Welcome to the club

Oceanfell • 15 points • 31 March, 2020 05:45 AM

Did you already join this subreddit before the comment?

dw308[S] • 13 points • 31 March, 2020 05:45 AM

No I hadn't joined any pro men subreddits.

Oceanfell • 17 points • 31 March, 2020 05:48 AM

Well they're kind of tyrannical, banning anyone they want, so you really lucked out here.

And this isn't really a pro men subreddit, more an anti-feminist subreddit.

TraumaJeans • 10 points • 31 March, 2020 07:48 AM

I see this sub as much pro men as it is pro women.

waduhekdisis • 5 points • 31 March, 2020 10:56 AM

Perfectly balanced, as all things should be

andeshc • 1 point • 31 March, 2020 11:49 AM

You are inevitable

VestigialHead • 25 points • 31 March, 2020 06:20 AM

Yes because you are subbed to r/antifeminists.

If r/feminism mods see a new user that makes a comment that does not immediately stroke their ego they check your other subs and comments. If you look like a male or are subbed to any anti-fem subs immediate permaban.

It is the only way they can prevent the sheep in their feminism group from learning about reality and keeping them brainwashed.

TraumaJeans • 7 points • 31 March, 2020 07:51 AM

I've been posting there for a while, not even aligned with their textbook agenda (and getting upvotes!), then single comment on how extreme/vocal minority of feminists undermine the whole movement got me insta banned.

VestigialHead • 5 points • 31 March, 2020 07:54 AM

It may have been the first of your posts that someone reported - so you might have been flying under the mods radar before that.

TraumaJeans • 5 points • 31 March, 2020 07:59 AM

Possibly. What I was saying, you can get banned even when their userbase agrees / doesn't disagree with you.

VestigialHead • 3 points • 31 March, 2020 08:00 AM

I am saying you likely got banned because you are subbed to reddits that are not liked by r/feminism mods.

TraumaJeans • 3 points • 31 March, 2020 08:01 AM

I don't think I was at the time

mulletmcnasty1 • 5 points • 31 March, 2020 09:50 AM

Can confirm, I was permabanned for commenting about Johnny Depp being assaulted. And also got a parting shot from the mods. I have been banned from 2 subs and are these snide parting shot comments standard practice for all subs?

Sk13cn • 9 points • 31 March, 2020 05:17 AM

What comment did you post?

dw308[S] • 17 points • 31 March, 2020 05:46 AM

About Kavanaughs accuser disappearing with a lot of gofundme money

Philletto • 8 points • 31 March, 2020 07:26 AM

instaban ☐

KindPrecise • 5 points • 31 March, 2020 05:56 AM

They are an echo chamber and hate everyone who isn't part of their insufferable nonsense. They only want to talk to other feminists who live in the same bubble. I'm a lesbian and asked a question... they shoved me out too. Didn't like me challenging their (un)reality

Arteemiis • 4 points • 31 March, 2020 07:10 AM

Because feminists welcome all sides of the argument and are up for discussion /s

[deleted] • 5 points • 31 March, 2020 12:16 PM

I got banned because I told someone that not every anime is going to conform to every ideal of feminism.

toby\_tabz • 3 points • 31 March, 2020 10:52 AM

Did you say something logical coz women hate that

itsalexcl • 1 point • 1 April, 2020 05:44 AM

I think you wanted to say feminists.

toby\_tabz • 1 point • 1 April, 2020 07:16 AM

Meh sometimes ☐ but I know a lot of females who aren't and are still illogical no offence

epicminecraftmemer • 2 points • 31 March, 2020 10:04 AM

Idk man but I got banned a while ago for saying go back to the kitchen

Maleoppressor • 2 points • 31 March, 2020 01:50 PM

If you don't get banned from r/feminism, you must be doing something wrong.

[deleted] • 1 point • 31 March, 2020 07:51 AM

Seriously did you expect anything else from those useless creatures?

charisma2006 • 1 point • 31 March, 2020 09:42 AM

I had the same thing happen to me when I posted a question on r/racism because I sub to r/Conservative . I asked a very neutral question that was in support of their sub, and was permanently banned.

Heterodynist • 1 point • 31 March, 2020 09:46 AM

It's probably is like how I got shouted out of polyamory by bigots...Say one thing that offends an SJW and all pretense of opened minds vanishes. Their hypocritical fascism comes out 100%.

ReaperManX15 • 1 point • 31 March, 2020 11:02 AM

Because you walked into an echo chamber. I was banned for the crime of reversing the pronouns of the OP.

WashYourNose • 1 point • 31 March, 2020 12:32 PM

Did you ask a question? Strong, independent women don't need questions in their lives :P

zeerust2000 • 1 point • 1 April, 2020 04:28 AM

It's r/feminism. Don't ask why. And, welcome to the club.

Mevaa07 • 1 point • 2 April, 2020 06:00 PM

Me too

chambertlo • 1 point • 31 March, 2020 08:11 AM

Because feminist women are fragile and weak creatures that are offended over words instead of talking like grown adults?
