Most men don't like / love women

Facts

They just like the feeling of having their penis inside our vagina. Or they love bragging about having sex. Or they love bragging about having a hot girlfriend.

When they say they love women, it's usually because of our physical or the status/privilege we give them. Men never love women for who they are. It's always something else, something pragmatical.

Men also use women for emotional labor, preferably someone they also find attractive.

Men are spiritually, intellectually and emotionally in love with other men. They are only physically attracted to women.

Men are homoerotic.

That is one angry full of hate blue hair tumblr pig. Sheesh...

dankest_taco • 17 points • 15 May, 2020 11:20 PM

My hair is slowly turning pink after reading this

Yeah I saw some of their “humor”, quite possibly the most unfunny shit I’ve ever seen

EpicKiwi225 • 40 points • 15 May, 2020 07:04 PM

Jokes on them, it ain't gay if you're wearing socks

Doctor-Jager • 1 point • 19 May, 2020 06:29 PM

No homo

MingSushi • 40 points • 15 May, 2020 07:58 PM

I love how this is “Fact” but you could literally use the exact same argument for women.

Women don’t like/love men. They only want their money and when a woman says she loves a man, she’s talking about his wallet. Notice how women don’t date guys that have a lower salary, didn’t go to college/have the same degree or if he still lives with his parents but she expects the man to not complain about those things when she does it.

Literally the exact same argument.

Philletto • 18 points • 15 May, 2020 10:59 PM

She sees mens' love of women the only way she could understand. Unintentionally told us how women feel about men.

TraumaJeans • 4 points • 16 May, 2020 01:29 AM

Not all women. Let's not descend to feminist level

MeinChutiya69 • 27 points • 15 May, 2020 08:03 PM

Yeah because men don't love women who are their mothers, sisters, partners, wives, friends or daughters. That's

all we see, a hole. Just a hole. Not a beautiful person, not a compatible personality, not mutual attraction and support. Only a hole.

vicsj • 7 points • 16 May, 2020 02:25 AM

Great point. I like that argument against feminists. They are quick to dehumanise men saying "all men are trash" or "kill all men" until they remember their father, uncle, brother or son. Oh really...? *All* men, huh?

TraumaJeans • 2 points • 16 May, 2020 06:22 PM

It's a self fulfilling prophecy. I imagine it's very *challenging* to love someone as jaded, bitter and damaged as the person who wrote the screenshotted post. Which just reinforces their belief "we don't feel loved" - haha, what else did you expect. It's just you though, not all women.

phantasy_pron_star • 20 points • 15 May, 2020 07:24 PM

Political lesbian projection

Jakeybaby125 • 33 points • 15 May, 2020 07:11 PM*

I'd prefer most men to be gay. More pussy for me. Not from these crybaby femcels though. From normal women.

spike1611 • 14 points • 15 May, 2020 07:11 PM

oof

Ziodyne_Ham • 13 points • 15 May, 2020 07:40 PM

Most of us just want somebody to care about us, and a girl who is willing to listen about our problems, and vice versa

vicsj • 4 points • 16 May, 2020 02:28 AM

And that's exactly what you deserve. Feminists tend to forget men are human too.

KindPrecise • 10 points • 15 May, 2020 09:19 PM

Most women in straight relationships see men as a financial bankroll for them and their desire to have a nicer car, house or status than the other school moms at the school gate. It's objectification of wallets and why hypergamy exists.

There, fixed it.

tharkyllinus • 8 points • 15 May, 2020 08:07 PM

Whole lot of projection going on here.

Radikost • 8 points • 15 May, 2020 08:08 PM

How can any woman know what every single man in this crazy world wants and thinks?

Omar-Elsayed • 3 points • 16 May, 2020 02:14 AM

Exactly

donkongmdk • 7 points • 15 May, 2020 07:50 PM

Yeah, it sucks to love your bros because you can trust them without a doubt and they will love you too no matter

what /s. Unlikely is for the other sex. That's why most men go out with their bros even if they have a gf.

Brotherhood is real.

But hey, i guess we are gay because we care for our friendships.

MyNameBlank • 6 points • 15 May, 2020 11:12 PM

Jokes on them

I hate everyone

Omar-Elsayed • 6 points • 16 May, 2020 01:41 AM*

Most women don't actually love men

Their just in love with their wallet. Or brag that they have a rich husband.

When women say they love men, it's usually because of their physical, or financial/economical privilege we give them.

Women are spiritually, intellectually and emotionally in love with other women. They are only physically and financially attracted to men.

Women are homoerotic.

See? It works both ways. Most men don't actually see their wives as objects and most women don't actually see their husbands as walking wallets. This user u/Blood_Priestess is probably one of many feminists who could not find anyone to love her.

