I got auto banned for saying “The wage gap doesn’t exist”

But it doesn’t exist how can you get banned for telling the truth?

bipolarbear62 • 2 points • 9 March, 2020 06:00 PM

They can’t prove that it exists so they just autoban anyone that says it without a debate

I think it may be the easiest sub to get banned from on reddit.

Which makes it the worst circle jerk and echo chamber as well.

Wow what did you say exactly?

BCEclan[S] • 4 points • 8 March, 2020 04:33 PM

"He obviously meant that it is no use for women to put each other down."
