ArtemisX88[S] • 27 points • 30 October, 2019 11:34 AM

Lmao, more than likely, the funniest thing is that I messaged my friends saying I'm gonna get downvoted to oblivion and then I got banned, which was just fantastic

RainbowsOfNight • 4 points • 30 October, 2019 10:33 PM

Bruh they stopped reading at "Hear me out"

[deleted] • 30 points • 30 October, 2019 11:09 AM

ArtemisX88[S] • 47 points • 30 October, 2019 11:15 AM

Actually no, there was a comment telling me I'm a Nazi...

[deleted] • 28 points • 30 October, 2019 11:46 AM

Not surprised they call me Nazi irl and I'm an Arab. Not sure how I can qualify as a white supremacist?

Lol my apologies, you are right. We live in a time where how you "feel" outweighs biology. I forgot my bad.

JayTheFordMan • 8 points • 30 October, 2019 02:25 PM

That's called "internalised racism" :rolleyes:

ILOVHENTAI • 15 points • 30 October, 2019 11:43 AM

Amateur! I got banned from /r/AskWomenOver30 for pointing out that if a woman wants commitment from a man she sees as a catch *he has to see her as a catch too!*

VileInsidias • 5 points • 30 October, 2019 07:52 PM

Basically everyone in this subreddit was banned for posting how, contrary to popular belief, the only men that are sociopaths are the ones who are emotionless. Not the ones walking down the street. Such as myself.

I, for example, posted how the human race literally could not survive if feminazi's eradicated males, as a lot of the remaining women would have husbands, and/or male children. If males were eradicated, the women whom had husbands or male children would be grieving, and would seek revenge against the ones who killed them. A war would rise between the women who had male family members and the feminazi's who killed them.

Also what would you do with the corpses? Burn them like they did with the Jews of Auschwitz? That's just cruel.

ArtemisX88[S] • 1 point • 30 October, 2019 07:56 PM

First point of your comment: I didn't know about that, but I felt I should share anyways. Second point: very

true the human race couldn't survive Third point: sorry but I *think* (not sure) they just threw all the bodies in a pit

VileInsidias • 1 point • 30 October, 2019 07:57 PM

They also burned em

ArtemisX88[S] • 1 point • 30 October, 2019 07:58 PM

Ah well thanks for correcting me

username2136 • 6 points • 30 October, 2019 04:58 PM

You would have had a better chance of swaying them if you provide sources but not a whole lot.

ArtemisX88[S] • 3 points • 30 October, 2019 05:27 PM

True, but I did say they could ask questions so if they asked about sources I would have provided

username2136 • 4 points • 30 October, 2019 06:24 PM

Oh yeah that's right lol.

richbordoni • 4 points • 30 October, 2019 05:43 PM*

It's a complete waste of time trying to convince women of anything using logical arguments. It's like squeezing a stress ball and seriously expecting it to pop. Women operate based on feelzz (feelings) and whatever is socially popular and acceptable at any given moment in time.

But unfortunately the implications of what I just said are too far outside of the "mainstream" and what we've been conditioned to believe for most men to accept.

ArtemisX88[S] • 2 points • 30 October, 2019 05:52 PM

Wow, you're not wrong

VileInsidias • 2 points • 30 October, 2019 07:55 PM

Also I made a hilarious meme where I showed a picture of someone in I think either r/feminism or r/theFairerSex who said 'feminism is an excuse for us to commit genocide (obviously she said it in a way that didn't seem so psychopathic) and how it isn't for equality of the sexes' so I showed them the google definition of feminism and guess what. It's about equality of the sexes.

ArtemisX88[S] • 3 points • 30 October, 2019 07:58 PM

Did you get banned?

VileInsidias • 2 points • 30 October, 2019 10:51 PM

Mhm. For posting about how radical feminism is not good.

ArtemisX88[S] • 1 point • 31 October, 2019 09:41 AM

Lmao

fuckyoureditx2 • 4 points • 30 October, 2019 02:46 PM

We have added SO many handicaps for men to even the playing field and we're still untouchable... we can't even see them on the horizon

tw1nm3t30r • 1 point • 30 October, 2019 11:11 PM

And that is why you don't try to reason with the unreasonable.

ArtemisX88[S] • 1 point • 31 October, 2019 09:42 AM

Lmao I thought they might try to be reasonable instead I got called a Nazi and banned

Not fucking surprised

ArtemisX88[S] • 1 point • 31 October, 2019 09:44 AM

Me neither

tallwheel • 1 point • 31 October, 2019 05:28 AM

What did you expect? You don't go the Transformers subreddit and start the post off with "Transformers isn't needed anymore," do you?