Blood_Priestess • 0 points • 16 May, 2020 04:03 PM

reversing the genders has never been a counter-argument, something you should know.

and no, you didn't make a point; you made yourself look like an idiot with a marblebrain.

Omar-Elsayed • 6 points • 17 May, 2020 12:42 AM

You also did not make a point at all. Many people know what you said was a lie, or said out of pure ignorance. You did not back up your claim with any evidence. Admit it, you just never had anyone to love you, so you assume that all men don't actually love their wives or partners to make yourself feel better, even though most men do love their wives.

MuhMeinLeloAb • 2 points • 23 May, 2020 07:52 AM

the sheer ampunt of misogyny in ur post history tells me you arent even having double digits in ur age

endmymisery42 • 5 points • 15 May, 2020 08:11 PM

Well I'm gay now because I'd rather be gay then have to deal with whatever that thing identifiys as

EJSGA • 6 points • 15 May, 2020 08:29 PM

Bold of you to assume I'm not physically attracted to men too

ColoradoLady72 • 5 points • 15 May, 2020 08:41 PM

Damn, as a chic; I had zero idea that my vagina had such power; as to captivate a man and hold onto him. Oh wait, it's her that thinks that way. My bad....

rbecker260 • 5 points • 15 May, 2020 09:52 PM

Wait so if all men are gay wouldn't that make all women lesbian

Charmingaxelotl • 4 points • 15 May, 2020 09:47 PM

TIL; liking vagina is gay.

Ogreblack • 3 points • 16 May, 2020 01:15 AM

There is a very dumb walrus somewhere clapping at this right now

Siohor[] • 2 points • 15 May, 2020 08:34 PM

That's not really true though.

dirgros • 2 points • 15 May, 2020 09:09 PM

That's fucking incoherent and insane.

Diogenes-- • 2 points • 15 May, 2020 09:12 PM

I don't have kids, but if I did, I could love my own children. The reason I could never love a woman is that a child's mind in an adult's body is repulsive.

Istvaan69 • 2 points • 15 May, 2020 09:28 PM

It's not gay unless balls touch

wawwawawawawaw • 2 points • 15 May, 2020 09:34 PM

Physical maybe but status/privilege? Bitch you don't give us shit.

Charmingaxelotl • 2 points • 15 May, 2020 09:46 PM

Wat

supermarioplush220 • 2 points • 15 May, 2020 10:09 PM

Men use woman.

More like vice versa.

Lui_Le_Diamond • 3 points • 15 May, 2020 11:35 PM

People use people.

hsjsjsjsksskawiej • 2 points • 15 May, 2020 10:33 PM

Yes

jacktotheb • 2 points • 15 May, 2020 10:50 PM

As if the reason people talk about Sarah Cameron from outer banks so much isn't because of her personality

beniesixx98 • 2 points • 15 May, 2020 11:14 PM

I have several questions as to how and why that what u think of men

samosasandmimosas • 2 points • 16 May, 2020 01:46 AM

This is so hard to read. Broke my heart that women actually think this way!

Capporetto • 2 points • 16 May, 2020 02:03 AM

You could easily just say "so?" And the entire argument is dismissed.

vicsj • 2 points • 16 May, 2020 02:29 AM

Oh shit, I'll have to break it to my boyfriend of 4 years that his feelings for me are completely invalid and fake :(

biggameprogramming • 2 points • 16 May, 2020 03:07 AM

Yeah, if I had a choice between that level of delusion and having sane male friends (gay or straight), I'd hang out with sane male friends.

akula_dog • 2 points • 16 May, 2020 04:01 AM

Is "emotional labor" the new horseshit feminist buzzword to add extra layers of victim status to women?

GiannisPelle1 • 1 point • 15 May, 2020 09:47 PM

I'm really confused after reading this

Combatmedic2-47 • 1 point • 15 May, 2020 11:48 PM

I died a bit reading this.

chambertlo • 1 point • 16 May, 2020 12:54 AM

She says this like it's a bad thing. Lmao.

TSF_Frostbyte • 1 point • 16 May, 2020 01:47 AM

She must be fun at parties

atlas794 • 1 point • 16 May, 2020 01:57 AM

So. Who touched you?

xero-wing • 1 point • 16 May, 2020 10:41 AM

I know some ones already pointed this out but I feel this is just projection as well as reversing what the MGTOW usually say about woman.

skbraaah • 1 point • 16 May, 2020 08:57 PM

when a brainless person tries to use logic

hashpanda74 • 1 point • 17 May, 2020 10:58 PM

Actually I prefer to have a smart kind emotionally stable women with a good sense of humor. Vaginas are more or less the same. You'll find many a hot girl before any of the above.

gmocult97 • 1 point • 25 May, 2020 08:38 AM

'Crushing pussy marry a man' springs to mind

LeftyLucario • 1 point • 5 July, 2020 01:21 PM

Cry moar penis envy.
