

IT conference in Germany cancelled because it wasn't "diverse", of the 250 submissions only one was a female and the rest were white males, so the while thing if it were to happen would've been deemed sexist by femenist. TL;DR this is communism, we are living in a communist state. Ruled by femenists..

This year's [@phpce_eu](#) conference seems to have gone with the "White Males Only" conference lineup 🙄

Shame. It's 2019, we can do better.

The reason I mentioned communism is because in essence they're trying to fulfill an "ethnic quota", which is what communists used to do when setting out jobs, competitions etc, everything had a quota.

If the phrase "ethnic quota" doesn't send the Soviet national anthem blasting through your head then... It should
