DukDucc • 48 points • 3 June, 2020 09:26 AM

No, but that's sexist and misogynistic *insert sarcastic voice* well I mean it is but it's just as sexist as banning Father's Day

How can someone even believe this shit, let alone post it all over the internet???

Edit: spelling

"Ban Father's day! For 'equality'!"...

Only if "equality" means female supremacy...

Egalitarianwhistle • 16 points • 3 June, 2020 11:23 AM

IF you don't want to celebrate Father's Day. Nobody is going to make you. That's fine. But just because you don't want to celebrate it doesn't mean you have to ruin the nice thing for everyone else.

That's why the FAR Left has become illiberal.

I believe this sub could be brought back to life with something more up to date. I hate to say this but this is really old, it almost looks back and white.

So how exactly is fathersday offensive to same-sex male parents? Hm... someone here might not have thought things through before posting stuff...

NibblyPig • 14 points • 3 June, 2020 10:56 AM

6 years old tweet lol

Should Mother's day be banned because it's offensive to single fathers and same sex couples?

Im all for that gender equality baby

Foxkid639 • 3 points • 3 June, 2020 05:42 PM

If Father's Day is offensive to same sex couples and single moms, Mother's Day is equally offensive to male same sex couples and single dads. But oh wait, it's against guys so who gives a flying

gousaarmy • 3 points • 3 June, 2020 08:03 PM

Yeah, okbuddyretard

Plus, if a single father gets celebrated on mothers day, feminist get mad. If a single mother gets celebrated on fathers day, that's empowerment

seajayde[ ] • 2 points • 3 June, 2020 04:13 PM

Yes Father's Day is so very offensive to same sex parents...some of whom are male. Makes perfect sense! Virtue Signalling. Showing just how privileged they are by complaining about stupid shit. I bet people who get stoned to death just for speaking up about their abhorrent treatment wish they could complain about a day. On the other hand that was one tweet years ago by a retard so hardly thought by loads of people.

zaiguy • 2 points • 3 June, 2020 05:44 PM

In all cases of bigotry, whether it be racism or sexism or whatever, I wonder what comes first: being stupid makes you hate, or the hate fills you so much that you become absolutely stupid?

ChrissyMoltisanti- • 2 points • 3 June, 2020 08:09 PM

I cannot believe that this is what people worry about.

killingtonitself • 2 points • 5 June, 2020 03:36 AM

whos gonna tell her single fathers are a thing?

EightBitEmi • 1 point • 3 June, 2020 06:50 PM

No, because there are still regular ol' male and female couples and there are single mothers who don't mind receiving gifts on both Mother's Day AND Father's Day. Lol Two holidays for mama? I'm all for it.

Killermunk\_smurf • 1 point • 3 June, 2020 11:09 PM

Did ya know that we have men's day too. WHICH WE DON'T FUCKING CELEBRATE cuz of ya feminists. Feminists in 2020 are fighting for supremacy. Cuz they're dumb, fat, ugly and no men likes them and they blame it on men for. MEN ARE SEXIST REEEEEEEE. No you're an dumb bitch...
