Why are so many feminazis so ugly.

Little\_Princess1997 • 25 points • 21 September, 2019 11:15 AM

It's the reason they're feminists ☐ they try to make it look like they don't need no man when in reality no man wants them so they're bitter

GiveMeTheBroccoli • 4 points • 22 September, 2019 04:02 AM

The dark side has twisted their features but the political power they hold is well worth it and by that I mean if you criticise them it's sexist and you'll be beaten at the stake

prince\_nerdz • 5 points • 22 September, 2019 04:03 AM

Yes daddy beat me OwO

GiveMeTheBroccoli • 4 points • 22 September, 2019 04:04 AM

<https://www.theguardian.com/science/2014/nov/14/rosetta-comet-dr-matt-taylor-apology-sexist-shirt>

Took me seconds to find it. The shirt is a bit naughty, but jezz, never apologize. Tell them to stuff off.

justinc1337 • 5 points • 21 September, 2019 01:39 AM

It's just as, if not less inappropriate than what they are protesting in

shitpunmate • 15 points • 21 September, 2019 05:55 AM

Poor sad fucker being made to humiliate himself to keep his job most probably.

pushkar\_nark0 • 15 points • 21 September, 2019 09:24 AM

Fuck feminism

[deleted] • 10 points • 21 September, 2019 07:08 AM

I remember this. The shirt was made by his friend, a woman, and there was zero need for people to focus on that instead of his accomplishment. The hypocrisy and double standards from 'feminists' are ridiculous.

citerunner • 8 points • 21 September, 2019 04:09 AM

WE should make the day he landed a space ship on a comet an annual event. Lets celebrate Matt Taylor day.

MisPlacedNeuroBlue • 7 points • 21 September, 2019 11:32 AM

To be clear - nobody "forced" him to apologize for anything. He was/is a fundamentally weak person, he cracked, and bent the knee to the powers that be. He not only did himself a disservice, he strengthened their bullshit cause which has only gained more momentum since.

NEVER APOLOGIZE.

heyzoocifer • 6 points • 21 September, 2019 02:54 PM

Cool shirt.

tw1nm3t30r • 5 points • 21 September, 2019 04:59 PM

The guy landed a spacecraft on a comet, let him wear what he wants. He fucking earned it ☐

GiveMeTheBroccoli • 3 points • 22 September, 2019 04:01 AM

Some nice classic equal double standard

DarkNights292 • 2 points • 29 September, 2019 10:06 PM

I wouldn't of apologized if it was me

[deleted] • -2 points • 20 September, 2019 11:14 PM

Hmm no false equivalence

metal0737[S] • 2 points • 21 September, 2019 04:56 PM

How is it a false equivalence?

FluffyRedFoxy • -1 points • 21 September, 2019 06:36 PM

Bit of a fucking difference between getting called sexist because of your outfit and getting blamed for your rape because of your outfit.

[deleted] • 1 point • 29 September, 2019 04:39 PM

I agree on that 100% and I don't like feminism but you can't compare the two
