You know feminists let me break it down for you

1) Who gave you freedom? 2) Who let you vote? 3) Who fights wars for you? 4) Who has sex with you so you can have a kid that can eventually be the love of your life? 5) who helps you financially?

Let me be the first to tell this "man" in regards to his "protest", hey that's not cool, don't do that.

CommitZydecoPerverts • 4 points • 1 February, 2020 04:36 PM

I don't mind being both places, thanks.

So what's actually wrong with the clip? Cause all I'm seeing is really tired incel ranting.

Khufu2589 • 4 points • 1 February, 2020 03:15 PM

And what's incel about this sub exactly?

BlatantNapping • -1 points • 1 February, 2020 03:31 PM

Well, most of the posts and comments are about hating women. Sometimes they're derogatory towards Jews and people of color. This is the first post I've seen OP outright using the word "cuck" and commenters agreeing, that terminology is very incel. The undercurrent of the post is that the guy in it is what incels call a white knight, and that he must be a beta that's supporting women with the end goal of fucking them. If not that, I can't see what you all think is wrong with the clip.

One thing most of these meme posts have in common is that they're bereft of any actual critiques of feminism. So, it seems to me the sub is mostly a place to shit post incel and incel-adjacent ideology.

I still come here looking for any legitimate positions against feminist philosophy. The closest I find is the "I'm gonna go post to rfeminism asking why feminists hate men so I can get banned by the fEmiNaZis lolz" posts that clog the history.

I was hoping for better.

Khufu2589 • 5 points • 1 February, 2020 04:35 PM

Well feel free to go on subs hating on men and whites. They're is plenty of them to keep you busy. Cuck and white knight are not incel terms. You dont get to link terms that describe reality to unpopular movements, even though there absolutly pertinents, just to discredit any criticism and the originator of the comment. It is not for nothing that feminist are trying to erase the term and concept misandry from our collective use and memory; they dont want it to be used againat them to describe they're own sorry ass behaviour. This is 1984 level totalitarian newspeak bs, and you're doing similar right now.

Now, back to this post. The term whiteknight perfectly describe this guy. And the post is pertinent, as it is one of the goal of feminism; turn men into subservient slobs.

It's not an incel term. "Cuck" started getting popular when Trump was running for president. It was short for "cuckservative" - a term used to describe people who claimed to be conservatives or Republicans but opposed Trump. Now it's used to describe self-hating whites, self-hating men, and self-hating Americans.

"I'm not just a bigot! I have a philosophy! What is it...uh...uh... I'm not going to explain it to you, you wouldn't understand! Also I totally have a girlfriend. It's very important that I make that point because my ability to have sex with women defines me. But that doesn't mean I subscribe to incel ideology! Fuck it I'll just lash out!"

What's your issue with BDSM anyway, Mr. Girlfriend-haver?

If you use incel terms and have the incel mindset, it's very easy to presume you follow the incel ideology, despite whatever claims you might make to the contrary.

If you'd like to know more about BDSM I'm happy to talk about it and that's pretty clear considering I post from an account that is active in BDSM communities, as you yourself were quick to discover. I play as a female submissive though, so I don't know much about Femdom.

I\_Fucking\_Love\_Traps • 1 point • 1 February, 2020 03:33 PM

the whole "if you dont get it youre not worth me explaining it to" thing aint cutting it for me bud  
guy in the clip just says men gotta step up whats wrong with that

Gordop • 1 point • 2 February, 2020 12:07 AM

I think it is women's turn to step up. Start providing for men and take care of them. Address their issues with concern and compassion. Start cooperating with men instead of regarding them as some sort of defective human. Feminist will either scoff, laugh or get angry at any of that though if you haven't first bent the knee. You have to confess your "sins" before you can be "saved". I already rid myself of one religion, I'm not in the market for another.

CommitZydecoPerverts • 3 points • 1 February, 2020 04:36 PM

The only incels on this sub right now is the guy in the video and you.
