These women invoke more emotional responses than all their counterparts combined. Have you seen AOC cry cause she can't have a baby(cause climate change)? Pandering the public.

InformalCriticism • 6 points • 4 November, 2019 01:33 PM

Yeah, there are better ways to push feminist propaganda.

lkjiomva • 39 points • 4 November, 2019 01:55 AM

Actually, that would be women. The argument many women used in the US against universal suffrage for women was that politics was dirty and beneath women, the fairer sex.

Kalb157 • 31 points • 4 November, 2019 02:43 AM

Cherrypicked photos are cherrypicked.

ILOVHENTAI • 3 points • 4 November, 2019 12:10 PM

Damn right

memesrblood • 24 points • 4 November, 2019 02:15 AM

Lmao they aren't even spkeaing but the men are, how tf are they meant to be emotional

DemocratTears2020 • 24 points • 4 November, 2019 02:28 AM

Could bake a record setting pie with all that cherry picking.

KingMaegorTheCool • 13 points • 4 November, 2019 06:44 AM

There is an interesting quote by the amazing atheist “I didn’t refuse to vote for Hilary Clinton because she was a woman and too emotional to be a president, I think the bitch was too emotionless to be a president.

mbpDeveloper • 5 points • 4 November, 2019 06:50 AM

Yeah with that lizard face/tongue and all.

ya\_boi\_daelon • 9 points • 4 November, 2019 05:11 AM

Nothing shows a brilliant use of logic more than cherry picking 6 photos out of thousands that seemingly support your point.

YeastBeast33 • 6 points • 4 November, 2019 07:06 AM

So what happens equality motto ? Feminazis sure trying to proove that woman are better than man in this meme lul. Hypocrites

\_370HSSV\_ • 6 points • 4 November, 2019 08:23 AM

Use all the pictures out of context. That will prove the point. FALSE!

RichardJLyon • 6 points • 4 November, 2019 08:44 AM

Having run out of legitimate grievances, feminist ideology is compelled to invent them to maintain the thousands of advocates who's livelihoods depend on it.

Zzellama • 4 points • 4 November, 2019 06:01 AM

There's a reason all the posts on that sub are locked so people can't comment. It's just like r/femaledatingstrategy and people would call them out so often

Cash3603 • 11 points • 4 November, 2019 02:20 AM

Women shouldn't even vote. They're just way too emotional.

mbpDeveloper • 0 points • 4 November, 2019 06:49 AM

That was how it is in saudi arabia

ILOVHENTAI • 1 point • 4 November, 2019 12:11 PM

They vote there?

mbpDeveloper • 2 points • 4 November, 2019 12:14 PM

From 2015 they started to vote unfortunately.

ILOVHENTAI • 1 point • 4 November, 2019 12:17 PM

Well shit

Nils10Ip • 6 points • 4 November, 2019 06:28 AM\*

that sub is so cancerous

fuckyoureditx2 • 3 points • 4 November, 2019 06:11 AM

Anti feminist seems to have been infiltrated.

mbpDeveloper • 3 points • 4 November, 2019 06:48 AM

And no wonder they are disabled comments.

14446368 • 3 points • 4 November, 2019 12:52 PM

I mean, anyone can cherry pick a bunch of photos and then use it to strawman half the population... Also, now I know what that sub is... wtf?

username2136 • 2 points • 4 November, 2019 03:22 PM

They just got the only captured moment with the women's mouths closed. This is a strawman if I have ever seen one.

CrossTrap • 1 point • 4 November, 2019 10:45 AM

They are too emotional for office.

EchoDahrk • 1 point • 6 November, 2019 07:45 PM

Have they met my mom? She only has emotions when she's hurt but never when anyone else is

[deleted] • 1 point • 8 November, 2019 03:37 PM

God forbid a man is passionate.
