that there are studies that says that most men are OK with rape. They are probably referring to studies that were done by feminists that conflates feelings of attraction as rape urges.

Egalitarianwhistle • 1 point • 6 June, 2020 04:26 PM

I'm going to say it louder for the people in the back.

RACISM AND SEXISM is wrong, regardless of who is being racist or sexist. (Yes. Even if it's not systemic.)

SpartasBest • 1 point • 6 June, 2020 04:55 PM

Even if this was true in any ways shape or form, I've seen plenty of women admit they have rape fantasies about being "taken" or whatever, how does these low IQ individuals explain that? Is it "muh patriarchy"

Dereltih • 1 point • 6 June, 2020 06:17 PM

oh lord..

beniesixx98 • 1 point • 6 June, 2020 06:19 PM

Those comments make me want to puke

ZenkaiLane • 1 point • 6 June, 2020 07:29 PM

LMAO by this logic

ALL WOMAN KILL KIDS

CANT DENY IT LADIES!

blisterward • 1 point • 6 June, 2020 07:40 PM

Every women is a baby murderer

boundarychimps • 1 point • 6 June, 2020 08:01 PM

Remember folks, feminism is really about *equality*, and men don't need their own activism because feminist activists support their well-being just as much as they do women's.

crestedgeckoboy • 1 point • 6 June, 2020 10:12 PM*

How can you get a sub taken down? That's a pure hate subreddit and isn't there a rule against discriminatory subreddit. Maybe theres not but I hope so because something needs to be done about that hateful sub

Edit: just checked and I couldn't find a rule about discrimination (however I may have missed it) but there is a rule against inciting violence and a lot of comments I saw while scrolling through that hell hole where very vocals about "getting rid of men" and "disposing of them" which is basically the same as saying kill all men, and that is against reddit's content policy and it's only fair that those users should be banned same with anyone with those beliefs about any other group

japanese-bo1 • 1 point • 10 June, 2020 08:35 AM

the absolute minimal time they get is 5 years (in the worst cases possible)

prisons are not supposed to be just to hold prisoners there for decades until they wither away

prisons are supposed to be for rehabilitation

noodles_of_cum • 1 point • 12 October, 2020 06:27 PM

true
