this is all Amber Heard's fault. Fuck that bitch.

Egalitarianwhistle[S] • 12 points • 13 May, 2020 05:34 AM

To be fair, it was the #believewomen that enabled her. Everyone decided that it's easier to pre judge people based on immutable characteristics rather than actually look at evidence.

And there was plenty of it against Amber from the beginning.

not even counting the fact that Amber's ex gf reported her for domestic violence and Johnny had to get 5x the evidence to prove his innocence then Amber did just to accuse him, yet she still managed to do major damage to his career, she committed domestic violence against johnny, cut his finger off, and is now accusing him of domestic violence and sexual assault, yet feminist organization's are still backing and supporting her. It disgusts me.

I'd love for men to be equal to women before the law but equal in the public eye would also be a start.

If an obvious false accusation can take down a movie star like Johnny Depp despite all the evidence against Amber... what chance does a blue collar scrub like me stand if my spiteful ex-girlfriend decides to obliterate me as soon as I start dating someone else?

How am I supposed to prove that not only did I not abuse her but that she was a horrible girlfriend? I'm willing to let go of times she slapped me and also breaking my electronics, I just don't want her to permanently damage my online reputation. But that's totally up to her whim and I am absolutely defenseless against it.

Saving private Karen

I have a stupid question, but where did the term "Karen" come from?

This is hilarious by the way.

DevilComeKnockin • 9 points • 13 May, 2020 12:21 AM

Word is that "Karen" was originally coined by black folks working in customer service to describe self-entitled white soccer-moms who talked down to everyone.

dirgros • 2 points • 13 May, 2020 07:24 PM

That's about right. Along with "Becky."

Egalitarianwhistle[S] • 5 points • 12 May, 2020 09:33 PM

No idea. Just slow evolution on the internet. Same reason for Chad.

Lookadoggo • 5 points • 13 May, 2020 02:13 AM

Egalitarianwhistle[S] • 9 points • 13 May, 2020 03:46 AM

If you don't see it on opening night it's because you hate all women., *you fucking misogynist.*

Steeltrap666 • 3 points • 13 May, 2020 11:17 AM

I'd still rather be accused of that than see it lol

Egalitarianwhistle[S] • 1 point • 13 May, 2020 03:18 PM*

Why do you hate all women? /s

Lookadoggo • 2 points • 13 May, 2020 04:17 PM

Just...why ruin a great movie series??

Egalitarianwhistle[S] • 3 points • 13 May, 2020 04:24 PM

Agreed. Why not bring Johnny back? The guy was pretty badly abused and does a lot of great work as Jack Sparrow visiting kids with cancer.
