Take this anti-semetic bullshit somewhere else, it's making the rest of us look like /pol.

I'm personally even more pissed they probably didn't even make the cartoon they just edited the original (and poorly at that), and also added Ben Garrison's signature in.

are you kidding me? this shit pops up every week. and this post literally has hundreds of upvotes. so yeah, id say all the people who upvoted this racist shit is a racist. and the people who are commenting saying this is anti semitic, are getting downvoted.

BlatantNapping • 1 point • 26 September, 2019 05:06 PM

Y'all have been popping up on my feed for a week with stuff like this it's not just one post who are you kidding. The stuff that gets upvoted here is all just "feminists are crazy fat ladies eww" and now apparently some Nazi shit thrown in.

I'm not saying all antifeminists are incels but this subs favorite posts look just like incel threads to me.

[deleted] • 2 points • 26 September, 2019 05:25 PM

even if it was just "one post" this post has over 200 upvotes..... so, it says alot about the 200+ users who have no problem with anti semitism.
