Those pancakes titties are like an alligators tail. arguably even more dangerous since they stretch when swung. This makes it very difficult to judge their range..a potentially lethal miscalculation

YeastBeast33 • 3 points • 25 February, 2020 07:22 AM

Is this real human or cosplay with some material ?

PutridMeatPuppet • 2 points • 25 February, 2020 03:25 PM

Attack of the Cellulitic Psycho