ArtemisX88[S] • 1 point • 31 October, 2019 09:46 AM

Yeah but, transformers is a pop culture icon, and feminism is a belief

tallwheel • 1 point • 1 November, 2019 01:14 AM

They're both the subjects of their respective subreddits. And people are subscribed to those subreddits because they like the subject of the subreddit. You're not going to get a lot of fans by going to a subreddit and immediately saying the subject of that subreddit is unnecessary.

[deleted] • 1 point • 2 November, 2019 08:05 PM

I got banned from femaledatingstrategy for saying that my female dating strategy is not sleeping with every man I find attractive and to solidify that I don't use birth control. I don't want babies and if they really want sex they are going to accept the fact that if they get me pregnant they're taking that child and I want nothing to do with it.

ArtemisX88[S] • 1 point • 2 November, 2019 08:08 PM

Lmao

HexanaRegard • 1 point • 3 November, 2019 11:28 AM

Women attempt suicide more and suffer from more mental illnesses including depression and anxiety than men

KingArea • 1 point • 30 October, 2019 04:32 PM

"Cause men are stronger but men and women are equal and there are 58 genders and equality exists without bias."

feminist thinking explained by AOL warrior

ArtemisX88[S] • 2 points • 30 October, 2019 04:38 PM

Bro, men are pigs what're you on about and there infinite genders. Really, you need to go your research lmao

REEEEEEE1337 • 1 point • 31 October, 2019 01:38 AM

ArtemisX88[S] • 1 point • 31 October, 2019 09:45 AM

Were making fun of feminists by using what they say ironically

REEEEEEE1337 • 2 points • 31 October, 2019 04:33 PM

Lmao, I wasn't, just felt polite to reply

holly_sheep • -20 points • 30 October, 2019 12:54 PM

Im pretty sure that woman have more depration (i think 2 times more) than man and And woman try to suicide more than man even men commit it more can you show ur resurse about the deprasion?

ArtemisX88[S] • 14 points • 30 October, 2019 12:57 PM

<https://www.mentalhealth.org.uk/statistics/mental-health-statistics-men-and-women> This site doesn't show the depression side of things but shows the suicide stuff, if anyone else has a link, feel free to reply

Also r/ihadastroke

dratonius • 1 point • 30 October, 2019 08:38 PM

Do you know why men commit suicide more? I'm a man and pretty depressed myself.

Have you noticed how cultural norms all over the world expect men to be tough, strong and all that and not show their emotions? If a man shows his emotions or cries, he's lesser of a man. So men just tend to bottle everything up just to fit this stupid expectation that society's given us. Women on the other hand are expected to be emotional, and that is fucking great because then they actually talk about how they are doing and feeling, and so are able to get better help for their depression. It's as simple as that.

It's so ironic how you're saying feminism is not needed anymore and we need to address men's mental health, while not realising that both these issues stem from patriarchy and are interconnected. Think about this a bit.

aAvocado62846 • 5 points • 30 October, 2019 05:36 PM

How would u feel if we banned u because u tried to debate us?

holly_sheep • 0 points • 30 October, 2019 07:36 PM*

I would feel bad, what is your point by asking this? I geuss your one of the people who disvote my post, i got -14 for try to debate this guy, even im anti femenist. When anti femenist talk about men suicide, they say that most suicide committed by male (what is true) but woman (what im not very sure about) t r y to suicide more. (The article who says this not in english but i can check ut in your languese if u want)

[deleted]

holly_sheep • -1 points • 30 October, 2019 08:34 PM

Why do you they are attention whores? Women who try to suicide and fail deserve equally sympathy and respect like men who try and fail

[deleted] 30 October, 2019 09:06 PM*

[deleted]

holly_sheep • 1 point • 30 October, 2019 09:32 PM

Im agree with some of your points, but i want to understand you clearly. Why they are idiots because their suicide attempt are not deadly? They dont try to inflate the statistics on the first place, it just (i geuss) that their proplems are smaller than the people who try deadly methods, but still this women have problems, im agree we need to have more sympathy/empathy (i dont understand the diffrences, if u can explain to me it would be cool) to the people (men and women) who try deadly methods and the ones who committed suicide. And last thing, i think you should be more specific on who are the idiots (most, few, all) Tnx for your answers :)

holly_sheep • 1 point • 31 October, 2019 08:00 AM

Im really appreciate ur apologies, but u dont need to. I dont think u was aggressive at all, (maybe a little bit by calling women who try "bad" suicide method). It will be great if we will continue our debate, i asked you in the last post few question to understand your point better. And one last thing, why my age matter?
