ShowerThought: Having a man is like owning a gun. In theory you have it for protection and to feel safe and confident, but statistically it's actually more likely to kill you and someone you love than to be used against someone who is actually dangerous to you.

That entire sub should be renamed "How to become a bitter single mother with zero dating prospects after driving anyone worth a shit completely away with the disgust of your whoreish past and absolute black hole of a personality"

Having a woman is like owning a gun. There, I fixed it.

[deleted] • 21 points • 7 March, 2020 06:39 PM

If we made similar post but about women, reddit either would have quarantined or banned the sub

aayushVinayak • 23 points • 7 March, 2020 05:38 PM

Female incels be like

Masterchefpetyofficr • 9 points • 7 March, 2020 10:09 PM

Incел was coined by a woman for women actually, dunno why it's been used for men

aayushVinayak • 1 point • 7 March, 2020 11:50 PM

Really?

Masterchefpetyofficr • 1 point • 8 March, 2020 12:05 AM

Yep

nestofbees123 • 2 points • 8 March, 2020 03:47 AM

Can I see your sources?

who_said_it_was_mE • 2 points • 8 March, 2020 08:12 AM

Nope

Pro_Male_Vanguard • 10 points • 7 March, 2020 07:04 PM

It really tells you how they see men - either as useful utilies or homicidal maniacs. Very dehumanising.

Egalitarianwhistle • 13 points • 7 March, 2020 04:08 PM

I don't think there are any stats on how often men protect their partners.

But I do know that in the USA 1/3 of all spousal murders are female on male.

MardGeer • 13 points • 7 March, 2020 04:55 PM

So 2/3 are male on female. Not saying I like feminists but use stats wisely.

Malicious84 • 10 points • 7 March, 2020 05:56 PM

That's like saying 20% of homeless people are females.

MardGeer • 3 points • 7 March, 2020 06:04 PM

Exactly, 80% is the bigger problem and needs rectifying immediately. Same with the 2/3 issue. Crazy how people don't look at the rest of the data when they shoot their opinions out.

Smsebas • 1 point • 26 April, 2020 08:06 PM

I think you are missing the point, he is addressing the 1/3 part cuz it is portrayed that it never happens, when in reality it happens often enough to make it 1/3 of the cases.

sparkybooman27 • 3 points • 7 March, 2020 09:59 PM

Just peeped the sub. Fuck it's toxic

Chaos_insgent • 3 points • 7 March, 2020 10:06 PM

Wait ppl have relationships for protection? That's the exact opposite reason of why I have relationships! (The smart ones will get the joke)

[deleted] • 1 point • 9 March, 2020 02:14 AM

lol

Chaos_insgent • 1 point • 9 March, 2020 04:02 PM

Yep

BrokenMadTrain • 3 points • 8 March, 2020 05:17 AM

Having a woman is like owning an atomic bomb.

KindPrecise • 2 points • 8 March, 2020 06:19 AM

Having a woman is useful when light bulbs ☐ need changing. She can just put her hand up to the light fitting and wait until the world revolves around her....

nbowers578331 • 2 points • 8 March, 2020 05:00 PM

Heh, best part is I'm pretty sure that statistic is wrong when you remove these suicides from the data set

QS26 • 1 point • 8 March, 2020 12:26 AM

This is bullshit straight up.

who_said_it_was_mE • 0 points • 8 March, 2020 08:12 AM

To be fair, it is the female equivalent of the male incels
