The right is butt hurt about Greta because she beat Trump so they're spamming the internet with Greta memes lol. OP you spammed this in so many subs, you're a joke lol. A teenage European telling you to drive less scares you?

Why does everyone hate greta so much. She is just a girl who wants everyone to start thinking about the planet. You guys should hate on the politicians for using her. Not on a 16 yo girl. I am not a fan from her but some of you guys need to calm fown a bit.

I'm going to assume you're talking about the Tobey McGuire look alike with fetal alcohol syndrome in the bottom right. And just to be fair, her mother drinking while pregnant probably made her mentally disabled. But I see your point.

I've been seeing this fetal alcohol syndrome child everywhere lately, whats her deal?
